This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

**Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

**About Google Book Search**

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

## THE CITY OF NEWPORT

### Resolution of the Representative Council

Resolved, That the Resolution passed by this Council on January 3, 1916, directing the publication of the City Documents and Tax List be and the same is hereby rescinded, and

Resolved, That the City Clerk be and he is hereby authorized and directed to prepare the City Documents for publication, said Documents to comprise the Charter, Reports of City Officers and Departments, the Report of the School Committee, Executive Communications, Ordinances passed during the year, the Mayor's Inaugural Address, the list of City Officers for 1916, the record of the proceedings of the Representative Council and the Tax List for 1916, said reports of City Officers and Departments to be condensed as far as possible, containing only the essential facts and conclusion, leaving out all unnecessary detail matter, and

Resolved, That the Board of Aldermen is hereby directed to procure proposals for and have published 500 copies of said City Documents for 1915, and said Tax List for 1916, to be bound together in cloth covers, and to procure proposals for and have published 2500 copies of said Tax Book for 1916, to be bound in paper covers.

(Passed Feb. 28, 1916)

A true copy. Attest:

F. N. FULLERTON,
City Clerk.

# INAUGURAL ADDRESS

OF

PATRICK J BOYLE, MAYOR

**January 3, 1916**

---

**To the Honorable the Representative Council of the City of Newport.**

Gentlemen:

Through the courtesy of the City Treasurer, I am able to submit to you the following summary of the condition of the City's finances at the close of the last fiscal year:

| | |
|---|---|
| Amount of Bonded Debt | $1,333,000.00 |
| Amount of annual interest on same | 50,010.50 |
| Amount unpaid coupons | 1,192.50 |
| Amount outstanding notes | 75,000.00 |
| Total gross debt | $1,459,203.00 |
| Amount Sinking Fund | 466,505.88 |
| Net Debt | $992,697.12 |
| Cash in Treasury, January 1, 1915 | 141,158.38 |
| Receipts in 1915, including loans | 1,449,539.67 |
| Total receipts | $1,590,698.05 |
| Expenditures in 1915 (including loans) | 1,522,949.96 |
| Cash in Treasury, December 31, 1915 | $67,748.09 |

Of this amount $56,178.44 is held in reserve and is not available for current accounts, thus leaving an actual cash balance in hand December 31, 1915, of $11,504.11. The decrease of cash in hand amounting to $73,469.83 at the close of accounts this year from that of last year is due largely to the greater cost of maintenance of the several departments which returned practically no unexpended balances. During the year the bonded debt was reduced $73,000 and notes for $23,000 were paid.

The instructive and comprehensive report of the Board of Sinking Fund Commissioners will reveal its sound financial methods in safe-

guarding the funds entrusted to its care and again demonstrates the wisdom of its creation. Its withdrawal with the bank deposits and its disposal of stocks for investment in gilt edged bonds which having been bought below par will at their maturity realize a very profitable appreciation, while the annual income therefrom is a substantial sum and the principal hedged with absolute security.

On the whole the report is interesting and worthy of your study. A comparative summary showing the increases in tax assessments, tax rates, cost of the maintenance of the Departments, etc., with conditions a decade ago may be interesting to you.

The valuation of assessments on real estate and tangible personal has increased twenty per cent. from $36,001,000 in 1906 to $43,208,200.00 in 1915. Intangible personal 88 per cent. from $11,811,300 to $21,713,300. The tax rate 30 per cent. from $1.20 to $1.56. The annual appropriations from $644,073.60 to $871,884.05 or 35 per cent. The State Tax has increased 18 per cent. Fire Department, 39 per cent. Lighting Streets, 13 per cent. Police Department, 55 per cent. Health Department, 44 per cent., making an average increase of 41 per cent. in all departments. I believe these figures to be sufficiently illuminating to impress on us the imperative necessity of practicing economy.

By the re-organization of the Fire Department it is generally admitted that we have increased its efficiency but opinion is divided as to whether or not a reduced cost of maintenance has been the result. Many are of the belief that our fire plant is too extensive for our actual needs, involving too great an expense and could be safely cut 33 per cent. without impairing any reasonable requirement or sacrificing any necessary safeguards. Would not good results be obtained by the re-organization of all departments? I am of the opinion that not only would greater efficiency follow their re-organization but also a very appreciable measure of economy in their management and maintenance. I would suggest that the committees of your Honorable Body, in conjunction with the heads of the departments be appointed to investigate and act in accordance herewith. Our tax rate which, as you have seen, has increased of late years until it has reached an alarming figure has been forced to its present point by the constantly soaring demands of all the departments and it seems hard to realize that there has been any healthy growth in our legitimate public needs to justify such demands. The City's revenues in the past decade, as have been shown, have increased about 50 per cent. and in the light of the ordinary rules of business it would appear that when the public resources are at flood tide that it would be possible by efficient conduct and proper economy, to establish a surplus fund from which could be paid, at least in part, new projects, or else lead to a reduction in the tax rate, and we all should appreciate how essential a low tax rate is to the general welfare of Newport. I believe that in the

operation of the municipal machinery there are some leaks that should be stopped, some causes of extravagance that should be eradicated, some non-essentials that can be dispensed with.

I believe furthermore some of the departments are burdened with a superfluity of salaried officers. The City is a business corporation of which you are the directors and its actual requirement in this respect should be carefully and impartially ascertained by you. The public servant filling similar positions of his kind in the employ of other corporations is not entitled to and should not receive any more compensation for his services than does the latter; generally his hours are shorter and his labor lighter, considerations which should have some effect in determining his pay. I think that investigation and re-organization will result in the saving of thousands of dollars annually and that steps should be immediately taken, as it must be evident to all of us, that retrenchment in all the departments has become extremely urgent.

The promotion of several projects to improve and beautify the City await the action of your Honorable Body. The Washington Street Boulevard, the Widening of Bath Road, the Improvement of Market Square and the Reclamation of the Almy Pond Lands being among those in a more or less advanced preliminary stage. It must be plainly clear to all of us the realization of these undertakings involve the expenditure of such large sums of borrowed money as to defer the completion of some of them for years. Market Square should be improved this year, although I do not believe $12,000 should be spent as the proposed plan calls for, that amount being excessive and an unnecessary outlay unless a part of it be used to widen the square at its junction with Thames Street. I believe that we can dispense with some of the elaborate features of the plan without losing any desirable effect in the ornamentation or impairing the usefulness of the Square.

The Washington Street Boulevard is making slow progress, meeting with the opposition of those property holders who refuse to cooperate with the City and who demand exorbitant compensation regardless of the original prices paid for their property and seemingly unappreciative of the enhanced value the construction of the boulevard will give their holdings.

Commendable progress is being made in the Bath Road Widening, owing to the generosity and public spiritedness of Mrs. Rives and Senator Wetmore and the purchase of the land by the City. Our efforts to complete this great improvement should not cease as it is the most important work of those under contemplation and means much for the enhancement of the City.

The Almy Pond Project is assuming definite shape due to the active interest and praiseworthy energy of the Loyal Order of Moose. It has

been said it will require a great amount of money to finance these projects and if we are to go on with our present practice of borrowing they will cost double what they should. I have on other occasions expressed the opinion that the City should buy its own bonds by using a part of the Sinking Funds. Holders of our bonds seem to consider their purchase a good investment and why should not we? We would use our money, pay ourselves interest and on the maturity of long term bonds practically pay the principal with the accumulated interest.

As an illustration of our present method of issuing bonds to raise money let me cite without comment the City Hall 4% Bonds for $153,000, which mature in 1948. On these bonds we pay the non-resident bond holders $6,120, annually. In 1948 we shall have paid these bond holders in interest $306,000, for the use of $153,000, an enormous amount of money to send out of the City to non-resident bond holders.

Our present method of disposing of garbage is crude and shamefully backward. As far back as 1911 a joint committee of this body and the Board of Health was appointed to consider this matter, which is one of the most important questions that await solution and one upon which depends somewhat our reputation as a health resort and our future prosperity. The committee visited several cities and inspected various kinds of incinerators and in an exhaustive report recommended the disposal of house offal by incineration. Since then the development and improvement in incinerators has been so great that they are being operated in several cities not only with success from a sanitary standpoint but with financial profit as well. We should no longer continue the antiquated dumping methods now in use. I would urge you to take immediate action so that another year will find us in that advanced position in this particular feature which every interest of this community demands we should assume.

The Federal authorities are steadily adding to their industrial plants and the near future will probably see the establishment of other governmental institution in Newport, and we should co-operate in every way in furtherance of these movements. It is superfluous to remark that the people of Newport appreciate these welcome acquisitions to their material prosperity.

Recently much concern was manifested at the apparent effects certain alleged conditions were having on the present and future prospects of the expansion of Governmental work here. The alleged cause of this concern, in my opinion, was not so alarming and widespread as to justify the unmerited publicity and unwise agitation which followed. We can assure the Naval authorities that we are willing and able to remove and prevent any cause for reasonable complaint and improper conditions generally and we welcome any legitimate co-operation on their part to that end.

The enforcement of certain laws until recently practically obsolete has been the cause of much inconvenience and discomfort generally, has had a depressing effect on some business interests and entailed considerable financial loss. The wisdom of the continued operation of these laws has become decidedly questionable in view of the peculiar social and business conditions existing in Newport and its character as a summer resort and the opinion seems to prevail largely that the suspension of these laws pending their repeal would be proper, necessary and just.

We ought not to be unmindful of the fact that customs and the manner of living as well as some means of gaining a livelihood have changed somewhat in half a century's time and that some things which in those days were considered luxuries are now recognized as necessities. Newport, in short, in my opinion, is a city where the spirit of the law should be invoked and where existing conditions and unusual circumstances warrant a liberal interpretation and tactful administration of certain antiquated laws which interfere with the comfort and convenience of its people and affect their business interests adversely. In fact it has been shown and demonstrated that a strict letter of the law enforcement has resulted detrimentally to this community's interests and will be so, especially during the summer season, and would be impossible of fair, just and indiscriminate application owing to the demands and character of the business of a summer resort. The recent legalizing of some lines of business indicates the propriety and necessity of so amending these laws as to make those broader in their scope and more inclusive in their provisions or their absolute repeal.

I am inclined to feel that many of our good citizens who do not benefit directly by the non-operation of these laws will coincide with these views insofar as they have reference to the minor affairs of every-day life which are now subjected to unreasonable prohibition and narrow restriction.

I am well aware that these suggestions will energize the spasmodic activities of certain self constituted censors whose interest in the welfare of Newport seemingly derives inspiration, and can be measured by the amount of salaries paid them.

I would renew my suggestion that the plot of land, at present an eyesore, intersecting Thames and Farewell Streets be acquired by the City and named Ellery Park in perpetuation of the memory of one of Newport's most famous men, the illustrious William Ellery, signer of the Declaration of Independence.

This lot facing the Liberty Tree would have an historical significance doubly instructive. I would also suggest that the cost of the land and a monument of William Ellery, to be erected later on, be met by popular subscription under the auspices of a Committee of the Representative Council. Surely there must be in this community

enough pride and patriotic sentiment to manifest its appreciation of such a glorious heritage as we possess. What city with such wealth and historical distinction would long remain unexpressionless and inactive, fail to lovingly revive his memory and would not in an enduring form pay tribute to one of those band of heroic patriots who in the days that tried men's souls risked all, even life itself, for the cause of human freedom.

In conclusion permit me to emphasize the great necessity that confronts us for the exercise of economy during the year that lies before us. Doubtless many occasions, pregnant with opportunity and temptation will arise to tax our best efforts in the discharge of our several functions. May we all be able at the close of our several terms of office to say truthfully and to feel conscientiously that we have performed these duties well and faithfully.

# New City Charter of the City of Newport

**An Act to Revise, Consolidate, and Amend the Act Entitled "An Act Incorporating the City of Newport," and the Several Acts in Amendment Thereof and in Addition Thereto, Passed April 2, 1875.**

**It is enacted by the General Assembly as follows:**

Section 1. The inhabitants of the City of Newport shall continue to be a body politic and corporate by the name of the "City of Newport," and, as such, shall continue to have, exercise, and enjoy all the rights, immunities, powers, privileges, and franchises, and shall be subject to all the duties and obligations now incumbent on, or pertaining to said city as a municipal corporation, or by virtue of the laws of this state; so far as the same shall not be altered by this act, or by any acts in amendment thereof. They may ordain and publish such ordinances and regulations as shall be needful to the good order of the said body politic, and may inflict fines and penalties for the breach thereof, not exceeding, for any offence, twenty dollars and ten days' imprisonment.

Sec. 2. The government and control of all fiscal, prudential, and municipal affairs of said city, unless otherwise provided, shall be vested in a representative council, and unless otherwise specially provided, all the general or special powers conferred by statute upon city councils shall in the City of Newport be and hereby are vested in the said representative council.

Sec. 3. The representative council shall consist of one hundred and ninety-five members to be elected as follows: At the first election after the passage of this act the electors of each ward qualified to vote on any proposition to impose a tax or for the expenditure of money shall elect thirty-nine members who shall reside in the ward for which they are elected, thirteen of whom shall serve for the term of one year, thirteen for the term of two years, and thirteen for the term of three years; and thereafter the electors of each ward shall annually in like manner elect thirteen members to serve three years, and shall also at such election fill any vacancies that may exist for the unexpired term.

Sec. 4. The executive powers of the city, except as otherwise directed by the representative council shall be vested in a mayor, who shall be elected by the electors qualified to vote for general officers,

and in five aldermen, one from each ward, to be elected by the electors of the city qualified to vote on any proposition to impose a tax or for the expenditure of money. Each alderman shall be an elector in the ward for which he is nominated, and the nominee for each ward receiving the highest number of votes shall be the alderman for that ward.

Sec. 5. The representative council shall meet annually on the first Monday in January at 12 o'clock noon, and at such other times as they shall adjourn to or by rule prescribe; they shall also meet upon the written request of twenty-five members or upon the request of the board of aldermen, the request for such meeting to be filed with the city clerk.

Sec. 6. The representative council shall choose a chairman from their number who shall preside at their meetings. The city clerk shall act as clerk of the representative council.

Sec. 7. The chairman of the representative council shall annually at the first meeting in January appoint a committee of twenty-five members, five members from each ward, which committee shall consider the subject of the annual appropriations for the ensuing year and make report thereon at an adjourned meeting of the representative council, which report shall be printed and distributed to the voters qualified to vote upon the expenditure of money at least seven days before said adjourned meeting.

Sec. 8. Any vacancy in the representative council from any ward may be filled by the members from such ward from among the qualified electors of such ward for and during the remainder of the current municipal year.

Sec. 9. The representative council may determine the rules of its procedure and judge of the election of its members. A majority of all the members of the representative council shall constitute a quorum for doing business, but a less number may organize temporarily and may adjourn from time to time. All meetings of the representative council shall be held with open doors, and the records of their proceedings shall be kept by the city clerk and shall be open to public inspection. Subject to such conditions as may be determined from time to time by the representative council, any taxpayer or voter of the city may speak, but not vote, at such meetings. The members thereof shall receive no compensation for their services as members of the representative council.

Sec. 10. The representative council shall have power to levy and collect taxes for all purposes for which towns or cities are authorized to levy and collect taxes, and to appropriate and expend the same as they are or may be authorized by law; to make ordinances and regulations for the government of said city, except as otherwise provided by law, relative to streets, sidewalks, and highways, and to the

ordering of the same to be made, and to mending, paving, cleaning and lighting the same; to landing places, wharves, the anchoring and mooring of vessels, and to injuries and encroachments upon the river and harbor; to the fire department of said city, and the protection of said city from fires; to the police department, and the security of the city from riotous and disorderly persons; to taverns, cookshops, oyster houses, and all places of entertainment; to public shows, entertainments, exhibitions and spectacles, and the licensing or prohibition thereof; to the construction, use, and regulation of theatres and all public places of amusement; to the public health; to public burying grounds, and the burial of the dead; to foot or sidewalks in the streets, and to posts, gutters, drains, signs, steps, cellar doors, windows and lamps therein; and shall have power to make ordinances and regulations necessary to the welfare of said city and all other general powers necessary for the government of said city not inconsistent with law.

Sec. 11. The representative council shall also have power to inflict penalties for the breach of any such ordinances. Provided, that such ordinances shall not be contrary to the laws of this state and that nothing herein contained shall be construed to exempt offenders from the punishment or penalty already prescribed by the laws of this state for any of the offenses herein described. All penalties provided for by any ordinance of said city shall be forfeited to the use of said city, or to such persons and uses as shall be by such ordinances prescribed; and they may be sued for and recovered in any court of competent jurisdiction.

Sec. 12. The representative council at the beginning of each municipal year shall elect a city treasurer, a city clerk, a judge of probate, a probate clerk, a collector of taxes, a city solicitor, one assessor of taxes, and all such other city or municipal officers provided for by the laws of this state or otherwise as may be necessary or proper, and for the term provided by law; and they shall also elect from time to time all such officers as may be needful or proper to carry into execution the powers of said city unless the appointment of such officers be prohibited, or the mode of their election be otherwise specially prescribed by law, and may provide by ordinance or otherwise for the election of such other officers as are not hereinbefore designated, and shall have power to employ heads of departments and such other officers as they may see fit. They may delegate to the board of aldermen the election of any officers not specially named or not by special act required to be elected by the representative council.

Sec. 13. The representative council shall fix the salaries and define the duties of all city officers except otherwise provided by law. The salaries shall be fixed before the election of the officers and shall not be changed during the term for which they are elected, but the

salary of mayor and members of the board of aldermen for the year commencing January 7, 1907, shall be fixed at the first meeting in January, 1907.

Sec. 14. The representative council may, if two-thirds of all the members elected vote in the affirmative, remove for misconduct or incapacity any officer except such as are elected by the people.

Sec. 15. The representative council shall have power to delegate to the board of aldermen such ministerial powers as are by statute or by this charter conferred upon said representative council.

Sec. 16. It shall be the duty of any officer or employee of the city at the request of the representative council, in accordance with any general rule or special vote of said body, to appear before it and give such information as it may require in relation to any matter, act, or thing connected with his office or employment.

Sec. 17. A vote of the representative council in favor of any proposition requiring the expenditure of ten thousand dollars or more in addition to the regular annual appropriations shall not become operative until after the expiration of a period of seven days from the day of the final passage of such vote. If, within the said period of seven days, a petition be addressed to and filed with the city clerk signed by at least ten qualified electors from each ward in addition to at least one hundred qualified electors of the city, asking that such proposition be submitted to the qualified electors of said city, the board of aldermen shall within thirty days from the filing of such petition submit such question to the qualified electors at ward meetings specially held for such purpose. Pending said period of seven days the action of the representative council shall be suspended, and if the said petition be filed then it shall be further suspended until the result of said election be declared, and if a majority of the electors voting thereon approve said proposition it shall become a law, otherwise it shall be null and void.

Sec. 18. Upon the written petition signed by at least one hundred electors qualified to vote upon the proposition therein set forth, filed with the city clerk, addressed to the representative council, and requesting the passage of any ordinance or any proposition for the expenditure of money exceeding the sum of ten thousand dollars, there to be specifically set forth, the representative council shall at its next meeting proceed to consider the same and shall before the adjournment of said meeting pass its final vote thereon. If the said ordinance or proposition be disapproved by the representative council the said vote shall be inoperative for a period of seven days, and if within said period of seven days after said disapproval a petition be addressed to and filed with the city clerk signed by at least twenty qualified electors from each ward in addition to at least two hundred qualified electors

of the city asking that such proposition be submitted to the qualified electors of said city, the board of aldermen shall within thirty days thereafter submit said ordinance or proposition to the qualified electors of the city at ward meetings specially held for that purpose, and if a majority of the electors approve such ordinance or proposition it shall become a law, otherwise it shall be null and void.

Sec. 19. No sum appropriated for a specific purpose shall be expended for any other purpose unless otherwise specially authorized by vote of the representative council. No expenditure shall be made nor liability incurred by or in behalf of the city until an appropriation has been duly voted by the representative council sufficient to meet such expenditure or liability together with all prior unpaid liabilities which are payable out of such appropriation.

Sec. 20. The representative council, the mayor, and the board of aldermen and all other city officers shall be sworn or affirmed to the faithful performance of the duties of their respective offices and to support the constitution of this state and of the United States in the form provided by the laws of this state.

Sec. 21. The mayor shall be president and ex-officio a member of the board of aldermen. He shall have power to investigate all departments of the city and may suspend any city officer for sufficient cause. In case of suspension he shall within five days call a meeting of the board of aldermen and lay before the board a specification of the charges preferred against such officer, and if said board shall not sustain such charges the officer shall be immediately restored to office; but if said board shall sustain said charges the office shall become vacant unless such officer shall within ten days claim an appeal to the representative council, who shall finally determine the matter.

Sec. 22. The board of aldermen shall exercise a general supervision over all matters affecting the welfare of the city; they shall form the several committees for the administration of the different departments of the city government, and shall report the condition of the same, together with recommendations thereon, at the annual meeting of the representative council, which report shall be published annually; they shall attend the meetings of the representative council and give such information as may be required.

Sec. 23. Unless otherwise specially provided, all the powers, general or special, now conferred by statute upon town councils and boards of aldermen shall in the City of Newport be vested in the board of aldermen.

Sec. 24. The board of aldermen may determine the rules of its procedure. It shall elect a chairman who shall preside and perform the duties of the mayor in case of the absence or inability of the mayor to act.

Sec. 25. The mayor and the members of the board of aldermen shall receive a salary to be fixed by the representative council, and shall receive no other compensation whatsoever for any services rendered to the city. Neither the mayor nor any alderman shall enter into or be interested in any contract with the said city or any department thereof, nor shall either of them vote upon any proposition or with reference to a contract between the City of Newport and any corporation in which either is a stockholder.

Sec. 26. In case of vacancy in the office of mayor or any member of the board of aldermen the representative council may call a special election to fill the vacancy.

Sec. 27. On and after January 1, 1908, Chapter 804 of Public Laws, entitled "An act to establish a board of police commissioners for the City of Newport," and all acts in amendment thereof and in addition thereto shall be repealed, and thereupon all the powers over and control of the police within the City of Newport shall be vested in a mayor, by and with the consent of the board of aldermen of the City of Newport, subject to the direction of the representative council. During the month of January, 1908, the representative council shall elect three commissioners, one of whom shall hold office for one year from the first day of January, 1908, one who shall hold office for two years from said date, and one who shall hold office for three years from said date, and annually thereafter in the month of January the representative council shall elect one commissioner to hold office for three years, which commissioners shall have and exercise all the powers and duties conferred by law upon license commissioners under the provisions of Chapter 102 of the General Laws and of any acts in amendment thereof and in addition thereto. Said commissioners shall receive such compensation as the representative council shall determine, and the said representative council may fill all vacancies in said board of commissioners caused by death, resignation, or otherwise.

Sec. 28. Nominations of candidates under this act shall be made by nomination papers filed with the city clerk at least twelve days before election, and no nomination paper shall be valid in respect to any candidate whose written acceptance is not thereon. Nothing shall be printed or written on any nomination paper except the name and residence of the candidate and the office for which he is nominated, the names and addresses of the nominators, and the acceptance of the candidate. Nominations of candidates for the representative council shall be signed by at least thirty electors qualified to vote upon any proposition to impose a tax or for the expenditure of money and residents of the wards from which the candidate is nominated. Nominations of candidates for the board of aldermen shall be signed by at least one hundred electors who are qualified to vote upon any proposition to impose a tax or for the expenditure of money and residents of

the City of Newport. Nominations of candidates for the school committee shall be signed by at least one hundred qualified electors of the City of Newport, and nominations for candidates for mayor shall be signed by at least two hundred and fifty qualified voters of said city. No person shall sign nomination papers for a greater number of candidates than he has a right to vote for at the election for which the nominations are made. Chapter 1078 of the Public Laws shall not apply to nomination papers provided for by this act.

Sec 29. On the first Tuesday in December in every year the qualified electors of said city shall give in their votes in their respective wards for a mayor to serve for one year from the first Monday of the next January and until his successor be elected and qualified, and four members of the school committee to serve for the term as by law provided; and on the same Tuesday in every year the electors of each ward qualified to vote on any proposition to impose a tax or for the expenditure of money in said city shall give in their votes for five aldermen to be elected by the people at large to serve for the term of one year and until their successors are elected and qualified, and such number of members of the representative council to serve for such terms as herein provided. Nothing shall be printed or written upon the ballot except the name of the candidate, his residence, the office for which he is nominated, and such other non-political facts as the election laws of this state may require. In all other respects the election shall be in conformity with the laws of the state now or hereafter in force concerning elections under the secret ballot law.

Sec. 30. For the purpose of holding elections, the city shall be divided into five wards, to contain as nearly as may be conveniently an equal number of inhabitants and electors. And it shall be the duty of the representative council from time to time, not oftener than once in five years, if needful, to revise and alter the said wards in such a manner as to preserve, as nearly as may be, such equality. The present division of said city into wards shall be and hereby is continued until the same shall be revised and altered as above provided.

Sec. 31. All ordinances of the City of Newport in force at the time of the passage of this act shall continue in force until amended or repealed by the representative council.

Sec. 32. The passage of this act shall not affect any right accruing or accrued, or any suit, prosecution, or other legal proceeding pending at the time when it shall take effect as herein provided, and no penalty or forfeiture previously incurred shall be affected thereby. All persons holding office in said city at the time this act shall take effect shall continue to hold such office until the first Monday in January, nineteen hundred and seven and until their successors are elected and qualified.

Sec. 33. This act shall be submitted for approval or rejection to the qualified voters of the City of Newport on the sixth day of June, 1906, in accordance with Chapter II of the General Laws, and the city clerk of said Newport shall issue his warrant, notifying and warning the qualified voters to meet in the several ward meetings in said city, there to cast their ballot for or against the approval or rejection of this act. The polls in the several ward meetings shall be kept open during the hours now provided by law in elections for general state officers and members of the General Assembly and the ballots deposited in the several ward meetings upon the closing of the polls in said wards respectively shall be sorted and counted by the wardens and clerks of said meetings in open ward meeting, and the result in each of said wards shall thereupon be announced by the warden thereof and the ballots thereupon shall be sealed up and returned to the city clerk of said Newport. The board of aldermen of said Newport shall thereupon, on the day following said ward meetings, proceed to count the ballots for and against the acceptance of this act, and shall declare the result. If a majority of the ballots deposited as aforesaid shall reject, this act shall not go into effect; but if a majority of the electors voting at said ward meeting shall approve then this act shall take effect as herein provided. Said board of aldermen shall cause a copy of such declaration, certified by the city clerk, to be deposited with the secretary of state, and shall also cause the result of said count to be entered upon the records of said city.

Sec. 34. So much of this act as authorizes the submission of the question of its acceptance to the electors of the City of Newport shall take effect upon its passage but it shall not take further effect unless accepted by the electors of said city as herein provided. If approved by the electors of said city, then this act for the purpose of nominating and electing officers hereunder in lieu of the annual election for city officers shall take effect on the first day of October, nineteen hundred and six, and for all other purposes this act shall take effect on the seventh day of January nineteen hundred and seven, and thereupon all acts and parts of acts inconsistent herewith are hereby repealed.

(Adopted by Vote of the People, June 6, 1906.)

# Officers of the City Government

**Of the City of Newport for the Year 1916**

---

**Mayor**

Hon. Patrick J. Boyle

---

**Board of Aldermen**

And Resolved, That no city officer nor committee shall incur any liability against the City, or make or cause any expenditure or payments out of the funds of the City beyond or in excess of any appropriation hereinbefore ordered unless such liability, expenditure or payment shall be occasioned by the laws of the State or be specially authorized by vote of the Representative Council, in conformity to the provisions of the Ordinance relating to annual appropriations, and be it further

Resolved, that no sum appropriated for a specific purpose shall be expended for any other purpose unless specifically authorized by vote of the Representative Council; no expenditure shall be made nor liability incurred by or in behalf of the City until an appropriation has been duly voted by the Representative Council sufficient to meet such expenditure or liability together with all prior unpaid liabilities which are payable out of such appropriation.

**Resolution** directing the City Solicitor to present to the General Assembly and urge its passage "An Act in amendment of Chapter 1246 of the Public Laws, entitled "An Act in Relation to the Fire Department of the City of Newport as amended by Chapter 379 of the Public Laws." Read and passed.

Resolved, That the City Solicitor be, and he is hereby instructed to present the accompanying act, entitled "An Act in Amendment of Chapter 1246 of the Public Laws, entitled 'An Act in Relation to the Fire Department of the City of Newport, as Amended by Chapter 379 of the Public Laws,' " to the General Assembly of the State of Rhode Island, and to urge the passage of said act before the said Assembly or any committee thereof.

**It is enacted by the General Assembly as follows:**

Section 1. Section 3 of Chapter 1246 of the Public Laws, passed at the January Session A. D. 1893, and amended April 17, 1896, is

hereby further amended by striking out the words "city council" where there occurring and substituting in lieu thereof the words "representative council" and striking out the "," after the word *act* and substituting a "." and striking out the words "and the said chief engineer shall be a member of the board of firewards."

Section 2. This act shall take effect immediately.

**Resolution** directing the City Solicitor to present to the General Assembly and urge its passage an Act entitled "An Act in Amendment of Chapter 1246 of the Public Laws, entitled 'An Act in Relation to the Fire Department of the City of Newport, passed March 8, 1893, and the Act in Amendment of said Act, Chapter 753, Public Laws, approved Feb. 14, 1911. Read and passed.

Resolved, That the City Solicitor be, and he is hereby instructed to present the accompanying act, entitled "An Act in Amendment of Chapter 1246 of the Public Laws, entitled, 'An Act in Relation to the Fire Department of the City of Newport, passed March 8, 1893, and the Act in Amendment of said Act, Chapter 753, Public Laws, approved February 14, 1911," to the General Assembly of the State of Rhode Island and to urge the passage of said act in said Assembly or any committee thereof.

**It is enacted by the General Assembly as follows:**

Section 1. Section 1 of chapter 1246 of the public laws is hereby amended so as to read as follows:

"Section 1. The fire department of the City of Newport shall consist of a chief engineer, a deputy chief engineer, and such captains, hosemen, laddermen, mechanicians, electricians, assistant electricians, chauffeurs, drivers, emergency men, etc., as the Representative Council of said City may, from time to time prescribe."

Section 2. The representative council of the City of Newport shall, immediately after the passage of this act, elect a deputy chief engineer who shall hold his office for the term of four years, and the representative council shall, in the month of January, in every fourth year hereafter, elect a deputy chief engineer who shall hold his office for four years and until his successor is qualified to act.

Section 3. Section 4 of said Chapter 1246 of the public laws as amended by Chapter 753 of the public laws, approved February 14, 1911, is hereby expressly repealed.

Section 4. Section 5 of said chapter 1246 of the public laws is hereby amended so as to read as follows:

"Section 5. The representative council of the City of Newport may, by ordinance, provide for the qualification, election, tenure of

office, removal and suspension, filling vacancies, duties, etc., of members of the fire department."

Section 5. Said chief engineer, deputy chief engineer, captains, hosemen, laddermen, mechanicians, electricians, assistant electricians, chauffeurs, drivers, emergency men, etc., shall perform such duties as may be imposed upon them from time to time by the representative council of said city, and the ordinances of said city, and any of said members of the fire department may be removed or suspended by any proceeding or method the representative council may, by ordinance, prescribe.

Section 6. Section 6 of said chapter 1246 of the public laws is hereby expressly repealed.

Section 7. All acts or parts of acts inconsistent herewith are hereby repealed and this act shall take effect immediately.

**Resolution** authorizing the issue of $42,000 Serial Bonds for Fire Department Re-organization. Read and passed.

Whereas, by vote of the people on the first day of December, A. D. 1914, the Board of Aldermen, acting under the direction of the Representative Council was authorized to issue bonds to the amount of Forty-two thousand Dollars, ($42,000), for the purpose of re-organizing the Fire Department of this City, be it

Resolved, that serial bonds of the City of Newport to the amount of Forty-two thousand dollars, ($42,000), or so much thereof as may be necessary, be issued and sold under the direction of the Board of Aldermen to provide the money for the purpose above stated. The bonds will be issued in the municipal year 1915 when in the opinion of said Board the money will be needed; shall be of the denomination of one thousand dollars ($1000) each; bear semi-annual interest coupons at the rate of four and one-half (4½) per cent. per annum; shall be numbered from one to forty-two (1 to 42) inclusive and shall be payable in from one to fourteen years (1 to 14), according to their numbers; that is to say, bonds numbered one, two and three (1, 2 and 3) shall be payable in one year, bonds numbered four, five and six (4, 5 and 6) shall be payable in two years and so on.

Bonds shall be signed by the City Treasurer, sealed with the corporate seal of the City of Newport and countersigned by the City Clerk, and both principal and interest shall be payable at the office of the City Treasurer in gold coin of the United States of the present standard of weight and fineness and the sum of Three Thousand Dollars ($3000) shall be annually appropriated from the City's finances to pay for the bonds maturing each year during the term of said bonds.

The proceeds of the sale of said bonds to be placed in the City Treasury to be used as above recited.

**Resolution** authorizing the City Treasurer to hire not exceeding $500,000 in anticipation of taxes. Read and passed.

Resolved, That the City Treasurer, under the direction of the Board of Aldermen, be and he is hereby authorized and empowered to hire from time to time as needed during the present municipal year beginning January 4, 1915, such sums of money as may be fixed by the Board of Aldermen not exceeding five hundred thousand dollars to be used and expended for the payment of the current expenses of the City in anticipation of the proceeds of the annual tax assessed upon the ratable property within the City; and said Treasurer is further authorized and empowered to sign and issue the negotiable note or notes of the City of Newport, therefor, said note or notes to become due during the present municipal year and to be paid at maturity from the city tax for the current year, a sufficient sum being hereby appropriated therefrom to pay said notes and no such note shall be valid unless authenticated by the certificate of some responsible banking corporation to be approved by the Board of Aldermen.

**Resolution** directing the City Treasurer to pay non-apportioned accounts of the Department of Highways and Bridges. Read and passed.

Resolved, That the City Treasurer be and he is hereby authorized and directed to pay the non-apportioned accounts of the Department of Highways and Bridges, which accounts are to be properly distributed at the end of the present municipal year.

**Resolution** directing the City Treasurer to credit to the General Fund certain monies deposited by the Street Commissioner. Read and passed.

Resolved, That the City Treasurer be and he is hereby authorized and directed to credit to the General Fund all monies deposited with him by the Street Commissioner for weighing, wharfage, permits, street sweepings, manure, etc.

**Resolution** directing the City Treasurer to credit to the appropriation for Highways and Bridges certain monies received by the Street Commissioner. Read and passed.

Resolved, That the City Treasurer be and he is hereby authorized and directed to credit to the appropriations in charge of the Department of Highways and Bridges, certain monies that the Street Commissioner may deposit with him from time to time, which have been

expended from said appropriations, and also including donations received from Street Sprinkling, Use of Steam Rollers, Watering Carts, Horse Roller and Pump.

**Resolution** authorizing the Board of Aldermen to ask for proposals for furnishing money, receiving the deposits and paying the checks of the City Treasurer. Read and passed.

Resolved, That the Board of Aldermen be and is hereby authorized and instructed to ask for proposals from banks and bankers for terms upon which money will be furnished to the City Treasurer from time to time during the present municipal year, and also for receiving his deposits and paying his cheques, during said municipal year.

**Resolution** directing the Board of Aldermen to ask for proposals for fuel for the Highway Department. Read and passed.

Resolved, That the Board of Aldermen be and is hereby authorized and directed to ask for proposals for all fuel required for the Highway Department for the current municipal year and to contract for the same with the lowest responsible bidder.

**Resolution** directing the Board of Aldermen to ask for bids for Forage for the Highway Department. Read and passed.

Resolved, That the Board of Aldermen be and is hereby authorized and directed to advertise for proposals for furnishing forage for the use of the Department of Highways and Bridges for the current municipal year and to contract for the same.

**Resolution** directing the Board of Aldermen to ask for bids on Fuel for City Hall, and orders of Overseers of the Poor. Read and passed.

Resolved, That the Board of Aldermen be and is hereby authorized and directed to ask for proposals for fuel required for the City Hall and orders of the Overseers of the Poor for the current municipal year and to contract with the lowest responsible bidder for the same.

**Resolution** directing the Board of Aldermen to purchase forage for the Fire Department. Read and passed.

Resolved, That the Board of Aldermen be and is hereby authorized and directed to purchase forage for the Fire Department for the current municipal year from the lowest responsible bidder on the same.

**Resolution** authorizing the Board of Aldermen to ask for proposals for Paving Gravel. Read and passed.

Resolved, That the Board of Aldermen be and they are hereby authorized and directed to ask for proposals for all paving gravel required for the Highway Department for the current municipal year and to contract for the same with the lowest responsible bidder.

**Resolution** directing the Board of Aldermen to contract for crushed stone. Read and passed.

Resolved, That the Board of Aldermen be, and they are hereby authorized and directed to advertise for bids, and contract with the lowest responsible bidder for furnishing and delivering crushed stone, per ton, for the use of the Department of Highways and Bridges for the municipal year of 1915. The successful bidder to furnish and deliver said stone, in such quantities and at such places as the Street Commissioner may direct from time to time. All stone to be weighed by a duly authorized weigher. The successful bidder to also furnish a bond from some reliable Surety Company to the amount of Five Thousand dollars ($5000) as a guarantee to fulfill the requirements of the contract.

**Resolution** authorizing the publication of the City Manuals. Read and passed.

Resolved, That the Board of Aldermen be and is hereby authorized and directed to procure proposals for and have published 550 copies of the City Manual for 1915; 300 copies to be bound in tuck form, the remainder in cloth covers.

**Resolution** authorizing the publication of the City Documents and Tax Lists.

Resolved, That the City Clerk be, and hereby is authorized and instructed to prepare the City Documents of 1914 for publication; said Documents to comprise the Charter, Reports of City Officers and Departments, the Report of the School Committee, Executive Communications, ordinances passed during the year, the Mayor's Inaugural Address and list of City Officers for 1915, the record of the proceedings of the Representative Council and Tax List for 1915, and

Resolved, That the Board of Aldermen is hereby directed to procure proposals for and have published 700 copies of said City Documents for 1914 and said Tax List for 1915 to be bound together in cloth covers, and to procure proposals for and have published 3000 copies of said Tax Book of 1915, to be bound in paper covers.

**Resolution** directing the Committee of Twenty-five to inquire into Ways and Means. Read and passed.

Resolved, That the committee of twenty-five members of the Representative Council is hereby authorized and directed to inquire

into the state of the city's finances and the means to be adopted to raise the money and to report the sums necessary for the City's portion of the State Tax, for the gradual extinction of the City's debt, the support of the poor and the expenses of the city government for the present municipal year, said committee to report an Ordinance therefor at the next meeting of the Council.

**Resolution** directing the City Treasurer to draw income of the Touro Street Fund. Read and passed.

Resolved, That the City Treasurer be and he hereby is authorized and directed to draw from the Board of Commissioners of the Sinking Funds the income of the Touro Street Fund, for the present municipal year for the purpose of paying for such repairs, etc , as may be ordered by the Board of Aldermen from time to time on Touro Street.

**Resolution** directing the City Treasurer to draw income of Touro Synagogue Fund. Read and passed.

Resolved, That the City Treasurer be and he is hereby authorized and directed to draw from the General Treasurer from time to time in the current municipal year, the interest of the Touro Synagogue Fund, for such repairs, improvements and incidental expenses as may be authorized by the Board of Aldermen.

**Resolution** referring petitions received in 1914 to Committee of Twenty-five. Read and passed.

Resolved, That all petitions received by the Representative Council and Board of Aldermen during the year 1914, upon which no action has been or appropriation made, be referred to the Committee of Twenty-five.

**Resolution** authorizing the City Treasurer to pay $3,000 Athletic Field Bonds maturing this year from balance of proceeds of sale of bonds. Read and passed.

Resolved, That the City Treasurer be and he is hereby directed to pay the $3,000 Athletic Fields Bonds maturing this year from the balance in his hands of the proceeds of the sale of bonds for the purchase of Athletic Fields.

**Resolution** re-appropriating $1,700 for printing and binding Revised City Ordinances. Read and passed.

Resolved, That the sum of $1,700, the balance of the appropriation in the hands of the City Treasurer for the purpose of printing and binding the new Revised City Ordinances be and the same is hereby re-appropriated for that purpose.

Sec. 2. The appropriations heretofore made by Ordinance passed January 4, 1915, are included in the above appropriations, and so much of said appropriations as has already been paid out by virtue of said Ordinance is to be deducted from the appropriations made by Section 1, hereof.

Sec. 3. All boards, commissions, or officers who have approved bills which have been paid from the appropriations made by Ordinance passed January 4, 1915, shall immediately, upon the passage of this Ordinance, notify the City Treasurer to which specific appropriation said bills should be charged and enter such charge on their books accordingly.

Sec. 4. No city officer nor committee shall incur any liability against the City, or make or cause any expenditure or payment out of the funds of the City beyond or in excess of any appropriation hereinbefore ordered, unless such liability, expenditure or payment shall be occasioned by the laws of the State, or be specially authorized by vote of the Representative Council, in conformity to the provisions of the Ordinance relating to annual appropriations.

Sec. 5. No sum appropriated for a specific purpose, as specified in detail in the report of the Committee of Twenty-Five, shall be expended for any other purpose, unless otherwise specifically authorized by vote of the Representative Council. No expenditure shall be made nor liability incurred by or in behalf of the City until an appropriation has been duly voted by the Representative Council sufficient to meet such expenditure or liability, together with all unpaid liabilities which are payable out of such appropriations.

Sec. 6. This Ordinance shall take effect upon its passage.

For Deputy Chief Engineer of the Fire Department, Messrs. Joseph S. Lawton, Eugene S. Hughes and William P. Dawley were nominated. Mr. Lawton received 110 votes, Mr. Hughes 66 votes and Mr. Dawley 1 vote and Mr. Lawton was declared duly elected.

**Resolution** ordering the levy and collection of a Poll Tax. Read and passed.

Resolved, That a poll tax for the current municipal year shall be assessed according to law on the 15th day of October and payable on or before the 15th day of November, A. D. 1915.

**An Ordinance** ordering the levy and collection of a tax. Read and passed.

**It is ordained by the Representative Council of the City of Newport, as follows:**

Section 1. A tax for the current municipal fiscal year of not less than Seven hundred and fifty thousand dollars ($750,000) nor more than Seven hundred and seventy thousand dollars ($770,000) is hereby imposed and levied and shall be assessed and apportioned by the Assessors of Taxes of this City, on the inhabitants of this City and the ratable property within the same at 12 o'clock noon on April 1, 1915; said assessment shall be completed, signed, certified and delivered in the office of the City Clerk on or before the 25th day of June, A. D. 1915, and shall be collected and paid into the City Treasury between the first day of July and the thirty-first day of August next, and all taxes remaining unpaid on said last named day shall carry until collected a penalty at the rate of twelve per centum per annum.

Sec. 2. This ordinance shall take effect immediately.

On Motion it was voted to take a recess until Friday, March 12, 1915, at 8 o'clock p. m.

Meeting called to order at 8 o'clock p. m., Friday, March 12, 1915.

Upon the call of the roll the following members were found to be present:—

Ailman, Albro, Andrews, Anthony, Arter, Asher, Austin, G. B., Austin, J. R., Aylsworth, Bacheller, D. P., Bacheller, G. W., Jr., Bacheller, H. C., Bain, Barker, C. F., Barker, F. S., Barker, J. A., Barker, J. B., Barker, W. F., Barlow, Battene, Beattie, Beck, Blaine, Blake, J. E., Blake, J. W., Bosworth, E. T., Bosworth, E. F., Sullivan, M. J., Sullivan, M. D., Thompson, Toomey, Voigt, C. J., Voigt, E., Voigt, O. P., Wetherell, M. W., White, Wilbor, Williams, Winsor. Present 156, Absent 39.

Communication from the Board of Aldermen. Read and received.

**Resolution** directing the Board of Aldermen to proceed with the re-organization of the Fire Department.

Amended by adding after the words "No. 6" the words "now known as Combination No. 2" and adding after the words "Long Wharf" the words "together with the lands belonging to the City of Newport upon which each of the same is situate" and by striking out in the 18th line the words "any or" and passed as amended.

Resolved, That the Board of Aldermen be and they hereby are directed to dispose of, at public auction, the following named fire stations:—No. 1, Mill Street; No. 2, Bridge Street; No. 6, now known as Combination No. 2, Lower Thames Street; No. 8, Prospect Hill Street; No. 1 Hook and Ladder Station, Long Wharf; together with the lands belonging to the City of Newport upon which each of the same is situate, and to make alterations, additions, improvements and repairs to the remaining fire stations; to purchase new motor driven apparatus as follows—three combination pumping machines, two combination single tank chemical and hose wagons, two new chassis to carry present equipment of ladders and equipment of Hook and Ladder trucks Nos 1 and 2, one one-and-a-half ton truck provided with tractor bar and equipped with a chemical tank, one Deputy Chief's car, and other necessary fire apparatus, all as designated in the report of the special committee on the re-organization of the Fire Department submitted to the Representative Council on November 16, 1914; and to expend therefor a sum of money not exceeding fifty-eight thousand dollars ($58,000) to be derived from the sale of disbanded fire stations, apparatus, and from the sale of bonds of the City of Newport heretofore authorized to be issued for that purpose, and to carry

out all the recommendations of the said re-organization committee as contained in their submitted report and in accordance with the Acts of the General Assembly of the State of Rhode Island and of the Ordinances of the City of Newport.

**Resolution** authorizing the appropriation of $42,000 to be used in the re-organization of the Fire Department. Read and passed.

Resolved, That the sum of Forty-two thousand dollars, or so much thereof as may be necessary, be and the same is hereby appropriated for the purpose of Re-organizing the Fire Department as authorized by the taxpayers, under the plans of re-organization of the Fire Department, and that the City Treasury be re-imbursed for this amount, or as much thereof as shall have been expended by the Board of Aldermen in said re-organization, from the proceeds of the sale of bonds heretofore authorized to be issued for the carrying out of the re-organization of the Fire Department.

**An Ordinance** in amendment of Chapter 16 of the Revised Ordinances of the City of Newport.

Amended by striking out in Section 1 the words "except at the station on Coggeshall Avenue where one man shall be on duty;" by substituting the word "fire" for the word "motor" and by adding after the words "examination papers," the words "questions and answers" and by substituting the word "after" for the word "of" and by substituting the word "in" for the word "at" in Section 9; by adding after the word "Mayor" the words "Chief Engineer or Deputy Chief Engineer;" by striking out the words "with or" and the word "same" and by adding after the word "and" the words "notice of such suspension shall be" in Section 18; and by striking out the words "nor shall the same be made a place of resort for persons other than members of the Fire Department" in Section 29; by adding the words "at public auction to the highest bidder" after the word "same" in Section 30; by adding after the word "Department" the words "while on duty" and by striking out the words "below the rank of deputy chief engineer" and the words "deputy chief engineer" in Section 34; by adding after the word "limits" in Section 36 the words "members of the Newport Board of Underwriters, Building Inspector and representatives of the Gas, Water, Electric and Telephone Companies;" by adding after the words "Railroad Crossing" in Section 39 the words "Bellevue Avenue at Bath Road and Thames Street at Wellington Avenue," and passed as amended.

**An Ordinance** in amendment of Chapter 16 of the Revised Ordinances of the City of Newport, entitled "Fire Department."

**It is ordained by the Representative Council of the City of Newport as follows:—**

PERMANENT FORCE

Section 1. The Fire Department of the City of Newport shall consist of one chief engineer, one deputy chief engineer, and the following permanent men: three captains; one chief electrician; one assistant electrician; one mechanician; four men to each combination pumping engine, one of whom shall be the mechanician stationed at headquarters; two men to each combination chemical and hose wagon; three men to each hook and ladder truck, and five men for relief duty.

CALL FORCE

Sec. 2. The call force shall consist of six men to each combination pumper; five men to each combination chemical and hose wagon; eight men to each hook and ladder truck In case of sickness, injury or absence from the city of members of the call force the chief engineer may appoint substitutes who shall receive such compensation as he may designate and such compensation shall be deducted from the pay of the member or members for whom they act.

CHIEF ENGINEER

Sec. 3. It shall be the duty of the chief engineer to exercise a thorough supervision of the department and to have general charge of the property of the city connected therewith. He shall attend all fires which may occur in the city and all orders given by him to the deputy chief engineer, company or firemen shall be promptly obeyed. He shall make a quarterly report to the Board of Aldermen of said city of all expenditures of the department. This report shall include a statement of the condition of all apparatus and hose belonging to the department, and also a record of dangerous fire risks found existing in said city.

A plat of the city locating thereon the reservoirs, cisterns, fountains, hydrants and available wells from which water can be obtained in cases of fire shall be furnished to each company by the City Engineer and shall be kept posted in a conspicuous place in each fire station.

A plat of the fire alarm telegraph system of the city, showing thereon the location of all wires, fire alarm and cutout boxes, testing stations, and poles and conduits shall be furnished to the electrician by the City Engineer.

The chief engineer shall cause the plats herein provided for to be revised and corrected every three months. He shall make an annual

report to the Representative Council. Such report shall embrace the number, extent, and causes of all fires which have occurred within the city during the year next preceding, a list of property belonging to the city used in connection with the department with a statement of the condition of such property and the estimated value thereof, the amount of property purchased for use in the department, the amount worn out, lost, or destroyed during the preceding year, together with a detailed statement of the quantity of fuel, oil and other materials used, and of all the costs and expenses of the department, and the number of men employed therein.

Such report shall, in addition to the above, set forth in detail all expenses in connection with the maintenance and repair of all apparatus; it shall state when such apparatus, if any, has been out of commission, the date of such event, and the length of time such condition continued. He shall give an itemized account of the cost of maintenance of each station, an itemized account of all repairs to each station, together with any recommendations concerning the same which may seem fit and proper. He shall make as part of this report his findings on all tests of apparatus and hose, giving the length of service, condition and probable length of life; he shall report the amount of monies received during the year through the sale of junk and other materials. He shall also embody in this report a review of his quarterly reports made to the Board of Aldermen of dangerous fire risks found existing within the city limits in accordance with the inspections hereinafter provided for, together with a statement of the means taken by the department to correct such conditions.

The chief engineer shall cause the residential sections of the city to be inspected by the fire department at least once in every two months and the business sections at least once in every week. Reports and records of such inspections shall be kept at fire headquarters. The record of dangerous fire risks found existing upon inspections provided for in this section shall form part of the chief engineer's quarterly report to the Board of Aldermen.

The chief engineer of the fire department shall, upon the first Thursday of January, May and September of every year submit to the Board of Aldermen a requisition for such supplies as may be required for the ensuing four months. Upon receipt of such list the Board of Aldermen shall advertise for bids upon the same in some newspaper published in said city.

FIRE DRILLS

Sec. 4. The chief engineer or deputy chief engineer shall, at least once in every three weeks, conduct fire drills and exercises at the quarters of every company at which drills every member of the company shall be present, and a record of attendance and a report of such

drills shall be kept by the chief engineer or deputy chief engineer which record shall be reported to the Board of Aldermen quarterly.

ELIGIBILITY OF CHIEF AND DEPUTY

Sec. 5. Only persons who have served as members of the permanent or call force of the Newport Fire Department shall be eligible to the office of chief engineer or deputy chief engineer.

DEPUTY CHIEF

Sec. 6. The deputy chief engineer shall have permanent headquarters at a station to be designated by the chief engineer. The deputy chief engineer in the absence of the chief engineer shall have entire charge of the fire department; he shall assist the chief engineer in all inspections of buildings; he shall assist at the fire drills, exercises and tests of apparatus and hose, and shall perform such other duties as may be assigned him by the chief engineer.

CAPTAINS

Sec. 7. Captains shall be in charge of the station and equipment in which they are stationed. Each captain, or man in charge of a station, shall keep a detailed account of the services performed by the apparatus and men in his company; together with a detailed account of the expenses involved in the repair and maintenance of the house, apparatus and equipment. The present permanent men rated as foremen shall be rated as captains, unless such foreman shall have been elected and qualified to some other office in the department. In cases of vacancy captains shall be selected from the roll of permanent men of the department.

Stations not in charge of an officer shall be in charge of the senior permanent man in point of service.

ELECTRICIANS

Sec. 8. Upon the passage of this ordinance the Representative Council shall elect from the present permanent foremen a chief electrician who shall be familiar with the fire alarm telegraph system. In case of vacancy in the office of chief electrician, this office shall be filled by the Board of Aldermen after a competitive examination similar to that provided for in Section 9 of the Ordinance for the election of a mechanician. The chief electrician shall have charge under the direction of the chief engineer of the fire alarm telegraph system and

shall act as clerk of the fire department. He shall keep an itemized account of all expenditures on the system and of the services rendered by the same. The assistant electrician shall assist the chief electrician and render services under his direction and under the direction of the chief engineer.

MECHANICIAN

Sec. 9. The mechanician shall have charge, under the direction of the chief engineer, of all fire apparatus and he shall operate the combination pumping engine stationed at headquarters. The mechanician shall be elected by the Board of Aldermen, after a competitive examination to be conducted by the Board of Aldermen acting with the Chief Engineer. All applicants must have had at least three years practical experience in general automobile construction and repair. The examination papers, questions and answers used in the examination for this office as well as those of all examinations for position in the fire department, shall be filed within thirty days after such examination in the office of the City Clerk.

ELECTION OF OFFICERS

Sec. 10. All officers below the rank of deputy chief engineer, other than chief electrician as provided in Sec. 8, of this ordinance shall be elected by the Board of Aldermen from the roll of first-class firemen after an examination to be conducted by the chief engineer.

ACTING OFFICERS

Sec. 11. In the absence of any officer, the officer next in rank shall temporarily perform the duties of the officer so absent. Among officers of the same rank the senior officer in point of service shall take precedence.

ELECTION OF FIREMEN

Sec. 12. All the members of the present permanent force shall be retained on the permanent roll of the fire department and shall be rated as first-class firemen. All members added to the permanent force shall be elected by the Board of Aldermen. In addition to the drills and exercises provided for in section 4 of this ordinance, all permanent men shall be instructed and drilled in all departments of the work of the fire department in order that they may become proficient and able to substitute in any and all of the regular positions of the department.

RATING

Sec. 13. All permanent men hereafter added to the fire department shall be rated as third class men ; such permanent men after three years service, having successfully passed the required tests and examinations, shall be rated as second class men ; and after five years service, having successfully passed the required tests and examinations, shall be rated as first-class men.

AGE LIMIT

Sec. 14. Any of the permanent men of the fire department may be retired from duty upon reaching the age of sixty-two years unless they have attained the position of an officer, in which event they shall be retired upon reaching the age of sixty-five years, within the discretion of the chief engineer subject to the approval of the Board of Aldermen.

APPLICATIONS

Sec. 15. All applicants for positions in the fire department shall be not less than twenty-one nor more than thirty-two years of age, and shall pass both a mental and physical examination under the direction of the chief engineer subject to the approval of the Board of Aldermen.

PROMOTION

Sec. 16. Any member of the fire department before being rated as first class fireman must successfully pass an examination and give satisfactory evidence of his ability to substitute in any and all of the regular positions of the department.

RECORDS OF FIREMEN

Sec. 17. The chief engineer shall cause to be kept a record of all members of the fire department, which record shall show the age, the length of service, the result of examinations, if any, conduct, attendance, acts for which said members are disciplined or entitled to merit and whenever any member is recommended for promotion or election a copy of his record shall accompany such recommendation.

SUSPENSION AND REMOVAL OF MEMBERS

Sec. 18. The Mayor, chief engineer or deputy chief engineer may suspend any member of the Fire Department for not more than seven days, without pay, for cause, and notice of such suspension shall be communicated to the Board of Aldermen.

The chief engineer, deputy chief engineer, or any member of the fire department may be dismissed by the Board of Aldermen for inefficiency, disobedience, or absence without leave. The Board of Aldermen shall cause notice of dismissal to be given to the member dismissed who may, within five days, claim an appeal to the Repretative Council which shall finally determine the matter.

CALL MEN: ELECTIONS

Sec. 19. After purchase and acceptance by the city of all apparatus prescribed in Section 26 of this ordinance, the Board of Aldermen shall elect the call men provided for in Section 2 of this ordinance. Preference in the selection of these men shall be given to present members of the call force, who shall be selected according to age, occupation and the location of their residences, and shall successfully pass a physical examination under the direction of the chief engineer, subject to the approval of the Board of Aldermen.

All call men added to the department after the election above provided for shall conform to the requirements of Section 15 of this ordinance. Thereafter the Board of Aldermen shall fill all vacancies. All call men shall be retired at the age of fifty-five years unless sooner removed by said Board of Aldermen for mental or physical disability.

TENURE OF OFFICE

Sec. 20. All members of the fire department except the chief engineer and the deputy chief engineer shall continue in office during good behavior and efficiency unless removed or suspended therefrom as provided in Section 18 of this ordinance.

FILLING VACANCIES

Sec. 21. The Board of Aldermen shall fill all vacancies in the permanent force, choosing the applicants having the highest standing on the eligible list and best qualified for the position.

SUBSTITUTES

Sec. 22. In case of sickness, injury or absence from the city of members of the permanent force, or in case of vacancy pending the action of the Board of Aldermen, the chief engineer or, in his absence, the deputy chief engineer, with the approval of the Mayor, shall engage substitutes who shall receive the pay of and be rated as third-class firemen.

SALARIES

Sec. 23. The salary of the chief engineer of the fire department shall be eighteen hundred dollars per annum, this amount to include compensation for his services as inspector of poles and wires; of the deputy chief engineer thirteen hundred dollars per annum; of each captain twelve hundred dollars per annum; of the chief electrician twelve hundred dollars per annum; of the assistant electrician eleven hundred dollars per annum; of the mechanician eleven hundred dollars per annum; of each first-class fireman eleven hundred dollars per annum; of each second-class fireman ten hundred and twenty-five dollars per annum; of each third-class fireman nine hundred and fifty dollars per annum; of each call man one hundred dollars per annum. It shall be the duty of every member of the fire department for the consideration aforesaid and without additional pay to perform every act and service required to properly prevent and extinguish fires in said city, and also to obey and carry out all the orders of the chief engineer or deputy chief engineer relative to drills, inspections, the trials or testing of engines or apparatus of the fire department, and also to do such other similar and appropriate labor as the Representative Council and the Board of Aldermen may from time to time direct.

LOCATION OF STATIONS

Sec. 24. The Fire Stations of the City of Newport shall consist of and be located as follows: Headquarters, West Marlborough street, on the site of the present headquarters; the present No. 4 Station at Equality Park; the present No. 5 Station on Touro street; the present No. 7 Station on Young street, and the present No. 3 Station on Coggeshall avenue. All of the above stations to be renumbered by the Board of Aldermen after recommendations by the Chief Engineer of the Fire Department.

EQUIPMENT OF STATIONS

Sec. 25. The equipment of the several stations shall be as follows: Headquarters on West Marlborough street, one combination pumping engine equipped with twelve hundred feet of fire hose, one combination chemical and hose wagon equipped with one thousand feet of fire hose and not less than 200 feet of chemical hose, one hook and ladder truck, one one-and-one-half ton automobile truck, and one chief engineer's car.

Station No. 7 on Young street, one combination pumping engine equipped with twelve hundred feet of fire hose, one combination chemical and hose wagon equipped with one thousand feet of fire hose and not less than 200 feet of chemical hose, and one hook and ladder truck.

Station No. 4 at Equality Park, one combination pumping engine equipped with twelve hundred feet of fire hose, the present steam engine No. 4 to be held in reserve.

Station No. 5 on Touro street, one combination chemical and hose wagon equipped with one thousand feet of fire hose and not less than 200 feet of chemical hose and the present steam engine No. 5 to be held in reserve.

Station No. 3 on Coggeshall avenue, one combination chemical and hose wagon equipped with one thousand feet of fire hose and not less than 200 feet of chemical hose.

The deputy chief engineer's car shall be stationed at a station to be designated by the chief engineer, subject to the approval of the Board of Aldermen.

The Board of Aldermen shall arrange for the transportation and operation of Steam Engines Nos. 4 and 5 as may be required.

APPARATUS TO BE PURCHASED

Sec. 26. The following pieces of motor-driven apparatus shall be purchased by the Board of Aldermen immediately after the passage of this ordinance: three combination pumping engines, each constructed to carry twelve hundred feet of heavy double-jacketed two and one-half inch fire hose; two combination single tank chemical and hose wagons, each constructed to carry one thousand feet of heavy double-jacketed two and one-half inch fire hose; two new chassis, to carry present equipment of ladders and accessories; one one and one-half ton truck for general use in the department, to be provided with tractor bar and equipped with chemical tank; one deputy chief engineer's car. All apparatus hereafter purchased for use in the fire department shall be motor-driven and shall be constructed to carry the same amount and kind of hose above specified.

HOSE

Sec. 27. Each station shall contain its proportional amount of hose and whenever possible racks and benches shall be supplied for its care and storage. All used hose shall be tested at least once a year at two hundred pounds pressure and defective and doubtful lengths shall be rejected. The hose on all apparatus shall be shifted at least once in every four weeks and water run through it. Hose gates shall be placed upon the hydrant ends of hose.

PURCHASE OF HOSE

Sec. 28. The Board of Aldermen shall before the purchase of hose definitely specify the quantity, grade, and size, of such hose as may

be required, but no advertisement, requisition, or order, shall be so worded as to prevent competitive bidding on same. All hose before being accepted for use in the department shall be submitted with couplings attached to a physical test of not less than four hundred pounds pressure. If such test proves that the hose shall leak, sweat, break the threads of the cotton cover, contract in length and diameter, rise from the level of the test table, or warp more than twenty inches from a straight line drawn from coupling to coupling, said hose shall not be accepted. The limit of elongation of the hose shall be nine per cent of the original length, and it shall not turn or twist more than fifteen degrees per foot. The twist and elongation must be in the direction to tighten rather than loosen the couplings. Upon acceptance each length of hose shall be numbered and stamped upon the hose coupling and the same recorded. A record of such stamping together with the brand and make of hose shall be recorded at Fire Headquarters. One man of the permanent force, stationed at headquarters, shall be in charge of all hose, making all tests and keeping the records of same. All repairs to hose shall be made by the department.

USE OF STATIONS

Sec. 29. No fire station or other building occupied by any portion of the fire department shall be used for any purpose other than the legitimate and necessary purposes of the department and for ward rooms. No spirituous or intoxicating liquors shall be carried into any engine house or building, nor shall any gambling be carried on in any fire house. Any member of the fire department who shall violate any of the provisions of this section shall be disciplined and may be dismissed from the department. A copy of such action or reprimand or dismissal shall be posted in every station. All fire stations shall be kept open for inspection by citizens during such hours as shall be prescribed by the chief engineer and it shall be the duty of the members of the fire department to conduct themselves courteously to visitors.

DISPOSAL OF JUNK

Sec. 30. Whenever in the opinion of the chief engineer of the fire department any apparatus or material is no longer in condition for use he shall make a report thereof to the Board of Aldermen who, after survey, may sell the same at public auction to the highest bidder. All monies so derived shall be paid to the City Treasurer.

TESTING OF MOTORS

Sec. 31. The motors on all apparatus while in the stations shall be run at least twice in every twenty four hours for a period of five

minutes; any irregularities or defects found shall be immediately reported to the captain or man in charge of the station to the mechanician and to the Chief Engineer and the Mechanician shall make the necessary repairs as soon as possible.

USE OF PROPERTY

Sec. 32. All apparatus and cars of the fire department shall be painted a uniform red color and be marked "N. F. D." and shall be numbered. Any member of the fire department who shall wantonly injure any property of the fire department or who shall wantonly convey any of said property to his own use shall be dismissed and shall be thereafter ineligible for service in the department. Members of the fire department are forbidden to allow any person not on official business to ride on any of the apparatus or cars of the department under penalty of suspension by the chief engineer or Board of Aldermen. No apparatus of the fire department shall be taken from the house in which it is stationed except upon an alarm of fire, or by order of the chief engineer or deputy chief engineer or as provided in the following paragraph.

No apparatus or cars connected with the fire department shall be taken out of the city unless authorized by the Mayor, subject, however, to such regulations as the Board of Aldermen may prescribe. The chief engineer or, in his absence, the deputy chief engineer, shall provide for a crew of men to accompany and operate any apparatus ordered from the city in accordance with the provisions of this section.

RULES AND REGULATIONS

Sec. 33. The Board of Aldermen with the assistance of the chief engineer shall make and publish rules and regulations for the government of the fire department.

LEAVING THE CITY

Sec. 34. No member of the fire department, while on duty shall leave the city without the consent of the chief engineer or, in his absence, the deputy chief engineer. If the chief engineer intends to leave the city notice must first be given to the Mayor.

CONDUCT AT FIRES

Sec. 35. The chief engineer, deputy chief engineer and all the members of the permanent force of the fire department shall, while on duty, wear the uniform of their respective offices. The chief engineer acting in conjunction with the Board of Aldermen shall pre-

scribe the uniforms of the chief engineer, deputy chief engineer, and the members of the permanent force. All firemen while on duty at fires shall wear a helmet as prescribed by the Chief Engineer subject to the approval of the Board of Aldermen. The captains, electricians and mechanician shall wear insignia suggestive of their offices.

FIRE LIMITS

Sec. 36. The chief engineer or deputy chief engineer shall have power to prescribe certain limits in the vicinity of fires within which only members of the fire department, the mayor, members of the Board of Aldermen, police, representatives of the press, owners of property and residents within the prescribed limits, members of the Newport Board of Underwriters, Building Inspector and representatives of the Gas, Water, Electric and Telephone companies shall be admitted, except by order of the chief engineer or deputy chief engineer. At any fire the chief engineer or deputy chief engineer may command the aid of any person or persons in suppressing a fire or to assist in the removal and preservation of property exposed to fire, and the person or persons so commanded shall render the aid required if it is possible for him to do so, and in default thereof shall pay a fine of twenty dollars for his neglect or refusal to do so.

POLICE PROTECTION

Sec. 37. The Chief of Police shall upon an alarm of fire, detail a sufficient number of police to attend such fire, to preserve order and assist in protecting property, and in keeping the grounds around the fire free from obstructions for the use of the fire department; the chief engineer or deputy chief engineer shall have the power to cause the arrest of any person or persons making any disturbance at a fire or alarm of fire.

ABSENCE FROM FIRES

Sec. 38. Any call man who shall absent himself without adequate cause from two consecutive fires to which his company responded shall be liable to immediate discharge. A change of residence from reasonable proximity to the station to which he is attached shall constitute cause for dismissal from the department of any member of the call force.

CROSSING ALARMS

Sec. 39. Crossing alarms, consisting of electric gongs, shall be stationed at the following places: Thames street at Long Wharf; Thames street at Market square; Thames street at the Post Office; Thames street at Young street; Thames street at Marlborough street;

Touro street at Spring street; Broadway at Cornell's Corner; Bridge street at the Railroad Crossing; Bellevue avenue at Bath road; Thames street at Wellington avenue. The Board of Aldermen are hereby authorized and directed to arrange with the officials of the New York, New Haven and Hartford Railroad company to have their gatekeepers and flagmen hold up all trains upon the ringing of the railroad crossing alarm. Fire alarm boxes and crossing alarms shall be tested once in every four weeks by the department.

BULLETIN BOARDS

Sec. 40.—A bulletin board shall be placed in each station upon which shall be recorded the box number, time of sounding the alarm and also the time of sounding the recall of the last preceding fire. The street commissioner shall promptly furnish to the chief engineer the names of all streets under repair and impassible for fire apparatus; this list, or a copy thereof, shall be kept posted on the bulletin board in each station. There shall also be listed the number and location of fire alarm boxes out of commission, apparatus out of commission or out of the city, together with a list of apparatus substituting or covering boxes of disabled apparatus. There shall also be listed the location of repairs to water supply mains which may tend to render the same unavailable for fire department uses, this information to be supplied by the Newport Water Works company, together with such other information as the chief engineer may designate.

PENALTY FOR FALSE ALARM

Sec. 41.—Any person turning in a false alarm of fire or who tampers with a fire alarm box or telegraph system shall be fined not less than ten nor more than twenty dollars or be imprisoned not more than ten days or both.

POWDER HOUSE

Sec. 42.—The chief engineer shall at all times keep in the powder house of the city properly secured in substantial copperbound kegs at least one hundred and not more than eight hundred pounds of powder with such apparatus as may be necessary for blowing up buildings when the same shall be required in cases of fire. The chief engineer shall be the keeper of the powder house.

CONTROL OF FIRE DEPARTMENT PROPERTY

Sec. 43. The entire property of the fire department shall at all times be subject to the control of the Board of Aldermen who shall see that it is kept in a reliable and serviceable condition, and the Board of Aldermen shall have power to make such changes as may be necessary

from time to time subject to the orders of the Representative Council.

Sec. 44.—This ordinance shall take effect upon its passage and all ordinances or parts of ordinances inconsistent herewith are hereby repealed.

Report of the Committee of the Board of Aldermen on Petition of Newport and Fall River Street Railway Company to lay a conduit in Pelham Street, Thames Street and Ferry Wharf. Read and received.

Petition of the Newport and Fall River Street Railway Company to lay underground conduit in Pelham Street, Thames Street and Ferry Wharf. Read and received.

**An Ordinance** authorizing the Newport and Fall River Street Railway Company to lay underground conduits in Pelham Street and Ferry Wharf.

Amended by striking out the words "in the roadway" in the 9th line and by inserting after the word "thereof" in the 9th line the words "under the sidewalk" and by striking out the words "just east of the westerly curb stone" in the 9th and 10th lines and passed as amended.

Section 1. The Newport and Fall River Street Railway Company, its successors and assigns are hereby authorized and empowered under the franchise heretofore granted to them to construct and maintain underground conduits, ducts, pipes and subways with the necessary manholes, laterals and outlets, and to install wires and cables therein and to erect and maintain distributing poles, wires and fixtures necessary to complete said distribution in, under and along the following streets, lanes and other public places in the City of Newport:—

On Thames Street, on the West side thereof, under the sidewalk, from Pelham Street to a point opposite Frank Street; on Pelham Street from the West side of Thames Street through Pelham Street in an Easterly direction and on the north side thereof to a point about one hundred and forty-five feet (145) easterly from the east side of Thames Street; on Market Square and Ferry Wharf from the West side of Thames Street westerly to a point near the end of Ferry Wharf on the South side thereof. On Ferry Wharf from the manhole near the end of the same to the pole on the United States Government property: Provided, however, that the particular location of said conduits, ducts, pipes and subways in, under and along the said streets shall be subject to the approval of the Chief of the Fire Department and the Street Commissioner as to the extent and quality of construction, under the direction of the Board of Aldermen and provided further that the said Newport and Fall River Street Railway Company

shall accept the provisions of this Ordinance within ten days after the passage thereof and immediately thereafter commence the work herein provided for and complete the same on or before the 15th day of May, 1915. And provided further that the said Newport and Fall River Street Railway Company shall give to the City of Newport a bond to the amount of $5,000 as a guarantee that the work shall be completed on or before the 15th day of May, A. D. 1915.

Sec. 2. This ordinance shall take effect immediately.

Thomas W. Wood was nominated and unanimously elected Chief Electrician of the Fire Department.

On motion it was voted that the thanks of the Council be extended to the Commission on Fire Department Re-organization and the Board of Aldermen for the painstaking and thorough manner in which the Fire Department Re-organization ordinance has been completed.

Report of the committee on Removing Trees and Repairs to Dearborn Street. Read and received.

Clerk and both principal and interest shall be payable at the office of the City Treasurer in gold coin of the United States of the present standard of weight and fineness and the sum of Seven Thousand dollars, ($7,000) shall be annually appropriated from the City's finances to pay for the bonds maturing each year during the term of said bonds.

The proceeds of the sale of said bonds to be placed in the City Treasury to be used as above recited.

**Resolution** authorizing the issuance of $25,000 Serial bonds for Washington Street Extension. Read and passed.

Whereas authority having been asked from the General Assembly of this State enabling the City of Newport to issue serial bonds for the purpose of extending Washington Street, condemning land, building sea-wall, etc., be it

Resolved, That upon the passage of said Act by the General Assembly of this State that serial bonds of the City of Newport to the amount of Twenty-five thousand dollars ($25,000) or so much thereof as may be necessary, be issued and sold under the direction of the Board of Aldermen to provide the money for the purpose above stated. The bonds will be issued in the municipal year 1915 when in the opinion of said Board the money will be needed; shall be of the denomination of one thousand dollars ($1,000) each: bear semi-annual interest coupons at the rate of four per cent (4%) per annum; shall be numbered from one to twenty-five (1 to 25) inclusive and shall be payable in from one to five (1 to 5) years according to their numbers; that is to say, bonds numbered one, two, three, four and five (1, 2, 3, 4 and 5) shall be payable in one year, bonds numbered six, seven, eight, nine, and ten (6,7,8,9 and 10) shall be payable in two years and so on.

Bonds shall be signed by the City Treasurer, sealed with the corporate seal of the City of Newport and countersigned by the City Clerk and both principal and interest shall be payable at the office of the City Treasurer in gold coin of the United States of the present standard of weight and fineness and the sum of Five thousand dollars ($5,000) shall be annually appropriated from the City's finances to pay for the bonds maturing each year during the term of said bonds.

The proceeds of the sale of said bonds to be placed in the City Treasury to be used as above recited.

**Resolution** appropriating $4,500 for the purchase of a 15 ton steam roller. Laid on the table.

Petition of Carl J. Voigt and others for the installation of a float in the slip at Coddington Wharf. Read and received.

**Resolution** appropriating $350 for float in slip at Coddington Wharf. Read and passed.

Resolved, That the sum of $350 or so much thereof as may be necessary, be and the same is hereby appropriated for the purpose of constructing and installing a suitable float and landing in the slip at the foot of Coddington Wharf.

**Resolution** directing the City Solicitor to present to the General Assembly and urge its passage an Act in relation to the demolition of old buildings. Read and passed.

Resolved, That the City Solicitor be and he is hereby authorized and directed to present to the General Assembly of this State, and urge its passage, the accompanying Act vesting in the Building Inspector of the City of Newport the right to demolish old buildings.

**An Act** Vesting in the Inspector of Buildings of the City of Newport the Right to Demolish Old Buildings.

It is enacted by the General Assembly as follows:—

Section 1. The Inspector of Buildings, immediately upon being informed by report or otherwise that a structure or anything attached thereto or connected with any building in said City is unsafe or dangerous to life and limb, shall inspect the same; and if it appears to him that it is dangerous, he shall forthwith notify in writing the owner, agent, or any person having an interest therein, to remove the same and make it safe and secure, and if it appears that said structure from any cause would be specially unsafe or dangerous in case of fire, it shall be deemed to be dangerous within the meaning hereof; and he may affix a notice of its dangerous character in a conspicuous place on the exterior walls thereof; and any person removing or defacing such notice without authority from him shall be punished by a fine of not less than ten nor more than fifty dollars.

Section 2. Whoever is so notified shall be allowed twenty-four hours in which to commence the securing or removal of such structure, and shall employ sufficient labor to secure or remove the same as expeditiously as it can be done; but in cases where the public safety requires immediate action, the Inspector may, if the Mayor and Aldermen of the City of Newport so order, enter upon the premises with such workmen and assistants as may be necessary, and cause such unsafe structure to be shored up, taken down or otherwise secured, without delay, and a proper fence or boarding put up for the protection of passers by.

Section 3. If such owner, agent, or person interested in such unsafe structure, refuses or neglects to comply with the requirements of such notice within the time specified, and such structure is not

secured or taken down as therein ordered, a careful survey of the premises shall be made by a Board consisting of the City Engineer, the Chief Engineer of the Fire Department, and one disinterested person, to be appointed by the Inspector of Buildings; and a report of such survey shall be reduced to writing and a copy thereof served on such owner, agent or other interested person.

Section 4. If such report declares such structure to be unsafe and dangerous, and if the owner, agent, or person interested, continues such refusal or neglect, the Inspector shall cause the structure to be taken down or otherwise made safe; and the cost and charges incurred shall constitute a lien upon the estate where the same is situated, to be enforced within the time and in the manner provided for the collection of taxes on real estate; and such owner, agent, or interested person, shall forfeit and pay to said City, for every day's continuance or such refusal or neglect, after being so notified, not less than ten nor more than fifty dollars, to be recovered in an action at law.

Section 5. After the destruction, demolition, reparation, or taking down of any building, the Inspector of Buildings may order the removal of all debris, stones, bricks, refuse, old lumber, or any material whatsoever that may be upon any premises, by giving notice to the owner or owners, agent, lessee, or trustee, to remove such debris within seventy-two hours from the time of notice; if such owner or owners, agent, lessee, or trustee, fails to comply with such notice, said Inspector may cause the same to be removed, and the costs and charges so incurred shall constitute a lien upon the real estate, to be enforced within the time and in the manner provided for the collection of taxes on real estate.

Section 6. All acts or parts of acts inconsistent herewith are hereby repealed. This act shall take effect upon its passage.

Communication from the Public School Committee. Read and received.

**Resolution** directing the Board of Aldermen to report cost of construction of John Clarke School under the original plans.

Amended by substituting the words "April 1" for the words "March 22" and by adding after the figures "1915" the words "an estimate of" and passed as amended.

Resolved, That the Board of Aldermen be authorized and directed to ascertain and report to this Council on or before April 1, 1915, an estimate of the cost of construction of the new John Clarke School in accordance with the general plans and specifications originally agreed upon between the Board of Aldermen and the School Committee, and until further action by this Council all action by said Board on other plans as ordered by said Board on January 28th, 1915, be suspended.

**Resolution** directing the Board of Aldermen to ask for bids from outside contractors for building John Clarke School. Laid on the table.

The following Petitions were received and referred to the Committee of Twenty-five for 1916:—

Peter F. Clark and others for a granolithic sidewalk on and to curb, grade and macadamize White Street.

Emily C. Ridlon for improvements to a portion of the Cliff Walk.

Frank L. Peckham and others for a granolithic sidewalk on north side of Everett Street.

Charles W. Smith and others for a granolithic sidewalk on west side of Roseneath Avenue.

Conrad Russell and others to grade and macadamize Conrad Court.

George G. Popple and others for a granolithic sidewalk on Friendship Street.

J. D. Johnston and others to curb, grade and macadamize Clinton Street.

Park Commission for granolithic sidewalk on Golden Hill, King, Spring and Bowery Streets.

O. H. P. Gladding and others for granolithic sidewalk on west side of Third Street.

Michael F. Shea and others for repairs to Thurston Avenue.

Frank Watts and others for sidewalk on north side of West Howard Street.

**Resolution** creating a committee on Public Utilities. Read and passed.

Resolved, That a committee of five members consisting of William J. Carr, Samuel T. H. Ailman, Abiram F. Squire, members of the former committee, and two other members, one from the fourth ward and one from the fifth ward, be appointed by the Chairman to prosecute the complaints made to the Public Utilities Commission of the State of Rhode Island by the City of Newport against certain public service corporations doing business in the City of Newport, and be it further

Resolved, That said Committee is hereby authorized and empowered to perform such acts and present such evidence as in their judgment may be necessary for the proper presentation of such complaints.

Petition of James F. Vars and others for the enforcement of the ordinance licensing Hackney Carriages and other Vehicles. Read and referred to the Board of Aldermen.

**Resolution** appropriating $300 for the use of the Committee of Ten on Streets and Highways. Read and passed.

Resolved, That the sum of $300.00 or so much thereof as may be necessary, be and the same is hereby appropriated to meet the expenses of the Committee of Ten on Streets and Highways.

Francis M. Sisson was nominated and unanimously elected Clerk of the Department of Highways and Bridges.

Wallace C. Martland was nominated and unanimously elected Engineer of the City Hall.

Thomas E. Kaull, Frank T. Carr, Jr., and Stephen S. Carr were nominated and duly elected Weighers of Coal and other Merchandise.

George A. Wilcox was nominated and duly elected a Constable under the State Law.

Joseph B. Parsonage was nominated and duly elected an Auctioneer.

Petition of James P. Cozzens and others for permission to plant trees on the sidewalk on Marin Street. Received and the prayer of the petitioners granted.

Petition from the Retail Grocers and Marketmen for relief from the paying for sealing scales. Read and received.

An Ordinance in amendment of Chapter 47 of the Revised Ordinances. Laid on the table.

**Resolution** directing the City Engineer to prepare plans and estimate of cost of a sewerage system in the southern portion of the City. Read and passed.

Resolved, That the City Engineer be and he hereby is directed to prepare plans and estimates of costs, etc., for a sewer system to relieve that part of the south end of the City from Wellington Avenue north to Harrison Avenue south, Carroll Avenue and Thames Street east to Roseneath Avenue west, by pumping and by tunnel and to report back to this Council at its meeting in October or November.

On Motion it was voted that Rule 28 be suspended for the purpose of allowing the introduction of new business.

**Resolution** requesting the Park Commission to employ only local labor on the Parks of the City. Read and passed.

Resolved, That the Park Commission be and they are hereby requested to employ only local labor on the Parks in the City of Newport in all branches of labor or supervision.

Adjourned.

F. N. FULLERTON,
City Clerk.

---

At a Meeting of the Representative Council, held March 31, 1915, at 8 o'clock, P. M.

J., Voigt, E., Voigt, O. P., Wetherell, J. H., Wetherell, M. W., White, Wilbor, Williams and Winsor.

Present, 163, Absent, 31, Vacancy 1.

On Motion it was voted that a recess of five minutes be taken to allow the Third Ward Delegation to fill the vacancy caused by the death of William Champion.

The Third Ward Delegation reported the election of Frank G. Kimball to fill the vacancy caused by the death of William Champion and the election was duly confirmed.

Mr. Frank G. Kimball was duly obligated as a member of the Representative Council from the Third ward for the term ending on the first Monday in January, A. D. 1916.

Minutes of the previous meeting were read and approved.

Communication from His Honor, the Mayor, in regard to his investigation of the charges of Joseph K. Allen against James R. Crowley, Chief of Police. Read and received.

**An Ordinance** in amendment of Chapter 15 of An Ordinance Comprising the Revised Ordinances of the City of Newport, entitled "Police."

A motion to lay on the table was lost on an aye and nay vote.
Aye 81, Nay 83 and on motion the ordinance was passed.

**An Ordinance** in Amendment of Chapter 15 of the Revised Ordinances of the City of Newport entitled "Police."

**It is ordained by the Representative Council of the City of Newport as follows:—**

Section 1. Section 18 of Chapter 15 of the Revised Ordinances of the City of Newport entitled "Police" is hereby amended so as to read as follows.—

"No person shall be eligible to the office of chief of police, captain of police, sergeant of police, or policeman, unless he is in sound and vigorous health, energetic and courageous, of temperate and industrious habits, peaceable and courteous in his manner, neat and cleanly as to his person and his dress, respectful and obedient to his superiors, zealous apparently for the discharge of his duties, and able to read and write the English language; and before the appointment of any new member of the permanent police force he shall furnish the mayor with a certificate of the city physician or of some other physician approved by the Mayor, that he is physically qualified to perform the duties of the office. And no new member shall be appointed to the permanent police force, except the Chief of Police, from and after the first appointments under this ordinance, who is over thirty-five years of age."

Sec. 2. This Ordinance shall take effect upon its passage.

Communication from George Gordon King. Read and received.

Communication from the Board of Aldermen. Read and received.

**An Ordinance** providing for the Licensing and Regulation of Motor Buses. Amended, as per record, and passed as amended.

**It is ordained by the Representative Council of the City of Newport, as follows:—**

Section 1. On and after the first Monday in July, 1915, no person shall engage in the business of transporting in the City of Newport passengers for hire by means of any motor vehicle, not running on rails or tracks, and operated for the purpose of affording a means of street transportation similar to that ordinarily afforded by street railways by accepting and discharging passengers along the route traversed by such vehicles, without first obtaining from the Board of Aldermen of said City a special annual license for each vehicle to be employed by such person in said business, and unless such license for such vehicle is in force, such vehicle so employed in said business is termed a motor bus, and is not deemed a hackney carriage, but is a vehicle subject to all street traffic regulations so far as applicable and consistent herewith.

Sec. 2. The Board of Aldermen of said City is hereby authorized to grant to any person, including individuals, firms or corporations, resident within the City of Newport for six months preceding date of application, applying therefor, deemed by it suitable to conduct such business such special licenses for such motor vehicles, but said Board shall not grant such license for any such vehicle until it has inspected or caused to be inspected the same, or until it has found or been reported to it by its representative or agent that the same is in safe and proper condition for use in said business. Such licenses shall expire on the 1st day of July next succeeding the date thereof. The name, place of residence and post office address of the licensee, a brief description of the vehicle licensed, the serial number of the license, and the term of the license shall be stated in the license. The application for such license shall be on a blank furnished by said Board, and the form of the application and the kinds of information to be furnished therein by the applicant shall be such as from time to time may be prescribed by said Board, and said Board may require such application to be sworn to before an officer authorized to administer oaths. Said Board shall keep on the license stub of the license book a record of such license issued.

Sec. 3. The license fee for such license, which shall be paid to said Board for said City before the issuance thereof, is hereby fixed for each motor bus at the rate of two dollars per seat of the passenger seating capacity thereof, according to the manufacturer's rating thereof, which shall be stated in the application for each license and also in the license issued and the record thereof; provided that the maximum fee for any such bus shall not exceed fifty dollars. Said Board shall issue to the licensee a circular metal seal bearing the words Licensed Motor Bus, No. ——— Newport, 19—, setting forth the serial number of the license and the years in which the license runs. Said seal shall be attached to and kept on the dash of the bus at all times during the license term that the bus is in use in any street or public place in said City.

Sec. 4. No person shall drive, operate or be in charge of any motor bus in any street or public place in said City without first obtaining a special annual chauffeur's license therefrom from said Board of Aldermen, and unless such license is in force. No such license shall be granted to any person who is under the age of Nineteen years, or not a resident of the City of Newport for six months preceding the date of his application, and said Board shall not grant such license to any applicant who has not previously been granted such a license unless he has demonstrated to said Board or some person designated by it his ability to drive the bus proposed to be operated by him or some similar motor vehicle by him actually driving the

same in a proper manner. Such license shall expire on the first Monday in July next succeeding date thereof. The application for such license shall be on a blank furnished by said board, and the form of application and the kinds of information therein furnished by the applicant shall be such as from time to time may be prescribed by said board, and said board may require such application to be sworn to before an officer authorized to administer oaths. Said board shall keep on the stub of the license book a record of each such license issued. The fee for such license shall be two dollars.

(b) Said board at the time of issuing such license shall deliver to the licensee a circular metal badge bearing the words "Licensed Chauffeur No. ——— Newport," setting forth the serial number of the license, which badge shall be worn upon the right breast of the outer garment of the licensee at all times when he is driving or in charge of any motor bus in any street or public place; and said board shall also then deliver to the licensee an identification card stating thereon the number of the license, and the name, photograph, age, height, weight, color of hair, color of eyes and the race of licensee, and the term of the license.

(c) No such licensee shall permit any other person to wear such badge, nor shall any person wear the badge of any other licensee, while driving or in charge of any motor bus in any street or public place. Said identification card shall be carried by the licensee at all times while operating or in charge of any motor bus in any street or public place shall carry the license of such bus, and at any time when required by any police officer shall show him such license and said identification card.

Sec. 5. A driver or person in charge of any motor bus shall not permit the same to stand or wait for passengers in any street, square or public place or part thereof, unless said Board of Aldermen shall have first prescribed the location and permitted the use thereof therefor, or to observe street traffic regulations or when required to do so by reason of street traffic congestion; provided that between the hours of 8:30 P. M. and 6:30 A. M., of the next succeeding day said Board of Aldermen is hereby authorized to permit motor buses to stop in such streets, squares or public places, or parts thereof within said radius, as said board from time to time may determine; but not exceeding ten minutes at one time.

Sec. 6. No motor bus shall be used or operated without a sign thereon stating the main street or streets of the route, the termini of the route, the fare to be charged, and the license number of the bus, which sign shall be attached to or adjacent to the front side of the lower portion of the wind shield or other dash of the bus. The letters and figures contained on such sign shall be painted in

white upon a black background, and shall be not less than two and one-half inches in height and have a stroke of not less than one-quarter inch in width, or the same may be displayed by electric sign or otherwise to the satisfaction of the board. No other advertising sign of any kind shall be placed or carried on any motor bus.

(b) Every motor bus shall be equipped with means satisfactory to said board to illuminate, and every driver thereof shall cause to be illuminated, the portion of the bus back of the front seat during the period between one-half hour after sunset and one-half hour before sunrise of the next succeeding day while any passenger is being carried therein and the top of the bus is up.

(c) No person shall drive or cause to be operated any motor bus unless the same is equipped with proper non-skidding chains when operated in any street or public place when there is snow or ice.

(d) Every person having a license for any motor bus shall keep the same in safe and proper condition for use in said business, and to that end shall cause the same to be carefully examined by a competent person familiar with the construction and operating mechanism of such motor bus at least once each month. Every licensed motor bus shall be held subject to the right of said board to have the same examined at any reasonable time or times by any representative or agent of said board without charge to the licensee.

Sec. 7. No greater number of passengers shall be carried at any one time in any motor bus, and no person driving or in charge of any motor bus, shall take on or suffer or permit any more persons to ride or be carried thereon at any one time than the bus has seating capacity for according to the manufacturer's rating thereof, plus the driver; provided that in addition thereto children under seven years of age may be carried therein in arms or seated on the laps of parents or adult persons accompanying them, but no passenger with a child in arms or seated on the lap shall be permitted on any front seat beside the driver.

(b) No person driving or in charge of any motor bus shall stop the same to receive or discharge any passenger except at the street curb, or permit any passenger to enter or leave the same except from the side thereof nearest the street curb, but this latter provision shall not apply to a passenger on a front seat where the driver's seat is on the side of the curb.

(c) No driver or person in charge of any motor bus shall stop the same within fifty feet of any corner of any interesting street or public place where street cars are operated around such corner.

(d) No person driving or in charge of any motor bus shall smoke tobacco or other mixture while any passenger is being carried therein, or drink any intoxicating liquors or beverages of any kind while engaged in the service of operating or having charge of such bus in any street or public place.

(e) No person driving or in charge of any motor bus shall charge or require to be paid a greater fare than set forth on the sign required hereby, or charge or require to be paid for any piece of hand baggage of a passenger more than the amount of the fare charged for the transportation of the passenger, but no charge shall be made for hand baggage which can be held by the passenger without inconvenience to other passengers.

(f) No person driving or in charge of any motor bus shall refuse to carry any person offering to be carried as a passenger therein, unless the seats of the same are fully occupied, except any person intoxicated or acting in a boisterous manner or at the time using profane or obscene language.

(g) Every person driving or in charge of any motor bus shall deliver every article left therein by any passenger to the Police Station of said City not later than twenty-four hours after the same has been found, and said Police authorities shall provide for returning the same to the owner upon proper identification and proof of ownership within 90 days.

Sec. 8. No such license for any motor bus shall be issued until there is filed with said Board of Aldermen a bond running to the City of Newport in an amount to be computed at the rate of two hundred and fifty dollars per seat of the passenger seating capacity thereof, according to the number as provided for in Section 7, with a surety company as surety, or with such other sureties as are approved by said board, conditioned in substance to pay all damages sustained by any person injured in his person or property or damaged in consequence of the death of any person caused by the careless, negligent or unlawful act on the part of the principal named in such bond, his agent, employees or drivers, in the conduct of his said business or in the use and operation of such motor bus employed by him therein.

(b) In case any surety on any such bond is an individual, his execution thereof shall be acknowledged before a notary public or other officer duly authorized to take acknowledgements.

(c) In case said board shall at any time find or have due reason to believe that any surety on any such bond is bankrupt, insolvent or not possessed of sufficient property to be able to respond to the obligation of such surety under such bond, whether any such damage has occurred or accrued or not, said board after giving the principal

thereof an opportunity to be heard, may require such principal to furnish another or further surety on such bond, or a new bond for the remainder of the term of the license of the motor bus to which such bond relates, and if within five days after notice of such requirements such principal shall not furnish such new bond or such other or further surety, approved by said board, the motor bus license to which such bond relates without any further action by said board shall stand suspended until such new bond or such other or further surety, approved by said board, is furnished.

(d) In case any surety on any such bond at any time desires to terminate his liability under such bond as to any said damages that may occur or accrue in the future, said surety may terminate the same by giving at least five days previous written notice thereof to the principal named in such bond and to said board, and upon receipt of such notice such principal shall furnish another surety on such bond or a new bond for the remainder of the term of the license of the motor bus to which such bond relates, and if before such termination of such liability of such surety such principal shall not furnish such new bond or such other surety, approved by said Board, the motor bus license to which said bond relates, without any action of said board, shall stand suspended until such new bond or such other surety approved by said board, is furnished, but nothing herein shall be construed to prejudice any rights of any persons under such bond respecting any matter or thing occuring before such termination of such future liability.

Sec. 9. Any person violating any of the within rules, restrictions, requirements or regulations shall be liable to a fine of not exceeding fifty dollars for each such offence, and every violation thereof on any day shall constitute a separate offence. Said Board of Aldermen may suspend or revoke any license granted hereunder for any violation of the provisions of this ordinance or of any other law or ordinance or for other sufficient cause; provided that the party holding such license shall be given an opportunity to be heard before suspension or revocation of the same.

Sec. 10. This ordinance shall take effect the first Monday in July, A. D. 1915.

Communication from the Street Commissioner. Read and received.

**Resolution** transferring $1,000 from the appropriation for Training Station Road Sewer and adding to the appropriation for Harrison Avenue Sewer. Read and passed.

and that said sums so transferred be and the same are hereby re-appropriated and added to the Appropriation for Highways and Bridges, ''Street Repairs.''

Communication from the Street Commissioner in regard to Dumps. Read and received.

Petition of Newport & Fall River Street Railway Company for the passage of an Ordinance amending the Ordinance authorizing the Newport & Fall River Street Railway Company to lay a conduit in Pope, Spring and Pelham Streets. Read and received.

**An Ordinance** in Amendment of "An Ordinance Authorizing the Newport & Fall River Street Railway Company to Install Underground Conduits on Pope, Spring and Pelham Streets," Passed April 6, 1914. Read and passed.

**It is Ordained by the Representative Council of the City of Newport as follows:—**

Section 1. An "Ordinance authorizing the Newport & Fall River Street Railway Company to install underground conduits in Pope, Spring and Pelham Streets" is hereby amended, as follows: After the words, "in the City of Newport" in the first section thereof, said ordinance shall read, "from the Power Station of said Company in and along West Howard Street and Howard Street to Spring Street and thence from Howard Street in and along Spring Street to Pelham Street and on Pelham Street from Spring Street to the existing overhead line of said Company, substantially as shown on plans now on file in the City Clerk's office, as modified by a 'Revised Plan of Proposed Conduit on Howard Street, etc.' now on file in the City Clerk's Office," instead of as the Ordinance now reads after the words "in the City of Newport," and before the words, "Provided, however, etc." Said amended location is subject to all the conditions and provisions contained in said Ordinance.

Sec. 2. This Ordinance shall take effect immediately.

Report of the City Engineer in regard to the draining of the Marchant Street District. Received and referred to the Committee of Ten on Streets and Highways.

Communication from Hon. George Peabody Wetmore to his Honor, the Mayor, in regard to Widening Bath Road. Read.

Report of the Board of Aldermen on Bath Road Widening. Read and received.

On Motion it was voted that the Board of Aldermen institute condemnation proceedings to acquire the Crowninshield land on Bath Road for the purpose of widening Bath Road.

On Motion it was voted that a committee of five be appointed to consider the above motion and report back and the Chairman appointed Councilmen George W. Bacheller, Jr., Gardner S. Perry, John C. Burke, John P. Casey, and A. R. O'Hanley.

Verbal Report of the special committee on Bath Road Widening, recommending an appropriation of $2,500 for the purchase or condemnation of the Crowninshield Land for the Widening of Bath Road. Received.

**Resolution** appropriating $2,500 for the purchase or condemnation of the Crowninshield land on Bath Road. Read and passed.

Resolved, That the Board of Aldermen be and they are hereby authorized to acquire by purchase or condemnation a strip of the so-called Crowninshield Land on Bath Road, now owned by Patrick J. Sheehan, said strip being 200.7 feet on Bath Road and 70 feet on Red Cross Avenue, more or less, said land to be used as a public highway, and be it further

Resolved, That the sum of twenty-five hundred dollars ($2,500) or so much thereof as may be necessary, be and the same is hereby appropriated to pay for land so acquired by purchase or condemnation and necessary expenses, and be it further

Resolved, That the Board of Aldermen be and they are hereby directed to inquire into the possibility of obtaining either by gift or purchase a strip of land on the north side of Bath Road seventy feet deep, extending from the easterly side of Rhode Island Avenue to land of the City of Newport, to be used as a public highway.

On Motion it was voted that the thanks of the Council be extended to Senator George Peabody Wetmore for his generous and public-spirited offer of land on Bath Road for the purpose of widening said Bath Road.

Communication from Councilman George Gordon King, reporting the destruction of $50,000 3½% Granolithic Sidewalk Bonds. Read, received and ordered recorded.

Newport, Rhode Island, November 8th, 1915.

Thomas B. Congdon, Esq.,
Chairman of the Representative Council,
Newport, Rhode Island.

Dear Sir:—

I deeply regret that an engagement of some standing for next Thursday evening, November 11th, will prevent my being present at the Meeting of the Representative Council.

Will you kindly announce to the Council that the Fifty Bonds of $1,000 each of the City of Newport, 3½% Granolithic sidewalk, numbered from one to fifty inclusive, and dated

July 25th, 1900, and paid July 25th, 1915, were on November 2nd, 1915, burned by the City Treasurer and by me, as Chairman of the Sinking Fund Commission.

Very truly yours,

GEORGE GORDON KING.

Approved,

John M. Taylor,
City Treasurer.

Petition of John Mason and others for an electric arc light on Gibbs Avenue between Kay Street and Friendship Place.

Received and referred to the first meeting of the Representative Council in 1916.

Adjourned.

F. N. FULLERTON,
City Clerk.

# Report of the City Auditors

**(To November 1, 1915)**

**In Representative Council Jan. 3, 1916**

---

Newport, R. I., December 28, 1915.

**To the Honorable Representative Council of the City of Newport.**

Gentlemen :—

We hereby certify that we have examined the books of accounts of the various Departments of the City of Newport, to November 1, 1915, and find the same to agree with the accounts of the City Treasurer's Office, with the following exceptions: that the books of the City Treasurer show a payment of $550.00 for Sea Wall Repairs, which has never been charged on the books of the Street Commissioner; the said payment being the amount of a contract made by the Board of Aldermen, for Sea Wall Repairs on Ocean Avenue, and was approved for payment by them without the approval of the Street Commissioner.

We present herewith a statement of the receipts and disbursements of the City Treasurer's Office, showing a balance on hand of $226,083.90 which balance has been proven with the Bank account.

We would further report that all "Special Funds" in the care of the City Treasurer, also all securities in the care of the Sinking Fund Commissioners, representing the balances as shown by the books of the City Treasurer, have been examined and found correct.

Respectfully submitted,

ABNER L. SLOCUM,
GEORGE W. BACHELLER, JR.,
Auditors.

---

E. W. Higbee,
Collector of Taxes.

Newport, R. I., December 31, 1915.

# ANNUAL REPORT

OF THE

# Street Commissioner

OF THE

# CITY OF NEWPORT

# 1915

# Annual Report of Street Commissioner

December 31, 1915.

**To the Honorable Representative Council of the City of Newport:**

Gentlemen:—I respectfully submit the following report of the operations of the Department of Highways and Bridges for the municipal year of Nineteen hundred and fifteen.

## STATISTICS

This office has carefully prepared and revised the following statistics from the records of the department, viz.:

### Streets

| | Mileage |
|---|---|
| Wooden block pavement | .41 |
| Granite block pavement | 1.69 |
| Telford macadam | 13.89 |
| Telford macadam with asphalt macadam top | 1.66 |
| Macadam | 39.96 |
| Asphalt macadam | 6.49 |
| Tarvia macadam | .80 |
| Tarvia | .21 |
| Cobble | .51 |
| Dirt | 26.27 |
| Total | 91.89 |

### Sidewalks

| | Mileage |
|---|---|
| Granolithic | 23.831 |
| Granolithic and dirt | 1.568 |
| Flagstone | 2.598 |
| Flagstone and cobble | .145 |
| Flagstone and dirt | 1.428 |
| Brick | 2.682 |
| Asphalt | .603 |
| Asphalt block | .485 |
| Plank | .313 |
| Dirt | 81.547 |
| Total | 115.200 |

**Gutters**

| | Mileage |
|---|---|
| Granite culls | 20.43 |
| Cobbles | 36.55 |
| Flagstone and cobbles | .92 |
| Total | 57.90 |

**Curb**

| | Mileage |
|---|---|
| Bluestone | 40.698 |
| Granite | 18.582 |
| Granolithic | 1.853 |
| Total | 61.133 |

**Sewers**

| | Mileage |
|---|---|
| Vitrified pipe | 42.803 |
| Cast iron pipe | .817 |
| Circular brick | 4.727 |
| Brick | 1.449 |
| Stone | .516 |
| Tunnel | .388 |
| Cement pipe | .104 |
| Total | 50.804 |

**City Wharf**

Necessary repairs have been made from time to time upon the various buildings, located on the City Wharf.

Appropriation, $500.00; Expenditure, $371.46; Balance, $128.54.

For a number of years not only myself, but my predecessors, have recommended that the old dilapidated buildings located on City Wharf be replaced with a large building of modern construction, fully equipped and of sufficient capacity to accommodate the needs of the department. I earnestly hope that your Honorable Body will take favorable action in this matter in the near future.

**Horses and Carts**

Three horses were purchased this year, one from Mr. John T. Johnson for $200.00, for use of the Timekeeper; and two other horses from Mr. John F. Sullivan for the sum of $700.00.

Two of the worn-out horses were sent to the Humane Society, Providence, R. I., for disposal. The other horse died from burns and

suffocation in a slight fire at the City Stables on September 2nd, at 3.46 a. m. This horse was disposed of through Mr. J. J. Donovan, of the Newport Barrel Company, unfit for commercial purposes.

Appropriation for horses, $900.00; Expenditure, $900.00; No balance.

As in former years, the carts and gears were repaired and painted by the permanent employes of the department, during the winter months.

### Snow Removal

We have been quite fortunate this year in not having many heavy snow falls, consequently the expense for snow removal was considerably less than last year. It is impossible to estimate this item of expense, as no one can foretell the amount of snow fall in any one year.

Appropriation, $4,000.00; Expenditure, $1,610.61; Balance, $2,389.39.

Snow Removal Expense for the past thirteen years for comparison:

| | |
|---|---|
| 1903 | $8049 17 |
| 1904 | 1860 55 |
| 1905 | 2752 04 |
| 1906 | 620 42 |
| 1907 | 4087 16 |
| 1908 | 1680 76 |
| 1909 | 804 54 |
| 1910 | 3363 95 |
| 1911 | 1871 61 |
| 1912 | 1466 11 |
| 1913 | 111 03 |
| 1914 | 3017 05 |
| 1915 | 1610 61 |
| | $31295 00 |

Average cost per year for the past thirteen years, $2,407.30.

### Removal of Snow, Year 1915

| | | Department | | | | Hired | | Total |
|---|---|---|---|---|---|---|---|---|
| | | Teams | | Carts | | Teams | | |
| 1915 | | Loads | Cu. Yds. | Loads | Cu. Yds. | Loads | Cu. Yds. | Cu. Yds. |
| Feb. | 3 | 42 | 126 | 56 | 84 | 35 | 105 | 315 |
| | 4 | 42 | 126 | 76 | 114 | 39 | 117 | 357 |
| | 5 | 33 | 99 | 55 | 82½ | | | 181½ |
| Apr. | 5 | 23 | 69 | 66 | 99 | 26 | 78 | 246 |
| | | 140 | 420 | 253 | 379½ | 100 | 300 | 1099½ |

### Settling Tank

The Settling Tank, located on Briggs wharf, was cleaned this year at an expense of $441.12. Repairs were made at an expense of $37.17.

Appropriation, $600.00; expenditure, $478.29; balance, $121.71.

The Beacon was replaced on the main sewer outlet by Mr. J. K. Sullivan, at an expense of $90.00. The commander at the Torpedo Station kindly furnished a diver for this work.

## STREET CLEANING

The cleaning of streets, other than the permanent pavements, was commenced on the twenty-fifth day of March and continued until the twenty-seventh day of October, when the appropriation was about exhausted. However, on the eleventh of November, your Honorable Body made a transfer of appropriations of $2300.00, which enabled the department to continue this important work to and including December 4th. The cost of this class of work is increasing every year.

The street cleaning force is divided into five sections; two of which cover the city proper; two cover the suburban districts, including the mowing of grass, weeding, etc., and one section covers Bellevue avenue twice, daily. Permanent men are employed upon the pavements of Thames street, Spring street, Broadway and Long wharf throughout the year. Total loads of material removed this year, 15,104.

From our card index system, we submit the following table, showing the amount of work performed by this part of the department, viz :—

CLEANING STREETS—SEASON 1915.

| Permanent Pavements | Miles. | Sq. Yds. | Cost |
|---|---|---|---|
| Broadway & Washington square | 249.15 | 8347680 | $2299 72 |
| Long wharf | 148.32 | 1783419 | 1023 20 |
| Spring street | 723.63 | 9111700 | 2584 53 |
| Thames street | 902.75 | 11606967 | 6567 75 |
| | 2023.85 | 30849766 | $12475 20 |
| Bellevue avenue | 889.70 | 16349525 | 2444 73 |
| All other streets | 826.67 | 12898255 | 18710 14 |
| Total | 3740 22 | 60097546 | $33630 07 |

Appropriation for street cleaning, $34,300.00; expenditure, $33,630.07; balance, $669.93.

### Refuse Disposal

The city refuse is collected under contract with Messrs. Neffer & Hattub, and they have performed the work in their usual careful and

efficient manner the past year. We now have in the department a superintendent, who devotes his whole time to collections, adjusting complaints and care of dumps, etc. This is a very important addition to the department. Two men are employed at the dumps to dispose of the material as received.

Appropriation for refuse disposal, $11,700.00; expenditure, $11,646.46; balance, $53.54.

### City Dump

I especially call your attention to the fact that the present dumping grounds are about all filled up, and some provision must be made in the near future to either obtain permission to extend the present dump in the northern section of the city or provide some other means to dispose of the city refuse. I called this matter to the attention of the Board of Aldermen on June 15th last, and also to your Honorable Body on November 11th, 1915. As no action has been taken, I again appeal to you to give this matter your earliest consideration.

### Cleaning Catch Basins and Eyes

Four men with apparatus were employed throughout the year, weather permitting, in cleaning and flushing catch basins and eyes. 1,779 catch basins and 1,120 eyeholes were cleaned and flushed, and 1,455 loads of material were removed at an expense of $3,644.01.

### Catch Basins and Eyes

| | Catch Basins | Eyeholes | Total |
|---|---|---|---|
| Previously reported | 481 | 319 | 800 |
| Built during 1915 | 2 | 3 | 5 |
| Total | 483 | 322 | 805 |

### Cleaning Main Sewers

The cleaning and flushing of our sewage system is performed by four competent men, who are employed throughout the year. We have now about fifty-one miles of sewers, which were cleaned this year at an expense of $2,564.95. Average cost per mile, $50.29.

During the fiscal year, this department has inspected 115 individual sewer connections.

### Street Sprinkling

The watering of streets commenced on the fifteenth day of April and continued until the fourteenth day of November, when the carts were retired. Total cost of watering this year was $10,924.98, or about $312.14 per mile for the season. Thirty-five miles of streets were watered at least twice daily, when needed.

Three single and one double watering carts were purchased under contract with The Studebaker Corporation, for the sum of $1,180.00.

## SUMMARY OF STREET WATERING

### Applying Socony Oil.

Although for eight seasons this department treated the roadbeds with Dustoline with most excellent results, the Board of Aldermen awarded the contract to the Standard Oil Company of New York to furnish a dust layer called Socony Oil, because they were the lowest bidder.

During the past season we have treated thirty-four miles of roadbed of an average width of twenty feet, at an average cost of $118.04 per mile. The total cost of applying Socony Oil this season was $4,013.58. Eleven tank cars were purchased, containing 70,943 gallons.

### Crushed Stone

Again this year, Mr. James J. Dugan was the lowest bidder for furnishing the department with crushed stone, the price being $1.15 per ton delivered on the work. Mr. Dugan also furnished crushed stone, not delivered, at the rate of $1.00 per ton.

### Steam Road Rollers

Street work commenced on the 25th day of March and continued until the 1st of December, when the rollers went into winter quarters. Driving wheels for roller No. 3 were purchased this year of the Buffalo Steam Roller Company for $685.00.

I was anxious this year to increase the efficiency of the department and recommended the purchase of a New Style 15 ton Steam Roller with a scarifier attachment but the Committee on Highways did not deem it wise to accept my recommendation.

With this roller I am confident that I could have performed the work at a much reduced cost, especially in laying the Asphalt Macadam roadbeds of Spring Street, Narragansett Avenue and Annandale Road.

Two Asphalt Heaters were purchased under contract with H. L. Bond Company, for the sum of $540.00. If the department continues with the laying of Asphalt Macadam Roadbeds, it will be necessary to purchase at least two more heaters next year. I would also add that the life of these heaters is limited owing to the terrific heat they are subject to.

### Ocean Avenue

The roadbed of this boulevard was thoroughly repaired from Coggeshall Avenue to T. M. Davis Estate, a distance of 2.84 miles, at the expense of $5,773.03, which amount was paid from the appropriation for Street Repairs.

### Narragansett Avenue

The roadbed of this avenue, from the Forty Steps to Spring Street, was thoroughly repaired at an expense of $1,977.43, which amount was paid from the appropriation for Street Repairs.

### Motor Cycle

Through the recommendation of the committee on Highways and Bridges, a Motor Cycle was purchased this year for the use of the department.

Appropriation, $260.00; Expenditure, $248.00; Balance, $12.00.

### Spring Street

In accordance with the resolution of your Honorable Body, an Asphalt Macadam Roadbed, double coat work, was laid on Spring Street.

Grade lines were changed at various points by recommendation of the City Engineer, curbs were raised, crossings, granolithic sidewalks and driveways were relaid where changes in grades were made.

The Bay State Street Railway Company reimbursed the department for the cost of that part of the pavement occupied by their tracks.

Appropriation, $10,500.00; plus amount of $1,093.64, received from railway company, making a total of $11,593.64;

Expenditure, $9,886.13; Balance, $1,707.51.

Detail Cost as follows,

| | |
|---|---|
| Asphalt Macadam | $9141 49 |
| Raising Curb | 218 12 |
| Relay Crossings, Driveways, etc | 436 27 |
| Relay Granolithic Sidewalks | 90 25 |
| Total | $9886 13 |

### Narragansett Avenue

THAMES STREET TO SPRING STREET

An Asphalt Macadam Roadbed, double coat work, was laid on this part of Narragansett Avenue, at an expense of $2,524.89.

Appropriation, $3,000.00; Expenditure, $2,524.89; Balance, $475.11

### Annandale Road

The appropriation of $5,000.00 was insufficient to lay the Asphalt Macadam Roadbed on Annandale Road for its entire length, however, the department was able to lay the roadbed from Narragansett Avenue to Merton Road. Under ordinary circumstances, perhaps the amount appropriated would have been sufficient, but owing to the wet clay nature of the soil in this locality, it was necessary to excavate to a greater depth to overcome the action of the frost in winter and spring months.

Appropriation, $5,000.00; Expenditure, $4,981.20; Balance, $18.80.

### Levin Street

An Asphalt Macadam Roadbed was laid on this street, between the north track and the gutter. The roadbed of Levin Street for some years has been in a deplorable condition. The street is narrow and congested with railway tracks, and the water bound macadam roadbed was washed down into Spring Street at every rain fall. The roadbed is now in an excellent condition, and I think it would be wise to treat all the steep grade streets with this kind of a

pavement. The Bay State Street Railway Company paid for the cost of roadbed eighteen inches outside of the north rail.

Appropriation, $800.00, plus amount received from railway company, $160.98, making a total of $960.98; Expenditure, $821.57; Balance, $139.41.

### Asphalt Top Finish

It has already been clearly demonstrated this year, that it is very important to treat the Asphalt Macadam Roadbeds with an Asphalt Flush-coat Top Finish, the following year after they have been laid. All of the streets treated this year are in an excellent condition, and the life of these roadbeds should be assured for some time. All Asphalt Macadam Roadbeds laid this past season should be so treated next year.

DETAIL COST OF ASPHALT FLUSH-COAT TOP FINISH

| | |
|---|---|
| Bellevue Avenue, Kay to Bowery, and Bellevue Avenue from turn to Bailey's Beach | $1658 19 |
| Broadway, One Mile Corner to Lake's Corner | 2460 93 |
| Bath Road, Cliff Avenue—east | 1375 45 |
| Bull Street, Broadway to Central Street | 1019 78 |
| Cypress Street | 179 54 |
| Easton's Beach Road | 965 04 |
| Harrison Avenue, Carroll Avenue—west | 747 91 |
| Third Street, Cypress to Training Station Road | 806 51 |

Both Street Railway Companies paid for the cost of that part of pavement occupied by their tracks.

Appropriation, $8,332.00; plus amounts received from railway companies, $1,735.49; making a total of $10,069.49; Expenditure, $9,502.57; Balance, $566.92.

The Asphalt Macadam Roadbed of Bath Road, from Cliff Avenue to Freebody Street, is in such a bad condition that the same will have to be reconstructed. It was impossible to top coat this part of the roadbed. Bull Street roadbed, from Central to Kay Street, should also be reconstructed next year.

### Third Street Improvement

There being $4,000.00 available of the $7,000 balance of the appropriation of last year for the improvement of this thoroughfare, the department, under resolution passed by your Honorable Body, laid a curb on the east side of this street.

Owing to the fact that very little team hire was needed, because the dirt in excavating was used in filling up the sidewalk and land nearby instead of having to cart the same away; and also by the Newport and Providence Railway Company furnishing a large quantity of the granite blocks in the construction of the gutter, the depart-

ment was fortunate to lay the curb on the east side for the entire length, besides covering the sidewalk with crushed stone and building an eye at Dyer Street, making the improvement complete and within the appropriation.

Appropriation, $4,000.00 ; Expenditure, $3,918.21 ; Balance, $81.79.

DETAIL EXPENDITURES

| | |
|---|---|
| Laying Curb, East side | $3598 34 |
| Grading and Making Sidewalk | 288 76 |
| Build Eye at Dyer Street | 31 11 |
| Total Cost | $3918 21 |

**Broadway Wood Block Pavement**

A Wooden Block Pavement was laid on Broadway, from Lake's Corner to Washington Square, to crossing at the Army and Navy Y. M. C. A., around the Court House, by including Park Street and a part of Court House Street.

This pavement was laid under contract by Simpson Brothers Corporation at $2.50 per square yard ; Hassam Foundation at 95 cents per square yard and granite headers at 75 cents per square yard, the city to furnish the granite culls for said headers.

In addition to laying the pavement, it was found necessary to lay a granite curb on the east side of Court House Street, from Broadway to Hozier Street, to hold the pavement, also raise the curb on the West side of Broadway, from Branch Street to Edward Street and relay a number of crossings and driveways because of change of grades.

DETAIL EXPENDITURES

| | |
|---|---|
| Laying 8,473 sq. yds. Hassam Compressed Foundation including excavation and preparation of roadbeds at 95 cents | $8049 35 |
| Laying 8,382 sq. yds. Wooden Blocks, together with sand bedding at $2.50 | 20955 00 |
| Laying 91 sq. yds. Granite Headers at 75 cents | 68 25 |
| Inspection of Wooden Blocks | 130 00 |
| Granite Culls for Headers | 53 65 |
| Court House Street Curb | 261 73 |
| Raise Curb, Broadway | 441 32 |
| Relay Crossings etc | 137 35 |
| Relay Driveways, Barker Estate | 17 28 |
| Filling Reservoirs | 81 50 |
| 4,000 Wooden Blocks (extra) and storing | 165 50 |
| Treating pavement with gravel | 3 71 |
| Prove and certifying bonds | 105 00 |
| Lay floor at Burke Estate, caused by change of grades | 96 00 |
| | $30,515 64 |

Both railways made contracts with the Simpson Brothers Corporation to lay the pavement on that part of the roadbed, which is occupied by their tracks.

Appropriation, $35,000.00; Expenditure, $30,515.64; Balance $4,484.36. As only $32,000.00 worth of bonds were issued for this improvement the actual balance is $1,484.36.

### Second Ward Sewage System

This sewage system has been in operation for four years, and it has performed the work admirably and very economically. Seventy-five sewer connections have been made to this system to date. The electric pumps have received their annual inspection by Messrs. Scannevin & Potter, and they reported the apparatus in excellent condition except for a few necessary repairs, which the department had adjusted. During the year, the cost of electric power was $581.32, which was $227.93 less than last year.

Chief Foreman Burdick visits the plant daily to inspect the pumps, etc.

Appropriation, $1,000.00; expenditure, $655.13; balance, $344.87.

### Harrison Avenue Sewer

This ten-inch sewer was extended this year for a distance of 379 feet. Rock was encountered in the excavating, which increased the cost materially.

Appropriation, plus transfer, $1,400.00; expenditure, $1,371.10; balance, $28.90.

### Training Station Road Sewer

An eight-inch sewer was laid in Training Station road from Third street west for a distance of 517.5 feet.

This sewer was an exceedingly difficult piece of work, not only because of the deep cut which was from twelve to fifteen feet in depth, but because we encountered rock within four feet of the surface of roadbed.

Appropriation, less transfer, $1,900.00; expenditure, $1,867.88; balance, $32.12.

### Hillside Avenue Sewer

An eight-inch sewer was laid in this avenue, from Bedlow avenue north, for a distance of 697 feet. Considerable boulder rock was encountered in the excavating for this sewer.

Appropriation less transfer, $800.00; expenditure, $782.65; balance, $17.35.

### Apthrop Avenue Sewer

An eight-inch sewer was laid in this avenue, from Bedlow avenue north, for a distance of 354 feet.

Appropriation less transfer, $340.00; expenditure, $324.28; balance, $15.72.

### Curry Avenue Sewer

An eight-inch sewer was laid in this avenue, from Bedlow avenue north, for a distance of 347 feet.

Appropriation less transfer, $374.00; expenditure, $369.35; balance, $4.65.

### West Narragansett Avenue Sewer

The old stone drain in the avenue, between Thames street and Marchant street was replaced with a ten-inch pipe, for a distance of 555 feet.

Appropriation, $750.00; expenditure, $726.68; balance, $23.32.

### New Crossings

The following new crossings were installed this year. Owing to the fact that some of these crossings required a double stone, it was necessary to have the appropriation increased by transfer.

| | Appropriation | Expenditure | Balance |
|---|---|---|---|
| West Broadway at Branch street | $100 00 | $99 72 | $ 28 |
| Marchant street at West Narragansett avenue | 175 00 | 156 70 | 18 30 |
| Houston avenue at West Narragansett avenue | 200 00 | 171 23 | 28 77 |
| Atlantic street at Carroll avenue | 200 00 | 126 93 | 73 07 |
| Eastnor road at Carroll avenue | 200 00 | 168 69 | 31 31 |
| Third street at Battery street | 100 00 | 92 67 | 7 33 |
| Morton avenue at Burke estate | 100 00 | 50 56 | 49 44 |

### Sycamore Street Macadam

This street, not being declared a public highway this year, either by deed or decree, it was impossible to expend the appropriation for the work, therefore the appropriation of $800.00 was transferred to the item 6.2—Street Repairs.

### Brandt Street Macadam

The roadbed of this street was macadamized at an expense of $416.14.

Appropriation less transfer, $435.00; balance, $18.86.

### Battery Street Curb

A new granite curb was laid on the north side of Battery street between Second street and Washington street, at an expense of $699.67.

Appropriation less transfer, $725.00; balance, $25.33.

### Braman's Court

This street was improved this year with a curb on both sides, and the roadbed was turnpiked and macadamized, the expense of which was $1,404.14.

Appropriation less transfer, $1,435.00; balance, $30.86.

### Bush Street Curb

A granite curb was laid on both sides of this street at an expense of $1,632.48.

Appropriation less transfer, $1,650.00; balance, $17.52.

### Gardiner Street

Gardiner street was improved with a granite curb on the west side of the street at an expense of $776.71.

Appropriation less transfer, $800.00; balance, $23.29.

### Ledyard Place

A granite curb was laid on both sides of this street, from Broadway to the turn, at an expense of $2,606.37.

Appropriation less transfer, $2,625.00; balance, $18.63.

### Filmore Street

This street was improved this year with a granite curb on both sides, and the roadbed was macadamized at a total expense of $1,640.36.

Appropriation less transfer, $1,850.00; balance, $209.64.

### Charles Street

A granite curb was laid on the west side of Charles street, from Marlborough street to Coddington street, at an expense of $224.21.

Appropriation less transfer, $225.00; balance, $0.79.

### Marin Street

This new street, located between Kay street and Mount Vernon street, was turnpiked and macadamized at an expense of $427.18.

Appropriation, $500.00; balance, $72.82.

### Frank Street

A granite pavement was laid on this street, from Thames street to the east line of the Jones' estate; 256 feet in length, containing 305.3 square yards, at an expense of $894.03. Average cost per square yard, $2.93.

Appropriation, $900.00; balance, $5.97.

### Weaver Avenue

A granite curb was laid on the north side of Weaver avenue at an expense of $1,496.30.

Appropriation, $1,500.00; balance, $3.70.

### Carroll Avenue

A granite curb was laid on the east side of this street, from Morton avenue to Bateman avenue, at an expense of $1,631.69.

Appropriation less transfer, $1,700.00; balance, $68.31.

### Vaughan Avenue

A granite curb was laid on the east side of Vaughan avenue, at an expense of $1,883.26.

Appropriation, $1,900.00; balance, $16.74.

### Granolithic Sidewalks

In accordance with the appropriation, granolithic sidewalks were laid in the several wards of the city; later, when balances were found available, the laying of additional sidewalks was authorized by the Honorable Board of Aldermen.

The excavation and filling were performed by the employees of the department, and the granolithic was laid under contract with Mr. Hector M. Henery at 90 cents per square yard. We laid this year, 8,869.3 square yards of sidewalks of a total length of about 2.80 miles.

### Granolithic Sidewalks

FIRST WARD

| | Length feet | Sq. Yds. | Cost |

| | 3087 | 1587 | $2998 04 |

Appropriation, $3,000.00; expenditure, $2,998.04; balance, $1.96.
Average cost per square yard, $1.88.

**Summary of Granolithic Sidewalks**

| | Appropriation | Expenditure | Balance |
|---|---|---|---|
| First Ward | $3000 00 | $2991 39 | $8 61 |
| Second Ward | 3000 00 | 2961 77 | 38 23 |
| Third Ward | 3000 00 | 2967 79 | 32 21 |
| Fourth Ward | 3000 00 | 2974 67 | 25 33 |
| Fifth Ward | 3000 00 | 2998 04 | 1 96 |
| | $15000 00 | $14893 66 | $106 84 |

Average cost per square yard, $1.78.

**Bridge Repairs**

Repairs were made to Green Bridge, Ocean avenue, $84.23; Bedlow Avenue Bridge, $2.45; and the Van Zandt Avenue Bridge was painted and repaired at $249.25.

I again recommend that the Van Zandt Avenue Bridge be thoroughly inspected by an expert, as I consider this bridge to be getting dangerous.

Appropriation, $600.00; expenditure, $335.93; balance, $264.07.

**Bathing Beaches**

EASTON'S BEACH

During the summer months, a man is constantly employed to clean the roadbed, mow grass plats, etc. The iron fence was also painted.

Appropriation, $500.00; expenditure, $433.99; balance, $56.01.

**Forty Steps**

The iron work at the Forty Steps was painted at an expense of $44.09.

Appropriation, $50.00; balance, $5.91.

**City Piers**

ELM STREET

Repairs were made to Elm Street Pier, under contract with the Newport Ship Yard, for the sum of $490.00.

ANN STREET PIER

Repairs were made to this pier, under contract with Mr. Thomas H. Reagan, for the sum of $21.50.

### VAN ZANDT AVENUE PIER

Repairs were made to this pier by Mr. William A. Burbidge at an expense of $30.15.

Appropriation for piers, $790.00; expenditure, $542.00; balance, $248.00.

### Sea Walls

The sea wall on Ocean avenue, opposite the estate of Mr. J. K. Sullivan, was re-built and repaired under contract with Mr. Patrick J. Morgan, for the sum of $1,298.00. The sea wall on Ocean avenue, opposite the estate of T. M. Davis, was repaired under contract with Mr. Patrick J. Morgan, for the sum of $219.00. The sea wall at Easton's Beach was repaired, $8.82.

Certain members of the Board of Aldermen authorized other repairs to the sea wall of Ocean avenue without consulting the street commissioner, the bill for which I have never approved, but which I understand has been ordered paid.

Appropriation, $2,500.00; approved expenditure by the street commissioner, $1,562.34; balance, $937.66.

### Trap Rock

Two barges of ⅝-inch trap rock, containing 1,397 cubic yards, were purchased this year under contract with Mr. J. P. Sullivan, at $1.54 per cubic yard. This stone was discharged under contract with Mr. J. K. Sullivan at thirty cents per cubic yard.

### City Fountains

Employes of the department occasionally cleaned the animal drinking fountains, also disinfecting the water with stick sulphur.

The following fountains were repaired, viz.:

| | |
|---|---|
| Broadway | $7 45 |
| Easton's Beach | 50 42 |
| Near Bridge Street | 10 10 |
| Washington Square | 5 40 |
| West Broadway | 17 85 |
| Touro Park West | 4 70 |
| Cleaning | 12 63 |

Appropriation, $150.00; Expenditure, $108.55; Balance, $41.45.

### Tree Preservation

The trees were not treated this year as the State of Rhode Island did not send their apparatus to Newport. A number of trees were removed and trimmed.

Appropriation, $600.00; Expenditure, $218.13; Balance, $381.87.

| Trees Removed | Trees Trimmed |
|---|---|
| Bliss Road at Brooks Ave. | Rhode Island Avenue |
| Corne Street | King St. cor. Jones Ave. |
| Pelham Street | Farewell Street |
| Roseneath Avenue | Spring Street |
| Washington Street | Berkeley Avenue |
| | Coggeshall Avenue |
| | Ledge Road |
| | Bellevue Avenue |
| | Washington Street |
| | Narragansett Avenue |
| | Clinton Avenue |

**Dearborn Street Trees**

The trees of Dearborn Street were treated under contract with Mr. Roy Armstrong, for the sum of $192.50. These trees, which were in a very bad condition, were treated as follows:—all cavities were thoroughly cleaned by removing decayed wood or diseased wood, disinfected with creosote and waterproofed with a thick tar, cavities re-inforced with bolts where necessary and all cavities filled with concrete, made of Portland cement and sand. The trees were then trimmed and pruned, and the whole work performed in a very satisfactory manner.

Appropriation, $200.00; Expenditure, $192.50; Balance, $7.50.

**City Wharf**

A wharfinger is employed at City Wharf, who also does all the weighing and some office work. Other items also come under this head.

Appropriation, $1.000.00; Expenditure, $893.48; Balance, $106.52.

**City Floats**

The floats, located at Long Wharf, were repaired at an expense of $57.24. A new float was built by the Newport Ship Yard, for the sum of $170.00, and placed at Van Zandt Avenue pier.

Appropriation, plus transfer, $230.00; Expenditure, $227.24; Balance, $2.76.

**Coddington Wharf Floats**

In accordance with resolution passed by your Honorable Body, a new float was built under contract with the Newport Ship Yard, for the sum of $264.00, and said float was placed at Coddington Wharf.

Appropriation, $350.00; Expenditure, $264.00; Balance, $86.00.

### City Brows

The City Brow at Elm Street was repaired under contract with Mr. William A. Burbidge, for the sum of $172.00.

Appropriation, less transfer, $175.00; Expenditure, $172.00. Balance, $3.00.

### Sewer Permits

During the year, 115 permits to connect with sewers were issued, making a total to date of 4,221 since the system was adopted in 1884.

The number and description of fixtures connected were as follows, viz :—

| | Previously reported | 1915 | Total |
|---|---|---|---|
| Water Closets | 4318 | 153 | 4471 |
| Laundry Tubs | 2566 | 196 | 2762 |
| Sinks | 4974 | 132 | 5106 |
| Bath Tubs | 2190 | 123 | 2313 |
| Cellar Drains | 1918 | 81 | 1999 |
| Bowls | 981 | 122 | 1103 |
| Land Drains | 122 | 3 | 125 |
| Roofs | 1122 | 83 | 1205 |
| Furnace Pits | 5 | | 5 |
| Stable Fixtures | 67 | 6 | 73 |
| Scale Drains | 1 | | 1 |
| Families accommodated | 4952 | 119 | 5071 |
| Persons accommodated | 7743 | 357 | 8100 |

### Sewer Construction

Special Sewers :

## 1915

# Annual Report of the Public School Committee

**To the Honorable, the Representative Council.**

Gentlemen: – The Chairman of the Public School Committee herewith presents his annual report for the year 1915, together with the usual report of the Superintendent of Schools and all the subordinate reports of this department for the school year ending June, 1915.

The census of January showed for the public schools a total of 3554—an increase of 149 over 1914. The whole census was 5506—an increase of 168 over last year.

The registration of the last four years was as follows:

| | 1912 Nov. 22 | 1913 Nov. 21 | 1914 Nov. 27 | 1915 Nov. 26 |
|---|---|---|---|---|
| Grades X-XIII and postgraduates | 534 | 566 | 605 | 632 |
| Grades V-IX | 1381 | 1375 | 1479 | 1534 |
| Grades I-IV | 1382 | 1569 | 1471 | 1548 |
| Kindergartens | 184 | 177 | 224 | 269 |
| Ungraded | 14 | 20 | 13 | 16 |
| Totals | 3665 | 3707 | 3792 | 3999 |

The gain over 1914 is 207. In the Rogers High the growth is quite marked, as the whole enrollment of 1914-1915 was only 610 and there are now 632. The twenty-six rooms of grades VI-IX average 44.5 pupils; the nineteen of grades IV-V, 39.1 and the thirty of grades I-III, 38.4. There are 47 rooms with an enrollment of 40 or more; 29 with 45 or more; and 5 with 50 or more.

Because of an enrollment in Coggeshall III and IV far beyond the seating capacity of the two rooms, it was necessary to open a new room.

In the annual report of 1914, the Public School Committee expressed their thanks for a four-room addition to the Coggeshall, and now, only one year later, so great has been the growth of the school population in this district that not only are the four rooms occupied, but all the grade rooms average an enrollment of 42, and the two rooms of grade I have an attendance of 91. It is obvious that the "future" for which this addition was built is already here.

Since September the new scale of salaries for kindergartens and grades I-VI has been effective. The maximum is not increased, but it will now be reached in the fourth year instead of in the eighth as formerly. The assistants also are working under a new scale, viz.:— $350, $375, $400, $425 and $450. The maximum was $400 and it was reached in the fourth year. Now it is $450 and it is given in the fifth year.

As the charges for tuition for the elementary grades have not represented the full cost, this Board adopted the following rates to take effect in September: kindergarten and grades I-IV, $30; grades V-VIII, $40; grade IX, $44. (When grade IX is eliminated, the rate for VIII will be $44.)

The corps of teachers has lost five during the year: Misses Nellie H. Bacheller, Agnes H. Buchanan, Florence T. Carr, Hattie B. Sherman and Jennie W. Stoddard. The vacancies have been filled by the election of Misses Valina M. Coffin, Marion C. McLeish and Mary A. Walsh—all graduates of the Rogers High School, two of the Rhode Island State Normal and one of the Training Class. Three assistants have been elected: Misses Jessie Cowles, Sarah A. Watson and Rose Wilsker—all graduates of the Rogers High School and the Rhode Island State Normal School.

By request of the State Board of Education the Public School Committee established in September practice school rooms in the Coggeshall. The State Board furnished a critic teacher and paid her $250. This Board paid the maximum of the grade, viz.--$650. The Normal School authorities assigned three Newport pupils in the Normal to the Coggeshall for their five months of practice work without salary. These pupils are Misses Margaret D. Flynn, Mary M. Harrington and Catherine E. Leddy. At present the plan seems to be working satisfactorily.

The Board of Health deserves the thanks of the Public School Committee for its close and successful supervision through its four medical inspectors and the school nurse. There is a daily inspection of all absentees, a term inspection of all pupils, and a special inspection of all whenever the need arises.

The school nurse goes to the home to advise and assist if her services are desired. From December 14, 1914, to December 13, 1915, there have been 6 cases of scarlet fever and 1 case of diphtheria in the public schools, and these have excluded 23 other pupils. This is a remarkable record if the 4000 children are considered.

For the first time in the history of the schools an appropriation was made by the Representative Council for Military Drill. The public school committee received $2000 for introductory expenses and for the salary of an instructor. Colonel Herbert Bliss was selected by this board to organize and drill the battalion. Volunteers from the

three lower classes were drilled afternoons in May and June so that in September there might be a few to act as leaders. It was decided that in September military drill should be compulsory in grades XI, XII and XIII, and that in September, 1916, all high school grades should be included. Until that date grade X will have regular work in the gymnasium. The three grades make a battalion of three full companies, and next year there will be at least five companies.

The boys will purchase blouses and caps through a local dealer who has contracted to fit and deliver for $2.85. For both (blouses and caps) this board has loaned special buttons and letters for the caps. The United States government will furnish the rifles. With the exception of the blouses, caps and rifles this board will own all the equipment.

It is expected that the high standard set for commissioned and non-commissioned officers will have a favorable re-action on the whole school. The Military Instructor will nominate, but the record in scholarship, deportment and attendance must be satisfactory before the nomination is confirmed by the Head Master and the Committee on Military Drill. The Committee on Buildings and Janitors has wired for electric light the older part of the Coggeshall and Callender and all of the Calvert, Cranston, Potter and Townsend Industrial. The Mumford, Rogers and Coles were wired when built. As the remaining buildings are fairly well lighted by gas, they were left until 1916, when the Carey, Lenthal, Coddington and Thayer should be wired. This improvement will be a great help to teachers and pupils on dark days.

The special committee on backward children, after investigation recommended to this board that a room should be opened in September, 1916, proper equipment should be purchased, a trained teacher employed, and that to the Budget for 1916, the sum of $500 should be added for all these purposes. This board adopted the report.

The most valuable gift of the year was that of $350 from George R. Agassiz, Esq. This is his third gift and shows his appreciation of the work of the Coles and Townsend Industrial in which his father, Alexander Agassiz, was so much interested.

An advanced step of the year was the practical abolishment of the storm signal. For many years the signal has been a constant source of irritation. The Public School Committee, through its executive officer assumed the parental perogative, and decided whether pupils should be allowed to attend school on stormy days. In March the board voted that the signal should be used in the future only for some "unforseen emergency" or for "unusual severity." In the discussion of the change it was made evident that these two conditions were not likely to occur. The taxpayers seem to approve of the action.

The John Clarke Building is now progressing satisfactorily. This board asked for it October 31, 1913; the citizens voted favorably

December 2, 1913; the land was purchased July 9, 1914; the plans were accepted December 8, 1914. The bids received January 28, 1915, were too high, and after an appeal to the Representative Council in March, new plans were accepted June 14, and the contract was awarded July 8. Such is a brief synopsis of the building to date. Although the present plans do not represent the full wishes of the board, nevertheless, in spite of the many compromises, this building will be an advance in several respects over the other buildings.

The State Board of Education distributes annually a part of its funds to high schools and therefore it decided to establish certain standards which would warrant such an expenditure. The Rogers High School receives $1000 per year. The result of the examination follows:—

ROGERS HIGH SCHOOL, NEWPORT, R. I. I recommend also for one year approval. This is an excellent school but suffers from the fact that it has not a sufficient number of teachers to prevent crowding in a number of classes. This is especially true of the work in the laboratory science. In every respect this work is extremely efficient but could be made more so if the laboratory sections were smaller. The appointment of a laboratory assistant seems to me to be imperative.

In June an assistant was added to the corps, and in September because of this report, and also because of the conditions were worse than at the time of examination, a new man was secured for work in the science department—Wallace A. Clifford, a graduate of Bates in 1908, a student for two years in the Harvard Medical School and a teacher with an experience of five years in high school work. Seeing that the Rogers was an "excellent school" even under limited instructions, it is now expected that the school will be approved for the regular four years.

It is the duty of the Public School Committee to state so clearly and forcibly the needs of the Rogers High School that the citizens will have no excuse for failing to appreciate them.

In September, 1873, the new building in Church Street was first occupied. At the end of the first year (June, 1874) the enrollment was 66. From this date until the opening of the Townsend Industrial School and the introduction of commercial and manual courses, the enrollment increased to 163 (June, 1894)—a growth of 97, or at the rate of 4.85 pupils per year.

In June, 1905, the end of the last full year in the Church Street Building, the enrollment was 360—a growth of 197, or at the rate of 17.9 per year.

In January, 1906, the school moved into the new building in Broadway, and at the end of the school year in June, 1915, the enrollment

was 610—a growth of 250, or at the rate of 25 per year. The enrollment is now 632, an increase of only three months of 22.

SUMMARY: June, 1874—66.
June, 1894—168, ratio of increase 4.85.
June, 1905—360, ratio of increase 17.9.
June, 1915—610, ratio of increase 25.
December, 1915—632.

It has often been publicly stated that the normal seating capacity of the class rooms is 516. The seating of the assembly hall has recently been decreased by the enforcement of the city ordinance to 340 on the floor and 80 in the gallery, a total of 420 or about two-thirds of the number of pupils.

This condition of the class rooms and the assembly hall, the crowded library—too small for the reference books and for the pupils who must use them, the contracted luncheon room accommodations, the need of a drill hall and armory, the lack of shelter and protection for pupils when passing from Rogers to Coles and the Townsend, and the excess of more than 100 pupils over the normal capacity have compelled this Board to take official action.

Furthermore, it is apparent that there should be a more economical heating plant. There are now four boilers. During the first two and the last two of the ten school months only one would be necessary if centralized. The three buildings consumed last year 341 tons of coal at a cost of $2500. If there were a central plant with a day and a night man instead of two men a day, it is believed that a cheaper size of coal and fewer tons would be less wear and tear on the apparatus.

The public should also know that the gifts to the amount of $242,000, known as the Rogers, Coles, Townsend, Norman and Agassiz funds, are centered in these three buildings that constitute the real high school system, and they must be used in them.

Finally five-sixths of the Newport pupils now in the school live within a mile of the present building, and, further, they can be reached by both lines of electric railway.

All these considerations make it obvious that the most economical increase of the present plant will require new accommodations so near the buildings now in use that they will become an integral part of the old. With these conditions in mind the Public School Committee secured from the Representative Council an appropriation of one thousand dollars for the purpose of employing an expert school architect to draw sketch plans and specifications for adequate accommodations for the Rogers High School—including assembly hall, laboratories, connecting buildings, and a heating system; said school committee to report back to the council as soon as practical.

After due consideration Mr. B. Hammett Seabury, a Newporter, but now of Springfield, Massachusetts, was selected as the architect, who should be consulted in relation as to the enlargement of Rogers High School.

Respectfully submitted,

THOMAS P. PECKHAM,
Chairman.

In the regular meeting of the Public School Committee, held Monday, December 13, 1915, this report of the chairman was received, adopted as the report of the Public School Committee, and ordered referred to the Representative Council.

HERBERT W. LULL,
Secretary.

# ANNUAL REPORT

—OF—

# The Fire Department

OF THE

# CITY OF NEWPORT

# 1915

# Annual Report of the Fire Department

**To His Honor the Mayor and Board of Aldermen:**

In compliance with the requirements of the City Ordinances, I hereby submit the report of the Newport Fire Department for the year ending December 31st, 1915.

Accompanying this report will be found a roster of the department containing the names, rank, occupation, and residence of the members thereof, a statement showing the amount of the Fire Department Appropriations, and the sums expended for the maintenance of the department, a list of Fires and Alarms of Fires, the damage occasioned thereby and the amount of insurance thereon, also the amount of insurance paid as near as we have been able to ascertain. We also append such suggestions and recommendations as we deem necessary to properly increase the efficiency of this department, and we trust they will meet your approbation.

## Manual Force of the Department

The department consisted of 145 men as follows: 118 call men and 27 permanent men until July 8th when 8 new permanent men were added, making 153 men, until October 1st when the Reorganization was in effect which numbers now 36 permanent men and 56 call men, a total of 92 men.

## Horses

All horses have been eliminated, the last being sold on Sept. 11th, 1915.

## Hydrants

The number of Fire hydrants in service December 31st, 1915 was 328, six being added this year.

## Hose

The amount of hose on hand at this date is 14650 feet, of which 10650 feet is in good condition, the 1900 feet in fair condition, and 2100 feet in poor condition, and I would recommend the purchase of 1000 feet.

### Apparatus

At the present time all Apparatus is motorized, purchased and approved by the Board of Aldermen.

### Repairs to Stations

A new slate roof on No. 7 Station, a new slag roof on Headquarters, and interior of No. 5 Station 2nd story renovated and painted, new hard pine floor in east Dormitory at Station No. 1, both east and west Dormitorys and bath room at Headquarters were painted.

### Fire Alarm Telegraph

The Fire Alarm Telegraph has been improved by the purchase of 2 new boxes to replace No. 31 and No. 41, and running in 1000 feet of cable on Narragansett Avenue about 400 feet on Dixon Street, 2 new terminal boxes at Headquarters, and wherever old wire was found defective it was renewed with No. 10 Copper.

The bell and striker that was on the former Combination No. 2 House on lower Thames Street was removed, some changes to the outside construction of the lines have been accomplished the past year, and more is contemplated this year.

There are now in circuit 65 boxes, public and private connected to 51.6 miles of wire, 4 mechanical bell strikers, 3 mechanical whistles and a number of gongs, tappers, and indicators, one 6 circuit repeater, 306 jars of storage battery, one wood controlling board with necessary switches, etc. Inspection of the whole system has been made according to Ordinances.

In closing, I wish to thank His Honor the Mayor and Board of Aldermen, members of the City Government, the Chief of Police and the department under his direction, and all citizens who in any way assisted the department in the performance of its duties.

To the Officers and members of this Department, I wish to especially extend thanks for the faithful performance of the many duties assigned them.

Respectfully submitted,

A. J. KIRWIN

Chief Engineer of the Fire Department.

## CLASSIFICATION OF FIRE DEPARTMENT

### Call Force

1 Chief Engineer,
1 Deputy "
38 Hosemen,
16 Laddermen,
Total call force 56 men.

### Permanent Force

1 Chief Electrician,
1 Assistant "
3 Captains,
1 Mechanician,
22 First Class Firemen,
8 Third Class Firemen,
Total Permanent Force 36 men.

### Number of Companies

The department consists of five companies organized as follows:

Station No. 1
Pumper No. 1 Hook and Ladder No. 1 Combination No. 1

Station No. 2
Pumper No. 2 Hook and Ladder No. 2 Combination No. 2

Station No. 3
Combination No. 3

Station No. 4
Pumper No. 4

Station No. 5
Combination No. 5

### Apparatus

The apparatus now in service consists of:

1 Chief's Car (Overland)
1 Deputy's Car "
3 American La France Auto Pumping Engines
2 " " " " Hook and Ladder Trucks
3 " " " " Combinations
1 Robinson Auto Combination
1 Service Truck (Federal)
1 Gun Wagon with Deluge Set
2 Steamers No. 4 and 5 held in reserve

All of which are in charge of the several organized companies of the department.

### Resignations and Elections

1915

July 16. Hoseman William J. Mohr, resigned from No. 5.
Sept. 11. Hoseman George C. Williams resigned from No. 4.
Dec. 31. Hoseman Harry G. Andrews resigned from No. 5.
July 1. William J. Bourne, William J. Mohr, James T. Douglas, Patrick F. Burns, John A. Johnson, John A. Doyle, Cornelius J. Sullivan and Thomas C. Vayro were elected to go to work on July 8th, 1915, as permanent Firemen and assigned to the several companies.
July 29 John B. Williams was elected the Mechanician of the Newport Fire Department.

### Casualties

George L. Scott, hit with a ladder. Granted 344 days. H. & L. Co. No. 1.

Frank M. Lawton, injured knee. Granted 95 days. Steamer Co. No. 5.

Frank E. Packard, caught cold. Granted 69 days. H. & L. Co. No. 1.

Charles H. Chase, caught cold. Granted 6 days. Steamer Co. No. 5.

James M. Openshaw, Doctor's bill of $6.25. Hose Co. No. 8.

John McDougal, caught cold. Granted 13 days. Steamer Co. No. 7.

Ralph H. Whitman, caught cold. Granted 39 days. Steamer Co. No. 4.

James H. Millington, caught cold. Granted 8 days. H. & L. Co. No. 1.

### Obituary

Frank E. Packard died March 23rd, 1915. Was a member of Hook and Ladder Co. No. 1.

William Maher died October 12th, 1915. Was Captain of No. 3 Co.

Charles B. Humes died November 12th, 1915. Was a member of Hook and Ladder Co. No. 1.

### Alarms

| | | | |
|---|---|---|---|
| Total box alarms. | 46 | Loss | $14628 98 |
| Total Still Alarms | 129 | Insurance | $92925 00 |

## FIRE DEPARTMENT

Chief Engineer, ANDREW J. KIRWIN, 5 Goodwin Street.
Deputy Chief Engineer, JOSEPH S. LAWTON, 79 Third Street.
Chief Electrician, THOMAS W. WOOD, 40 Charles Street.
Assistant Electrician, WILLIAM H. GRAFFAM, 7 LaSalle Place.
Mechanician, JOHN B. WILLIAMS, 40 Washington Street.

### Station No. 1. Marlborough Street

#### Pumper No. 1

John H. Malloy, Captain, at station
George H. Freeborn, Hoseman, 31 Bridge St.
James T. Douglas, Hoseman, 85 Third St.
William J. Mohr, Hoseman, 54 Poplar St.
George S. Gilliam, Hoseman, (at call) 36 Second St.
Wanton W. Carlisle, Jr., Hoseman (at call) 25 Willow St.
Harry W. Scoville, Hoseman, (at call) 44 Third St.
J. Harry Brown, Hoseman (at call) 34 Third St.
Leon M. Shaw, Hoseman (at call) 56 Farewell St.
Charles C. Perkins, Hoseman (at call) 6 Bridge St.

#### Hook and Ladder No. 1

Abel H. Stevens, Ladderman, 31 Farewell St.
Charles E. Eldridge, Ladderman, 9 White St.
Edward M. Gladding, Ladderman, 2 Coddington St.
Henry W. Tripp, Ladderman, 24 Walnut St.
Walter Dennis, Ladderman (at call) 19 Marlborough St.
James H. Barker, Ladderman (at call) 10 Willow St.
Seddie Williams, Ladderman (at call) 24 Walnut St.
Fred'k W. Wilkinson, Ladderman (at call) 8 Braman Ct.
Edward L. Potter, Ladderman (at call) 31 Elm St.
Thomas J. Potter, Jr., Ladderman (at call) 23 Third St.
Bradford G. Shepley, Ladderman (at call) 32 Church St.
William F. Tripp, Jr., Ladderman (at call) 85 Third St.

#### Combination No. 1

Frank H. Whitman, Hoseman, 29 Newport Ave.
Patrick F. Burns, Hoseman, 48 Elm St.
Thomas C. Vayro, Hoseman, 33 Hall Ave.
Fred'k A. Barker, Hoseman (at call) 35 Van Zandt Ave.
Thomas C. Freeborn, Hoseman (at call) 65 Second St.

George W. Fludder, Hoseman (at call) 41 Gould St.
Duncan C. MacLean, Hoseman (at call) 16 Cranston Ave.
Arthur Power, Hoseman (at call) 1 Allan Ct.

**Station No. 2. Young Street**

**Pumper No. 2**

Eugene S. Hughes, Captain, 18 Holland St.
James H. Quinn, Hoseman, 297 Spring St.
Edward McCarthy, Hoseman, 11 Goodwin St.
Michael J. Furey, Hoseman, 8 Potter St.
Robert Walsh, Hoseman, 2 West Howard St.
William J. Burns, Hoseman (at call) 33 Howard St.
Michael Harrington, Jr., Hoseman (at call) 430 Thames St.
Edward J. Cox, Hoseman (at call) 18 Young St.
John F. Ronayne, Hoseman (at call) 4 Goodwin St.
Thomas O. Lake, Hoseman (at call) 42 So. Baptist St.
Quinton J. Kane, Hoseman (at call) 24 West St.

**Hook and Ladder No. 2**

William Nagle, Ladderman, 429 Spring St.
James M. Lacey, Ladderman, 29 Young St.
John R. Ward, Ladderman, 16 John St.
Jeremiah G. Sullivan, Ladderman, 488 Thames St.
Michael J. Burns, Ladderman (at call) 25 Young St.
Edward J. Toomey, Ladderman (at call) 28 Berkeley Ave.
Patrick J. Burns, Ladderman (at call) 17 John St.
John E. Nagle, Ladderman (at call) 342 Spring St.
William H. Bowman, Ladderman (at call) 23 Extension St.
John J. Canole, Ladderman (at call) 55 East Bowery St.
James H. Toomey, Ladderman (at call) 25 Fair St.
William Nelson, Ladderman (at call) 25 Gidley St.

## REPORT ON DRILLS

### Station No. 1. October 25th, 1915

COMBINATION No. 1. Roll call at 7 o'clock by Capt. Malloy.

The men were instructed in the working of the apparatus.

Nine hundred and fifty feet of 2½-in. hose was taken from the apparatus and swept and reloaded, the men shifting positions. Instructed in the operation of the chemical tanks. The hose was run out. Connecting 2½-in. hose to by-pass in tanks for the use of fresh water. Instructed in use of the door opener. The 20-ft. extension ladder was tested. Laid two lines of hose from hydrant. On one the Y was used, making two lines out of one.

Drill was 1 hour and 45 minutes duration.

Roll call at 8.45. Absentee—Thomas C. Vayro, permanent man, day off.

PUMPER No. 1. Twelve hundred feet of hose taken from Pumper and swept and reloaded, the men shifting positions. Making connections with suction to hydrant, also drafting connection. Laying 1 line, 2 lines and 3 lines from pump. Laying 1 line, 2 lines and 3 lines from hydrant. Laying 1 line, using Y, making 2 lines. How to use door opener, 20-ft. extension ladder, roof ladder, cellar pipe and hose jackets.

No absentees. Roll call 8.45.

HOOK AND LADDER No. 1. Apparatus sent out with men and instructed in raising all ladders. How to hold life net, the men jumping into the same.

Drill 1 hour and 45 minutes.

Absent, Call man Edward J. Potter, permanent man Henry W. Tripp, day off.

Roll call 8.45.

Had trouble using new play pipes and Y connections.

November drills about the same as October, except using 60-40-25 foot ladders, and pumper went out the next day for hydrant practice. December drills also a repetition of preceding months.

### Station No. 2. October 26th, 1915

COMBINATION No. 2. Roll call at 7.00 o'clock by Capt. Hughes.

The men were instructed in the working of the apparatus, hose being taken from same and swept and reloaded, men shifting positions. How to discharge the chemical tanks, hose being run out and shown how to connect the 2½-in. hose to tank to take fresh water.

How to use door opener. Laying 1 line of hose from hydrant, making connections. Laying 2 lines of hose and making connections. Laying 1 line using the Y, making 2 lines out of the same.

Drill 1 hour and 45 minutes duration.

Roll call 8.45. Absentee—Garrett J. Kirwin, permanent man, day off.

PUMPER No. 2. Twelve hundred feet of 2½-in. hose taken from apparatus and swept and reloaded, men shifting positions. Making connection with suction to hydrant. Making connection for drafting water. Laying 1 line, 2 lines and 3 lines from pump. Laying 1 line, 2 lines and 3 lines from hydrant. Using the Y to split one line, making 2 of the same. How to use the door opener, 20-ft. extension ladder, roof ladder and cellar pipes.

Drill 1 hour and 45 minutes duration.

Roll call 8.45. Absent—Robert Walsh, permanent man, day off.

HOOK AND LADDER No. 2. Apparatus sent out with men and instructed in the raising of all the ladders; also how to hold the life net, some of the men jumping into it from the 2nd story windows.

Drill 1 hour and 45 minutes duration.

Roll call 8.45. All present.

November drill about the same as October drill except using 55 and 25-foot ladders, and pumper went out next day for hydrant practice.

**Station No. 3. October 27th, 1915**

COMBINATION No. 3. Roll call by John A. Johnson, senior man, at 7 o'clock.

One thousand feet 2½-in. hose taken out of apparatus, swept and reloaded, the men shifting positions. How to discharge the chemical tanks; hose was run out; how to connect 2½-in. hose to tanks for fresh water. How to use door opener. Laying 1 line and 2 lines from hydrant and making connections.

Drill 1 hour and 30 minutes duration.

Roll call 8.30. No absentees.

November drills same as October drills.

**Station No. 4. October 28th, 1915**

PUMPER No. 4. Roll call at 7 o'clock by Capt. Freeborn.

Twelve hundred feet of 2½-in. hose taken from apparatus and swept and reloaded, the men shifting positions. How to lay 1 line, 2 lines and 3 lines from pump. How to lay 1 line and 2 lines from hydrants, laying one line with the Y, in making 2 lines of the same. How to use the door opener. How to connect the suction on hydrant,

also for drafting water. How to use 20-ft. extension ladder, roof ladders and cellar pipes.

Drill 1 hour and 30 minutes duration.

Roll call 8.30. Absent—Cornelius J. Sullivan, permanent man, day off.

November drills same as October drill and Pumper went out for hydrant practice.

**Station No. 5. October 29th, 1915**

COMBINATION No. 5. Roll call at 7 o'clock by Edward J. Shea, senior man.

One thousand feet of 2½-in. hose taken from apparatus, swept off and reloaded. How to lay 1 line and 2 lines from hydrant. How to connect 2½-in. hose to tank to get fresh water through the same. The use of the door opener; also the 20-ft. extension ladder, roof ladders and cellar pipes. How to charge the chemical tanks. Chemical hose run out and men instructed how to operate.

Drill 1 hour and 30 minutes duration.

Roll call 8.30. No absentees.

November drill same as October drill, all members being present.

OF THE

# CITY OF NEWPORT

# 1915

# Annual Report of the Board of Health

Newport, R. I.,
December 31st, 1915.

**To the Honorable Representative Council of the City of Newport, R. I. :**

Gentlemen:—The Board of Health herewith submits for your consideration its report for the year ending December 31st, 1915.

## Organization

The Board organized January 9th, 1915. Dr. Rufus E. Darrah was elected President, and Dr. George D. Ramsay, Secretary. Nineteen regular and seven special meetings have been held during the year.

The estimated population of the city for the year 1915 is 31,209. This number is based on the figures of the Census Bureau of the United States, up to March 1st, since which time the figures of the Rhode Island State Census (compiled 1915) have been used. To this number five thousand is added during the summer months, which is considered a conservative estimate of the increase in our population during this time.

The general health of the city during the past year has been remarkably good; at no time has any disease been especially prevalent while the number of cases of communicable diseases has been noticeably few. The appended table shows that while the mortality from communicable diseases is being reduced, it also shows that nothing is being accomplished in the diminishing of deaths from organic diseases.

The number of deaths during the year, including non-residents, was 365 giving a death rate of 11.69 per cent.

| Chief Causes of Death | 1911 | 1912 | 1913 | 1914 | 1915 |
|---|---|---|---|---|---|
| Organic diseases of the heart | 39 | 37 | 52 | 41 | 54 |
| Cerebral haemorrhage, Apoplexy | 30 | 31 | 27 | 32 | 33 |
| Diseases of the arteries | 11 | 15 | 16 | 12 | 15 |
| Bright's disease | 22 | 41 | 38 | 31 | 31 |
| Tuberculosis of the lungs | 24 | 20 | 20 | 20 | 18 |
| Pneumonia | 32 | 36 | 33 | 22 | 28 |
| Cancer (all forms) | 20 | 36 | 33 | 22 | 27 |
| External causes | 17 | 24 | 14 | 12 | 20 |

Deaths from Communicable Diseases, Tuberculosis excepted.

| | | | | | |
|---|---|---|---|---|---|
| Typhoid fever | 3 | 3 | 3 | 0 | 4 |
| Diphtheria | 1 | 3 | 2 | 2 | 1 |
| Scarlet fever | 0 | 0 | 1 | 0 | 0 |
| Whooping cough | 2 | 0 | 3 | 4 | 1 |
| Measles | 0 | 0 | 0 | 1 | 0 |

**Communicable Diseases**

The number of cases of Scarlet fever and Diphtheria reported for the year was the lowest since this Board was constituted in 1901. While the number of cases of Typhoid fever reported was the same as last year (7), the death rate from this disease was much higher. One of these cases was brought to the Newport Hospital from a steamer in the harbor ; in the other six cases the source of infection could not be discovered. The number of cases of Measles reported is unusually low, but this is no indication of the number of cases actually occurring, owing to the fact that many cases exist where no physician is called by the family, and in this way the cases escape detection.

In 1904 at the request of the Board of Health, an Ordinance was passed requiring the reporting of all cases of Pulmonary Tuberculosis, to this Office, by physicians. Since this time, 441 cases with 291 deaths have been reported. There has been a great improvement noted in the prompt reporting of cases of this disease during the past year. While it is, of course, of the utmost importance that all cases of this disease be reported, this is especially true of the incipient ones, for it is in the latter instance that the greatest good can be accomplished and cures effected.

Credit should be given the Newport Association for the Relief and Prevention of Tuberculosis, and to the Newport Hospital for their work in instructing and caring for these cases. Again the Board recommends the segregation of all chronic cases, since no satisfactory progress can be made in the eradication of this disease with the present methods of caring for patients in their homes.

One death from Whooping Cough has occurred.

No case of Poliomyelitis has occurred during the year.

Of the cases of Scarlet Fever and Diphtheria occurring during the year but one remained at home ; the others being removed for treatment to the Newport Hospital. Too much cannot be said of the benefit derived by the City, from its contract with the Hospital for the care of these cases. The absolute quarantine maintained there, together with the sharp lookout kept by the Medical Inspectors for these cases in the schools, no doubt accounts for the small number reported. The Board earnestly recommends a renewal of this contract at its expiration in March 1916.

In all cases of Scarlet Fever, Diphtheria and Typhoid Fever, a history is obtained which includes the name, address, age and occupation (or if a school child the school attended by the patient) the source of milk, water and food supply, the name of the attending physician, date of diagnosis, when removed to the Hospital, when fumigation was made, together with such other information as may be considered necessary and valuable in trying to trace the source of the infection. All Government Stations, Schools, Libraries, Day Nurseries and the milk dealers supplying the family, are notified by the Office of all cases of Scarlet Fever and Diphtheria reported.

### Scarlet Fever

There have been 19 cases of Scarlet Fever reported. There were no deaths from this disease.

| Year | cases | deaths | per cent. | case rate per 1000 inhabitants | death rate per 1000 inhabitants |
|---|---|---|---|---|---|
| 1910 | 29 | 1 | 3.44 | 1.10 | .03 |
| 1911 | 38 | 0 | .... | 1.29 | .. |
| 1912 | 103 | 0 | .... | 3.52 | .. |
| 1913 | 95 | 1 | 1.05 | 3.24 | .03 |
| 1914 | 51 | 0 | .... | 1.74 | .. |
| 1915 | 19 | 0 | .... | .60 | .. |

### Diphtheria

There have been 6 cases of Diphtheria reported, with one death. Following is a comparative table for the past six years.

| Year | cases | deaths | per cent. | case rate per 1000 inhabitants | death rate per 1000 inhabitants |
|---|---|---|---|---|---|
| 1910 | 14 | 2 | 14.29 | .53 | .07 |
| 1911 | 30 | 1 | 3.33 | 1.02 | .03 |
| 1912 | 111 | 3 | 2.70 | 3.79 | .10 |
| 1913 | 96 | 1 | 1 04 | 3.28 | .03 |
| 1914 | 29 | 2 | 6 82 | .99 | .06 |
| 1915 | 6 | 1 | 16.66 | .19 | .03 |

### Typhoid Fever

Seven cases of this disease with 4* deaths have been reported. No case of Typhoid Fever originating in the city was attributable to the milk or water supply.

| Year | cases | deaths | per cent. | case rate per 1000 inhabitants | death rate per 1000 inhabitants |
|---|---|---|---|---|---|
| 1910 | 31 | 4 | 12.90 | 1.17 | .15 |

| Death rate per 1000 inhabitants | 1.06 | .82 | .88 | .82 | .78 | .73 | .84 |

### School Inspection

This work is still being carried on along the same lines. An inspection of all pupils in the Public and Parochial schools on each school day for the detection of any contagious disease or ailment; the examination of eyesight and hearing; the inspection of the teeth of children in the kindergarten, first and second grades, the prophylactic treatment of the same which treatment is given every school day in the Dental Infirmary in the City Hall, by the Dental Examiners. The Physician to the Board is in attendance at this office every school day, one-half hour before the afternoon session, to examine and admit scholars who could not be present to be examined by the Medical Inspectors at the morning session at their respective schools.

In conjunction with the Medical Inspection, the work of the School Nurse is of growing importance and the following up and actual treatment given by her to excluded children, undoubtedly lessens the number of days of absence of these pupils. In addition to assisting the Dental Examiners in their work, the School Nurse also acts in the capacity of secretary to the Occulist and Aurist during his inspection.

The extent and importance of the work of the Bacteriologist, the Inspector of Food Products and the Inspector of Milk is shown by the appended tables.

### Sanitary Inspection

The dividing of the city into sanitary districts which was put in practice last year has proven the value of the change. The inspection of restaurants and stores where food products are sold, tenements, stables, yards, vaults and cesspools; the following up of garbage complaints, inspection of the swill scow at the City Wharf, the Emergency Hospital, the placarding of houses for contagious diseases where the case remains at home, the removal of all cases of Scarlet Fever and Diphtheria to the Hospital, obtaining a history of each case, disinfecting, and investigating complaints of various nature, constitute some of the duties of the Inspectors.

All complaints are properly investigated and the results of these inspections reported in writing to the Board, with such recommendation for action as, in the opinion of the Inspector, is necessary. Where insanitary conditions are found to exist, the Inspector, before recommending that any action be taken by the Board, uses every effort with the person responsible, to have the matter remedied, and if the Inspectors are not successful, then a notice is sent by the Board to the owner or occupant of the property in question, notifying him of the existence of the nuisance and ordering the abatement of the same within a specified time. At the expiration of this time if the nuisance still exists, the matter is placed in the hands of the City

Solicitor for legal action. All reports of the Inspectors giving the name of the owner or occupant, location of premises, and such insanitary conditions as may exist are placed on file in the office, and checked off with the date of abatement, when so reported by the Inspector. In all cases of condemned privy vaults, where the orders of this Board are not complied with within thirty days after the service of the notice, the vaults are cleaned, disinfected and filled, the cost for the same being paid by this Department, charged to the owner of the premises, and the bill placed in the hands of the City Solicitor for collection. This Board has been more successful during the year than ever before in recovering the amount expended for this work. The following is a tabulated list of nuisances abated.

| | |
|---|---|
| Toilets out of order | 32 |
| Toilets leaking into adjoining premises | 3 |
| Water and sewerage in cellars | 7 |
| Grease traps and drains stopped up | 43 |
| Defective sink traps | 6 |
| Leaking waste pipes | 5 |
| Stable manure removed | 9 |
| Manure pits covered | 3 |
| Dirty yards cleaned | 84 |
| Dirty sheds cleaned | 3 |
| Dirty cellars | 5 |
| Dirty houses | 1 |
| Cesspools filled | 1 |
| Vaults filled by Board of Health | 15 |
| Vaults filled by owners | 40 |
| Sewerage running into streets | 1 |
| Sewers stopped up | 9 |
| Rubbish on shores | 6 |
| Nuisance from dumping | 1 |
| No cause for complaint found | 7 |
| Unclassified | 28 |

Owing to the insanitary conditions existing on the premises, and the refusal of the owners to comply with the orders of the Board of Health, the tenants of three houses have been ordered out and the premises closed.

### Fumigations

Owing to the decreased number of communicable diseases fewer disinfections have been made. Compulsory terminal disinfection is still carried out after every case of Scarlet Fever, Diphtheria, Typhoid Fever, Pulmonary Tuberculosis and of premises for other diseases, upon request. All rummage sales are fumigated and the contagious cab after every case which is removed to the Hospital.

Much interest is being taken by this Board in watching the results of the discontinuance, by several Cities, of the practice of terminal fumigation after contagious diseases. As soon as the Board is satisfied that it is advisable, this work will be abandoned except upon request. The Board supplies, free for all, Diphtheria and Tetanus Antitoxin, Typhoid Vaccine and Silver Nitrate; it also makes free examinations of sputum for suspected Pulmonary Tuberculosis and Widal tests for the detection of Typhoid.

The following table shows the number of fumigations for the year and the different causes for the same.

| Disease | Rooms | Houses | Cab | Total |
|---|---|---|---|---|
| Scarlet Fever | 38 | 0 | 18 | 56 |
| Pulmonary Tuberculosis | 75 | 1 | 0 | 76 |
| Typhoid Fever | 5 | 0 | 0 | 5 |
| Diphtheria | 14 | 0 | 6 | 20 |
| Measles | 8 | 0 | 0 | 8 |
| Rummage Sales | 24 | 0 | 0 | 24 |
| Miscellaneous | 11 | 0 | 0 | 11 |

## Garbage

The contract for the collection and disposal of the city's garbage expires August 8th, 1916, when it will be necessary for the city to make a new contract for this most important work. The matter of disposal in the present antiquated method has been alluded to so many times in the annual reports of this Board that it is somewhat of an old story. When your Honorable body and the citizens of this city realize the importance of this question, some action will undoubtedly be taken tending toward the erection of a modern, scientific plant for the disposal of all the city's waste. We must all realize that not only the city's garbage must be cared for, but the ashes and other waste, and it seems to this Board that the time is now ripe to take early action in the matter. In addition to the many advantages to be derived by the installing of a plant of this kind it may also be possible that the city could receive a revenue therefrom.

Since the construction of the first garbage cremator, some twenty-five years ago, much progress has been made in the development of these plants, so that it is now possible to operate one which would be entirely free from any objection from a sanitary standpoint.

Our records show that the following places are disposing of their city's garbage by reduction or cremation : New Bedford Mass., Staten Island N. Y., Norfolk Va., Portsmouth Va., Portland Ore., Atlanta Ga., Spokane Wash., Sacremanto and Oakland Cal., Joliet Ill., Minneapolis Minn., Lowell Mass., Georgetown Pa., Tampa Fla., Lynchburg Va., Wheeling W. Va., and many other places.

Unless immediate steps be taken in the matter it will be necessary for the city to expend a considerable sum of money in rebuilding the Brow at the City wharf, and repairing the Swill scow.

### Almy Pond

For seven years, in its annual report to your Honorable body, this Board has recommended that steps be taken for improving the Almy Pond and its surrounding shore. It is very gratifying to know that a Committee has been appointed which has taken the matter up and is making good progress towards remedying the conditions existing in that district.

### Financial Statement

*The per capita cost for the conservation of public health during the year was 39 cents. When the low annual death rate, the small number of communicable diseases occurring and the excellent sanitary conditions existing in the city, is taken into consideration, the citizens should be well satisfied with the returns from the amount expended for this work.

| | | Appropriated | Expended | Balance |
|---|---|---|---|---|
| 2.6 | Hospitals..... ..... | $ 300 00 | $ 50 00 | $ 250 00 |

| | | $24093 00 | $22949 66 | $1143 34 |

Respectfully submitted,

RUFUS E. DARRAH, M. D.
President, Board of Health.

*This method of computing the per capita cost is in accordance with that used by the United States Bureau of the Census, and is based on the amount expended solely for the conservation of public health, which work includes the general conduct of the Health Department, the prevention and treatment of communicable diseases, the Medical Inspection of schools, the examination of eyesight and hearing, the examination and prophylactic treatment of the teeth of school children, food regulation and inspection; but does not include the cost of refuse and garbage disposal.

| Urinary disease | 1 |
| Vaccinations (performed) | 10 |
| Vaccinations (certificates given) | 392 |

## REPORT OF THE OCULIST AND AURIST FOR THE YEAR 1915.

Results of tests made for eyesight:

| | |
|---|---|
| Number of pupils examined | 4892 |
| Number found with defective vision | 1029 |
| Number found with diseased eyes | 45 |

Results of tests made for hearing:

| | |
|---|---|
| Number of pupils examined | 4892 |
| Number found with defective hearing | 475 |
| Number found with diseased ears | 83 |
| Number of parents and guardians notified | 1523 |

### Tuberculosis

Fifty cases of Pulmonary Tuberculosis have been reported with 18 deaths. The following is a comparative table for the past six years.

| Year | cases | deaths | per cent. | case rate per 1000 inhabitants | death rate per 1000 inhabitants |
|---|---|---|---|---|---|
| 1910 | 45 | 21 | 46.67 | 1.71 | .79 |
| 1911 | 52 | 20 | 38.46 | 1.77 | .68 |
| 1912 | 35 | 20 | 57.14 | 1.19 | .68 |
| 1913 | 35 | 20 | 57.14 | 1.19 | .68 |
| 1914 | 23 | 20 | 86.95 | .78 | .68 |
| 1915 | 50 | 18 | 36.00 | 1.60 | .57 |

### Infant Mortality

The following tables show the infant mortality for the past six years, giving the number of deaths under one year, the number of births and rate per thousand living births, together with the causes of death for the year 1915.

The rate for 1915 can not be given as the birth records are incomplete for this year.

| Year | Deaths under 1 year | Births | Rate per 1000 births |
|---|---|---|---|
| 1910 | 60 | 589 | 101.88 |
| 1911 | 50 | 552 | 90.05 |
| 1912 | 41 | 565 | 70.79 |
| 1913 | 37 | 597 | 61.97 |
| 1914 | 58 | 584 | 99.31 |
| 1915 | 42 | ... | .... |

| | under 1 day | 1 to 2 days | 2 to 3 days | 3 dys to 1 week | 1 to 2 wks | 2 to 3 wks | 3 wks to 1 mo. | 1 to 2 mos. | 3 to 6 mos. | 6 to 12 mos. | Total |
|---|---|---|---|---|---|---|---|---|---|---|---|

# Report of the Inspector of Milk

TO THE BOARD OF HEALTH FOR THE YEAR 1915.

**To the Honorable Board of Health, City of Newport:**

Gentlemen:—I have the honor to submit my report for the year ending December 31st, 1915. The work has been carried on along the same lines as heretofore, namely the collection of samples from producers and stores, the examination of the same for a bacterial count and chemical analysis, inspection of farms, and stores where licenses to sell milk have been granted. The examinations show the quality of the milk to be above the standard required for butter fat, but the bacteriologial samples plated, indicate little improvement over the record of last year. The percentage of samples examined as compared with the number of licenses granted, is higher than last year. The results of these examinations, together with the filtration plug, are mailed to the producers from whom the samples were taken.

In the inspection of milk producing farms, where the premises were found to be in an insanitary condition, instructions were given in reference to the improvements to be made, and in no instance has it been necessary to recommend the revocation of a license.

A systematic inspection of stores where milk is sold has been made and in many cases improvements have been made at the suggestion of the Milk Inspector.

During the year, at the suggestion of the Board, the public were notified through the daily paper that any one suspicious of their milk supply, could have a sample of the same examined by leaving it at the Office of the Board in the City Hall. But two people availed themselves of the offer which indicates that the public is well satisfied with the quality of the milk which is being sold in the City.

The city is fortunate in having its milk supply produced so near at hand, not being forced to depend on the "long haul" railroad milk.

Respectfully submitted,

THOMAS E. HUNT,
Inspector of Milk.

## STATISTICS—INSPECTION OF MILK

| | |
|---|---|
| Number of dairymen applying for license to sell milk | 93 |
| Number of licenses granted to dairymen | 93 |
| Number of storekeepers applying for license to sell milk | 168 |
| Number of licenses granted to storekeepers | 168 |
| Number of quarts of milk handled daily in stores | 3308 |
| Number of quarts handled daily by dairymen | 15395 |
| Number of samples taken for butter fat | 845 |
| Number of samples taken from wagons | 491 |
| Number taken from stores | 354 |
| Number taken for bacteriological analysis | 490 |

### Inspections

| | |
|---|---|
| Number of farms inspected | 204 |
| Number of inspections of stores | 518 |

## BACTERIOLOGICAL SAMPLES OF MILK PER C. C.

| | |
|---|---|
| Number of samples containing 300,000 or less | 250 |
| Number of samples containing 300,000 - 400,000 | 75 |
| Number of samples containing 400,000—500,000 | 64 |
| Number of samples of cream ex. for preservatives | 22 |
| Number of samples containing 500,000 - 600,000 | 10 |
| Number of samples containing 600,000—1,000,000 | 5 |
| Number of samples containing over 1,000,000 | 46 |
| Number of filtration plugs sent out | 422 |

# Report of Dental Inspection

**To the Board of Health, City of Newport, R. I.:**

Gentlemen: I herewith submit my fourth annual report of the dental inspection in the schools, for the year ending December 31, 1915.

## The Inspection

The usual routine inspection has been made the past year. The large number of pupils attending the lower grades has made much greater demands upon the inspector's time, and made necessary more than double the number of visits of former years. The younger children continue to claim much of our attention, and for the sake of comparison the following tables, showing condition of kindergarten children are submitted. Table I showing conditions found in year 1912, Table II showing conditions found in 1915.

### TABLE I

INSPECTION 1912

140 Pupils

| | | | |
|---|---|---|---|
| 69 | Never used tooth brush | 1 in | 2 |
| 37 | Had unclean teeth | 1 in | 4 |
| 96 | " stained " | 2 in | 3 |
| 109 | " decayed " | 4 in | 5 |
| 19 | " aching " | 1 in | 7 |
| 25 | " irregular " | 1 in | 6 |
| 4 | " some teeth filled | 1 in | 35 |

### TABLE II

INSPECTION 1915

226 Pupils

| | | | |
|---|---|---|---|
| 48 | Never used tooth brush | 1 in | 5 |
| 26 | Had unclean teeth | 1 in | 9 |
| 24 | " stained " | 1 in | 9 |
| 200 | " decayed " | 9 in | 10 |
| 42 | " aching " | 1 in | 6 |
| 72 | " irregular " | 1 in | 3 |
| 20 | " some teeth filled | 1 in | 11 |

A study of the above tables shows a great improvement in the general care of the teeth, and may be taken as an index of what has been accomplished at this early age.

The fact that in the Kindergarten one child in every fifteen requires treatment of some of the teeth of the second set, emphasizes the advice we desire to impress on every parent—"Teeth of the SECOND SET should be examined as soon as possible after the age of SIX YEARS."

### Notices to Parents

Cards were sent to the parents of 740 pupils advising them of defective conditions of the teeth. During this and all previous years, efforts have been made to have the pupils examined and treated by the family adviser, as shown in the form of notice below.

BOARD OF HEALTH
INSPECTION OF TEETH 191

To the Parent or Guardian of

I have made an inspection of the teeth of your child and strongly advise that those of the $\frac{\text{first}}{\text{second}}$ set be examined by your dentist. Teeth of the *second set* should be treated as soon as possible after the age of *six years*. Brushing the teeth every night and morning will prevent decay.

### The Dental Infirmary

Nearly all the new equipment has been installed and adds much to our efficiency and to the comfort of the patient. It has many of the features best suited to the needs of children, to which are to be added some not in use elsewhere.

Dr. P. E. Clark and Dr. C. H. Rogers have been assisted in their work by Miss Mowatt, the school nurse. Of the patients treated, 304 have received prophylactic treatment, 314 extractions have been performed and 53 other treatments given, a total of 671 operations.

### Recommendations

I recommend that, hereafter, teeth of the pupils above the first two grades be inspected without the usual chart examination. Such an arrangement will insure a chart examination of nearly all entering school for the first time, and a more even distribution of our services throughout all grades.

I want too to urge what last year I expressed as a hope, "A Saturday morning clinic." The noon day clinic is very desirable, but the time limit is only about one hour. The Saturday morning clinic would accomplish still more and I cannot advise it too strongly.

Respectfully submitted

WILLIAM S. SHERMAN, M. D.,
Chief Dental Inspector.

# ANNUAL REPORT

—OF—

# CHIEF OF POLICE

OF THE

# CITY OF NEWPORT

# 1915

# Annual Report of the Chief of Police

**To the Honorable Board of Aldermen, City of Newport:**

Gentlemen:—I respectfully submit the annual report of the operations of the Police Department of this City for the year 1915, ending December 31st.

### Lodgers

One female and one hundred and sixteen males sought the shelter of the Police Station during the year and were booked as lodgers.

### Dog Licenses

Licenses were issued in 1915 for 971 male dogs, 172 female dogs, 27 kennels, and the receipts therefrom, amounting to $2,101.00, paid to the City Clerk.

### Licenses

During the year 1915 licenses were granted by the Board of Aldermen for ninety-six (96) Hackney carriages at $1.25 each, one hundred and fifteen (115) hackney carriage drivers at 50 cents each, sixty five (65) wagons at $1.00 each, eighty-eight wagon drivers at fifty cents (50 cents) each, ninety-four Hackney Motor Vehicles at $5.00 each, one hundred and twenty (120) motor vehicle operators at $2.00 each, and the total, amounting to $996.50 paid into the City Clerk.

Patrolman Cornelius S. Sullivan is acting Superintendent of Hacks and devoting his entire time to that duty.

### ARRESTS

| | 1st Quar. | 2nd Quar. | 3rd Quar. | 4th Quar. | Total |
|---|---|---|---|---|---|

### New Police Station

On Saturday, January 15th, 1916, we took possession of and moved into the new Police Station and find it a comfortable, convenient and sanitary structure.

In the process of "settling" we found many things to do and the necessity of purchasing various articles.

The building required thorough cleansing and we had the floors scrubbed, shellaced and waxed, windows and paint cleaned, main office painted, chair rail installed in the recreation room, bookcases, typewriter desks, club case, clock and other articles of furniture cleaned and renewed.

Among some of the purchases was a desk for the Captain's office, waste paper baskets, cuspidors, fixtures for lavatories and toilets, new frames for old pictures, ash cans, tin cups for use of prisoners, and numerous other articles.

There is immediate need of equipping the windows of the building, fifty in number, with some adequate, substantial, stationary device for excluding the cold blasts from out of the north and west and tending to reduce our fuel bill.

From the standpoint of economy and comfort I recommend fitting the windows and doors of this building with screens that will exclude flies and other winged insects.

### New Gamewell Police Telephone and Signal System

Briefly, this system consists of twenty signaling stations or boxes located so that the principal part of this City is bound to be patrolled by officers going from box to box to ring in their duty calls, and furnishing a sure and speedy means of summoning assistance from the Police Station by either officer or citizen. The locks on all boxes are uniform and a wagon call can be sent in by inserting the key in the box where it is marked "Citizen's Key," and turning the key.

The officer, on opening a box, can, by moving a pointer on the Indicator, and pulling down a lever, either register his duty call, summon the wagon, or telephone.

The desk equipment in the office of the Police Station consists of a punching register which punches the record in the paper tape, a time stamp which prints the exact time that the record is punched, and a takeup reel which holds the tape on which the records are made.

In addition to the boxes already installed there is immediate need of a box on the Ocean Drive at or about the T. M. Davis place, one at the Mile Corner and one in the vicinity of Catherine Street and Gibbs Avenue.

The desk is also equipped with devices for operating visual and audible signal-lights, and gongs or horns, for calling policemen on their beats to their signal box and transmitting emergent orders to them.

On account of lack of available funds no such signals have been installed.

**Police Motor Patrol**

The White Motor Patrol has been in service since last July and is demonstrating its usefulness as a valuable adjunct to this Department. The upkeep of this piece of apparatus will probably not exceed the cost of the horse drawn vehicle, not including the salary of the mechanician, who also is on duty as night chaffeur.

This Department could make excellent use of an automobile similar to those in use by the Chief and Deputy Chief of the Fire Department of this City. A vehicle of this description would be useful, and necessary, in cases where the use of the regular Police Patrol would attract attention and a crowd. With it an officer could quickly respond to a call, could at once investigate an emergent complaint, could cover the City and in a very short period of time acquaint himself with conditions existing at various distant and widely separated points.

It would furnish a speedy means of apprehending those who carelessly appropriate to their own use the property of others, and especially those who, with an intent either felonious or mischievous, annex stray automobiles that are left standing about with no one in charge.

With the hope that our efforts to do our duty to the satisfaction of at least a majority of the residents of this City and that we may not labor in vain in a sane enforcement of laws that, apparently, are susceptible of being construed in weird and innumerable ways, I am,

Respectfully and sincerely,

JAMES R. CROWLEY,
Chief of Police.

February 16th, 1916.

OF THE

# SINKING FUNDS

FOR THE

-

# CITY OF NEWPORT

1915

# Annual Report of the Board of Commissioners of the Sinking Funds for the City of Newport for the Year 1915

---

**To the Honorable Representative Council of the City of Newport:**

Gentlemen:—The Board of Commissioners of the Sinking Funds for the City of Newport reports that the Board organized on Wednesday, January 27, 1915, by the election of Mr. George Gordon King, as Chairman, and Thomas B. Congdon, as Secretary.

In July the sum of $50,000 was paid to the City Treasurer for the payment and retirement of $50,000 City of Newport 3½% sidewalk bonds, which matured July 25, 1915. The full issue of these bonds were paid and cancelled and, by direction of your Honorable Body, were destroyed by burning, in the presence of the Chairman of the Board of Commissioners and the City Treasurer, and duly certified to your Honorable Body.

Maturing bonds in the fund for the Henderson Home for the Aged Men included $4000 of the City of Newport bonds and, as a re-investment, your Board purchased $4000 Pennsylvania Railroad Company General Mortgage 4½% bonds maturing in 1965 @ 97⅝.

The Sinking Funds for the past year were invested by the purchase of $45,000 State of Maryland road bonds, rate of interest 4%, purchased @ $99.24, maturing in 1922.

Appended hereto and made a part of this report is the report of the City Treasurer of the Sinking Funds and various Trust Funds held by the Board of Commissioners of the Sinking Funds.

Respectfully submitted,

GEORGE GORDON KING,
PATRICK J. BOYLE,
EDWARD A. SHERMAN,
R. S. BURLINGAME,
THOMAS B. CONGDON.

# REPORTS

——OF——

# Various City Officials

OF THE

# CITY OF NEWPORT

1915

# Annual Report of the Board of License Commissioners

January 3, 1916.

**To the Honorable Representative Council of the City of Newport.**

Gentlemen:—From January 1, 1915, to December 31, 1915, the Board of License Commissioners granted the following Wholesale, Retail, Club and Druggist Licenses. The revenues derived from the foregoing are as follows:—

| | |
|---|---|
| 9 Wholesale (at $750) | $6750 00 |
| 45 Retail (at $525) | 23625 00 |
| 2 Special Summer ($262.50) | 525 00 |
| 8 Druggist (at $25) | 200 00 |
| 11 Club (at $25) | 225 00 |
| Total Receipts | $31325 00 |

The expenses were as follows:—

| | |
|---|---|
| Printing Blank Forms | $15 00 |
| Expenses of Official Inspection | 31 25 |
| Office Expenses and Supplies | 8 00 |
| | $54 25 |

One hundred dollars was allotted for expenses by the Committee of Twenty-five, $45.75 of this amount is hereby reported unexpended.

The salaries of the Two Commissioners are $200 each and for the Third Member acting as Clerk to the Board $250, making the total salaries of the Commissioners $650.

Respectively submitted,

WILLIAM H. TOBIN,
Secretary.

# Annual Report of the Building Inspector

**To the Honorable the Representative Council of the City of Newport, R. I.**

Gentlemen:—I hereby respectfully submit my report for the year Nineteen Hundred and Fifteen.

Permits have been issued for building operations in the City of Newport, classified as follows:

| Character of Buildings | Number | Value Estimated |
|---|---|---|
| Residences and Cottages | 81 | $226650 00 |
| Additions to Buildings | 77 | 145013 00 |
| Alterations to Buildings | 51 | 51901 00 |
| Garages | 48 | 26109 00 |
| Stables | 5 | 7620 00 |
| Greenhouses | 3 | 5100 00 |
| Foundations | 10 | 1125 00 |
| Store Houses | 15 | 7260 00 |
| Electric Elevator | 2 | 4750 00 |
| School Building | 1 | 68500 00 |
| Stone Walls | 3 | 36950 00 |
| Buildings built at Newport Beach by Newport Beach Association, | | |
| Band Stands | 2 | 625 00 |
| Bath Houses at Baileys Beach | 20 | 1200 00 |
| Play Houses | 3 | 1650 00 |
| Miscellaneous, including Coal Trestle, Sheds, etc | 12 | 775 00 |
| | 333 | $585228 00 |

| | |
|---|---|
| Permits granted for installing electric wires | 172 |
| Permits granted for Moving buildings | 5 |
| Notices sent out for Fire Escapes | 4 |
| Notices sent out to repair gutters and leaders on residences | 36 |
| Buildings demolished | 5 |
| Roofs provided with Asbestos Slate | 75 |
| Roofs provided with Slate | 35 |
| Roofs provided with metalic or other metal roofing | 48 |

I have followed the same procedure this year as in the past, that is I have made a thorough study of excavation and the completion of

the foundation, and then frequent inspections of the upper structure, until the final completion of the work. It is a pleasure to note in most all cases the provisions of law have been willingly and readily complied with, by the Contractors.

Accompanied by the Chief Engineer of the Fire Department I have made inspections of all School Buildings in the City, with a view to eliminating any condition that might be a menace to life and property through fire. I have recommended Fire Escapes to be erected on several School buildings, also recommended that all doors on the School buildings to open outwards and to be equipped with Self Releasing Fire Exit Devices.

I have also supervised all work in the alterations and additions to the several Fire Stations.

Respectfully submitted,

MORTIMER D. SULLIVAN,
Inspector of Buildings.

# Annual Report of the Park Commission

**To the Honorable Representative Council of the City of Newport, R. I.**

Gentlemen:—The Park Commission presents the following report for the year 1915.

All the Parks, Cemeteries, squares, public bath house and public convenience which are under the control of the Commission have been kept in good order and repair.

Band concerts, both evening and Sunday afternoon, were given as usual during the summer in Battery, Touro, Morton, King Parks and the Mall.

The coping on the Bowery Street side of Aquidneck Park has been completed as far as King Street.

As usual a section of Aquidneck Park was set off under the direction of the Civic League for School Gardens for the children of the City.

This is the first year in the history of the Commission that the care of the Parks has not been let out by contract.

A superintendent and force of men have been employed by the Commission which has also purchased a horse and wagon and all its own tools and equipment. The Commission deems this way of caring for the Parks more satisfactory.

The Commission is indebted to Mrs. John Nicholas Brown who presented to the City two concrete benches for King Park; to Mr. Guy Norman who presented a flag-staff and flag for King Park and to Mrs. Frederick W. Vanderbilt who presented a flag-staff and flag for Aquidneck Park.

## FINANCIAL STATEMENT

| | |
|---|---|
| Total appropriation for 1915 | $12130 00 |
| Expended | 11207 67 |

Respectfully submitted,

J. H. WILLARD,
Chairman.

# SECOND ANNUAL REPORT

OF THE

# Board of Recreation Commissioners

OF THE

# CITY OF NEWPORT

1915

# Second Annual Report of the Board of Recreation Commissioners

**To the Honorable Representative Council of the City of Newport:**

On January 10, 1915, Mr. Harry F. Cook began his work as Supervisor of Public Recreation under the direction of the Board of Recreation Commissioners. The activities of the past year cannot be better reported to your Honorable Body than by forwarding to you the report made by Mr. Cook to the Commission. In presenting this second annual report, the Commission wishes to express its appreciation of the courteous co-operation which it has received from the other city departments.

Respectfully submitted,

RUFUS E. DARRAH, Chairman.
RUTH B. FRANKLIN, Secretary.

Newport, R. I., January 3, 1916.

## REPORT OF SUPERVISOR OF PUBLIC RECREATION

Newport, R. I., December 13, 1915.

**To the Board of Recreation Commissioners:**

The report of the work of the Supervisor of Recreation for the year ending December 31, 1915, consists of the following divisions:

1. Play Problem in Newport.
2. Summer Playgrounds.
3. Organized School Activities.
4. Celebration of Holidays.
5. Evening Recreation Centers.
6. Stimulation of Private Play.
7. Public Play.
8. Co-operation of Other Organizations.
9. Recreation Needs.

## I.—Play Problem in Newport

Public play like private play is based upon play needs and play interests. But public play embraces the recreation of the entire community, which is composed of children, youth and adults. Furthermore, public play is furnished because cities regard such work as a good business proposition. Money expended for recreation means less money required for the health, police and education departments.

Good play is a potent means for physical, mental and moral development. Good play promotes good health. Good play is practice (not preaching) in right conduct. We may teach that "honesty is the best policy" for weeks and the boy will fail to respond.

But if we deny him the privilege of playing on his team, because he has cheated, he soons learns to be honest. "Exceptional mental development," says Strochan, in his book, "What is Play," "is always preceded and is indeed produced by an exceptional amount of exercise in play of the special faculties concerned."

Because the Board of Recreation Commissioners understood these truths, the Supervisor hoped to make a careful study of the play needs of the various groups in Newport, to discover to what extent private and commercial agencies were satisfying these needs, and to prescribe the public recreation facilities required and the kind of play necessary.

To a certain extent, the Supervisor has attempted to do this, but as the greatest need in Newport has been and is the education of the people to an appreciation of the importance of play, he has given his attention to this phase of the problem, not only providing recreation for the children, which is his first duty, but also furnishing holiday celebrations, press articles, and talks to various clubs, emphasizing the meaning and value of play.

## II.—Summer Playgrounds

The most important phase of recreation work in Newport is the summer playgrounds. Nine of these were open during the season of 1915 and the results obtained were as follows:

1.—500 playground children took part in the Fourth of July parade.

2.—The Board of Recreation co-operated with other organizations in a Fourth of July pageant.

3.—600 children enjoyed their annual picnic as guests of the Newport Beach Association.

4. 549 babies were entered in health contests for which 28 prizes were awarded.

5.—349 children took part in inter-playground athletic meets, the winners being Lenthal and Aquidneck for the boys and girls respectively in the City championship.

6.—94 children entered inter-playground swimming meets, King Park being the winner.

7.—50 boys took part in an inter-playground base ball league, won by the Basin.

8.—Four playgrounds entered teams in a girl's base ball league which was won by King Park.

9.—Three playgrounds entered teams of girls in a volley ball league won by Aquidneck.

10.—23 girls were entered by three playgrounds in a tennis tournament which was won by Emily Cooper and Alice Wagner of Vernon in doubles, and Elsie Donovan of Aquidneck in the singles.

11.—Bathing was supervised and swimming taught on three beaches—King Park, Dr. Storer's, and the Martha Horning estate.

12.—Branches of the Public Library were conducted at the Cranston, Potter and Wetmore grounds.

13.—Industrial work was taught on seven grounds and an exhibition of basketry was held at Vernon and Morton Park playgrounds, during the final pageant of the season.

14.—Children and City Officials fraternized in the dedication of the flag-pole at King Park, which was witnessed by 2000 persons.

15.—Two amateur circuses were given, one by the Basin and one by Wetmore children—each included dances and songs by the girls, and side shows, tricks, cowboys and Indians and acrobatic acts by the boys.

16. 70 adults attended a Doll show at Potter.

17.—13 children competed in a wild flower show at Vernon, won by Phyliss Hazard with 52 specimens correctly named and labelled.

18.—21 children participated in a costume parade at King Park, for which prizes were awarded for the prettiest and the most ridiculous costume.

19.—266 children represented Newport's History in a pageant, "Newport, Champion of Progress," given in two performances, September 4 and 6, at Vernon Avenue playground and Morton Park respectively.

The statiscal report of the work is as follows:

| | |
|---|---|
| Average daily attendance on nine playgrounds | 986 |
| Total for ten weeks, 1915 | 54714 |
| Total for ten weeks, 1914 | 50064 |
| Games organized | 7729 |
| Games played | 1778 |
| Dances taught | 90 |
| Socials held | 118 |
| Hikes (including those from one ground to another for athletic events) | 100 |

| | |
|---|---|
| Books loaned | 236 |
| Average daily attendance in reading rooms | 50 |
| Athletic meets conducted | 32 |
| Children taught to swim | 38 |
| Average attendance in bathing under supervision | 426 |
| Children engaged in raffia work | 182 |
| Baskets made | 140 |
| Sets of tennis played | 3425 |
| Children taught to play tennis | 64 |
| Permits granted adults for base ball and tennis | 107 |
| Total number of children enrolled on playgrounds | 1004 |

### III.—Organized School Activities

With the co-operation of the superintendent and principals of the public and parochial schools the following results were obtained :

1.—Conducted Third Annual School Athletic Meet, in which eight schools were represented and 150 children participated. Coddington School won the meet.

2.—Eleven schools entered the preliminary school athletic meets with a total registration of 678 pupils.

3.—A grammar school base ball league was organized, composed of major, intermediate, minor and midget divisions, playing one game a week for six weeks or a total of 60 games embracing 200 boys.

4.—A minor and major league of basket ball was organized composed of ten school teams playing one game a week for ten weeks, or a total of 36 games.

5.—Handball tournaments have been started at St. Mary's and Coddington Schools. Over 111 games have been played.

6.—A top spinning contest was conducted, in which 14 schools entered and 647 children competed. John Lyons of St. Augustin's School won for the boys, and Gertrude Lawton of Mumford for the girls.

7. Playgrounds after school hours were opened at Potter from January to June with an average attendance of 60, and at Thayer for three months with an average attendance of 45.

8.—A special class for parochial school girls under volunteer leaders was conducted at Touro Street Center during March, April and May with an average attendance of 43.

### IV.—Celebration of Holidays

1. A May Festival was held at Aquidneck Park witnessed by 1500 people in which over fifty children took part with Maypole and folk dancing, singing, archery and hoop rolling contests and relay races.

2. Fourth of July was observed by 500 children marching in a parade in the morning, and forty children taking part in the afternoon in the pageant, "Champion of Liberty." Twelve organizations co-operated to present this pageant.

3. Labor Day was celebrated by a pageant entitled "Newport, Champion of Progress," showing the growth of Newport industrially and socially, in which seven playgrounds were represented and in which 300 children took part.

4. On Hallowe'en 300 children dressed in various costumes after the spirit of the celebration, took part in a parade, followed by a Harvest Festival, which was held at the Basin Playground with folk dances and a bonfire.

5. A community Christmas celebration was held on Christmas "Eve," a tree lighted in Washington Square and the singing of carols and other songs by 500 public school children and 30 adults.

### V.—Evening Recreation Centers

Evening Recreation centers for young women were conducted at Rogers High School for 30 weeks with an average attendance of 38, and at Carey School for eight weeks with an average attendance of 22.

2. The Touro Street Center for young men, loaned to the City for three months by Rev. Edward A. Higney of St. Joseph's Church, was closed on May 7th after 10 weeks duration, with an average attendance of 92.

### VI.—Stimulation of Private Play

While some people feel that the more public play we have the better the city, yet no city at present can afford financially to supply sufficient recreation for all the people. Hence, one of the important tasks of the Supervisor has been the stimulation of wholesome private play. He has done this as follows:

1. Through Club Contests.
2. Through Organization of Clubs.
3. Through Federation of Clubs.
4. Through Talks.

#### 1.—Through Club Contests

Through the generosity of Governor R. Livingston Beeckman, who donated five silver cups, a dramatic contest has been arranged for dramatic clubs, a debating tournament for men's clubs, a social contest for women's clubs, a basket ball tournament for boy's clubs and indoor athletic meets for athletic clubs.

#### 2.—Organization of Clubs

One of the pleasant duties of a Supervisor is the organization of

clubs to satisfy some play need. Two clubs have been formed, a "Social Workers Club" and an "Out of Doors Club."

The "Social Workers Club" meets the last Tuesday of every month. The "Out of Doors Club" meets every Sunday afternoon for a "hike" into the country, and 74 miles have been covered in six Sundays.

### 3.—Federation of Clubs

A conference on boys and girls club work was held in the City Hall in which a number of prominent club leaders participated, and it was plainly evident from the discussion that little club work was being done in Newport. As a result of this conference a Junior City Government has been organized, under the direction of the Supervisor, with a Junior Mayor, Junior Board of Aldermen, Junior Representative Council, Junior City Clerk, City Treasurer, and Editors for the paper, "The Junior Citizen." Twelve clubs have already affiliated. The object of the organization is the promotion of athletics and civics among the boys and girls of Newport.

### 4.—Talks on Recreation

The Supervisor has been asked to speak before five men's clubs and one parents meeting.

## VII.—Public Play

While all the work that is done by a Recreation Supervisor may be called public play, yet some of it is confined to certain groups as the school children, or is work that is mentioned in other sections of this report. However, some recreation is distinctly public because it is provided by the city for everybody, or public because it is usually carried on by some department of the City Government. Under this heading we have:

1. Sunday Walks.
2. Granting of permits for use of public playfields.
3. City Championship Football Games.
4. Work done for the Board of Aldermen.

### 1.—Sunday Walks

Circulars were sent to 60 men's clubs, 25 women's organizations, and 12 children's societies, advocating Sunday Walks, and stating that certificates with the city seal and the Mayor's signature affixed, would be given to any man, woman or child who covered twenty miles before Christmas.

It is difficult to state at present the exact number of people who will apply for certificates, yet considerable interest has been manifested in this kind of recreation through the walks of the Out-of-Door Club and Boy Scout Troops.

### 2.—Use of Public Playfields

Tennis was played on the courts at Vernon Avenue and Aquidneck Park Playgrounds daily during the summer by adults as well as by children, and in the evening after the playgrounds were closed and on Sunday without permits. For playing base ball, permits were granted as follows:—Tigers, 4; Boy Scouts, 2; Y. M. C. A., 2; Richmond A. C., 2; Colonials, 1; Newports, 1; Orioles, 1; Brownies, 1.

### 3. City Championship Football Games

The Supervisor attempted to interest the grammar school boys in soccer rather than regular football, because of the possibility of serious accident in the latter game, but he had little success. However, without any encouragement, the boys themselves, residing in different sections of the city organized football teams. Then, the Supervisor arranged a series of games for the junior and midget championship, the former being won by the Richmond A. C. of the fifth ward, and the latter by the Wetmore Midgets of the fourth ward.

### 4.—Work Done for the Board of Aldermen

At the invitation of the Board of Aldermen, the Supervisor conducted the physical tests for the Fire Department and arranged the athletic events scheduled for the Fourth of July celebration. The athletic events consisted of a five-mile bicycle race in the morning, and an athletic meet in the afternoon at Morton Park, which was won by the U. S. S. Arkansas.

## VIII.—Co-operation of Other Organizations

The success of the Recreation Movement in Newport during the past year is due to the co-operation of many individuals and agencies of the city. The "Daily News" and the "Newport Herald," the Mayor and the Board of Aldermen, the Park Commission, Board of Health, and the School Committee, The Civic League, Camp Fire Girls, Boy Scouts, Y. M. C. A., Army and Navy Y. M. C. A., the pastors of the various churches, the principals of the public and parochial schools, the People's Library, the Historical Society, the Naval Training Station, and Fort Adams have been of considerable assistance to the Board of Recreation on more than one occasion. Thanks are due them for the help given in making the lives of children brighter and better, and to the playground teachers who did splendid work during the summer season. Other agencies and individuals helped the recreation movement through gifts and loans.

## IX.--Recreation Needs

The Recreation needs of the City of Newport may be classified as follows:

1. General Needs.
2. Specific Needs.

### 1.—General Needs

1.—A larger amount of physical activity for children and youth, especially during the school year.

2.--Attention to and facilities for Kindergarten play of children under ten years of age throughout the entire year.

3.—Club work for all boys and girls between the ages of 10 years and 19 years to be secured through the organization of boys and girls clubs.

4.—Development of our public playfields for increased use by the youth of the city.

5.—A study of the commercial play offered to see that it conserves the best interests of the city.

6.--Stimulation of private play through competitions of various kinds that such play will be a benefit to the city as well as a means for health and happiness to the individuals.

7.—To provide facilities and furnish public play for the youth of the city through recreation centers and for adults through social centers with lectures, socials and group contests, and through the public celebration of holidays, to safeguard the leisure hours of adults and promote community cheerfulness and good fellowship.

8. To make the work of the people of Newport play, so far as this is possible—by a study of industrial conditions, vocational guidance and furnishing employers and employees with information on the play values in the daily occupations.

### 2.--More Specific Play Needs

a. Children's playgrounds in the following sections of the city:
   1. Lower Thames Street near Dearborn.
   2. West Broadway.
   3. Point District.
   4. Coggeshall School Section.

b. Recreation centers for young men and young women in the first, fourth and fifth wards.

c. Public Baths, and a public swimming pool are needed in Newport. About half, or 2784 of the 5600 families in Newport are without bathtubs. Furthermore, a public indoor swimming pool for Newport would be a great benefit to the citizens, especially for women, who have asked for such a privilege and are willing to make a small payment. A public swimming pool would be greatly appreciated because

a great number of the citizens of Newport take advantage of the outdoor swimming at the beaches in the summer and enjoy this sport. Brookline, Massachusetts, which has about the same population as Newport, maintains a public gymnasium, bath and swimming pool. Swimming is one of the best exercises for health for all classes of people.

d. A public bathing beach is needed for the citizens of the first ward similar to the one at King Beach Park for the citizens of the fifth ward. Through the courtesy of Dr. Horatio Storer and Mr. E. Hollingsworth Wood, bathing was supervised and swimming taught at two beaches off Washington Street last summer.

The average daily attendance was 156.

e. The Vernon Avenue Playfield should be developed with a field house, including shower and toilet facilities on half mile cinder track, see-saws, swings and hand ball courts.

Respectfully submitted,

HARRY F. COOK,
Supervisor of Recreation.

# Annual Report of the Inspector of Plumbing

**To the Honorable Representative Council of the City of Newport, R. I.**

Gentlemen:—The Inspector of Plumbing respectfully submits the following report for the year of Nineteen Hundred and Fifteen.

As in previous years all house drainage and plumbing ventilation undergoing construction or repair, has been frequently and systematically inspected, and the water test applied to all new work or alterations made on to old plumbing; such leaks or defects as were disclosed, were corrected or removed. A large amount of old and defective plumbing work has been removed the past year and the sanitary conditions of a number of dwellings being greatly improved by the removal of the same.

The number of Plumbing Plans filed were three hundred and twenty-nine (329) or sixty-one more than last year, of this number ninety were for new buildings, two hundred and thirty-nine (239) were for additions and alterations to plumbing in old buildings.

At the writing of this report a large amount of plumbing is being installed throughout the City. Additions and Alterations are being made to the plumbing system in several of the summer residences in the southern part of the City. The work in the John Clarke School Building is progressing the roughing-in work is about ready to be tested.

I would recommend to your Honorable Body the passage of an ordinance on plumbing and drainage of buildings, materials to be used and the manner of installing the same.

The following is a detailed statement of the work of this office.

Estimated cost of plans filed, $81,811.00.

| | |
|---|---|
| Number of plans filed | 329 |
| Number of plans filed, old houses | 239 |
| Number of plans filed, new houses | 90 |
| Water Closets | 386 |
| Basins | 297 |
| Bath Tubs | 273 |
| Sets Wash Trays | 108 |
| Sinks | 216 |
| Urinals | 8 |
| Shower Baths | 2 |

| | |
|---|---|
| Slop Hoppers | 3 |
| Cellar Drain Trap | 60 |
| Rain Water Leaders connected | 116 |
| Floor Drains | 25 |
| Inspections made on plans filed | 813 |
| Inspections made on cellar drain traps, rain water leaders and floor drains | 240 |
| Inspections made on sanitary improvements | 94 |
| Total inspections made | 1147 |

Respectfully submitted,

JOSEPH P. CARNEY,
Inspector of Plumbing.

# Annual Report of the Overseers of the Poor

**To the Honorable Representative Council of the City of Newport.**

Gentlemen:—The undersigned respectfully submit their report for the municipal year ending December 31, 1915.

Respectfully submitted

THOS. B. CONGDON,
Chairman.

# Annual Report of the Inspector of Nuisances

**To the Honorable Representative Council:**

Gentlemen:—The Inspector of Nuisances respectfully reports that from January 1st, 1915 to December 28, 1915, 8,262 inspections were made, divided as follows, viz:

Premises where inside or non-freezing closets were found, 4,141.
Premises dirty, 7.
Buildings and sheds found clean, 2,718 ; dirty 10.
Dirty sheds cleaned, 4.
Dirty cellars, 1 ; cleaned, 1.
No traps to sinks, 6 ; trapped, 2.
Toilets stopped up, 41 ; cleaned, 24.
Toilets out of order, 6 ; repaired, 3.
Leaking water from toilets running into adjoining cellar, 6 ; abated, 3.
Dangerous toilet floor, 1 ; repaired, 1.
Broken toilet replaced by a new one, 1.
No water for flushing toilets, 2 ; water turned on, 1.
Sink traps leaking, 4 ; repaired, 2.
Waste pipes stopped up, 5 ; cleared, 3.
Grease traps and drains stopped up, 44 ; cleared, 29.
Storm water in cellars, 8 ; removed, 6.
Houses with no toilets or privies, 6.
Sewage in cellars, 11 ; removed, 5.
Houses with no sewer connection, 1.
Water in cellar from bursted pipe, 1 ; removed, 1.
Foul odors from sewage in cellar, 1 ; removed, 1.
Dangerous smoke pipe, 1 ; repaired, 1.
Leaking waste pipes, 4 ; repaired, 4.
Waste pipe leaking into cellar, 1 ; repaired, 1.
Dirty yards, 149 ; cleaned, 54 ; being cleaned, 5.
Dirty stable yards, 1 ; cleaned, 1.
Defective and broken grease trap, 1.
Nuisance from feeding swill to hens, 1 ; abated, 1.
Nuisance from pigeons kept in attic, 1 ; removed, 1.
Nuisance from sink waste, discharging on the ground, 2 ; abated, 2.
Nuisance from pigs kept in City limits, 1.
Nuisance from throwing slops into manure pit, 1.
Nuisance from junk in street, 1.
Nuisance from pumping out gas main in street, 1.

Nuisance from fish barrels, 1.
Nuisance from rubbish in cellars, 3 ; removed, 1.

# Annual Report of the Sealer of Weights and Measures

Newport, R. I., December 31, 1915.

**To the Honorable the Representative Council of the City of Newport:**

Gentlemen:—The Sealer of Weights and Measures herewith presents his report for the year 1915.

Pursuant to the Public Statutes of the State of Rhode Island the law in relation to the sealing of Weights and Measures was duly published.

I have sealed 404 scales, 13 large platform scales, 100 cans and measures, and 134 bottles.

Respectfully submitted,

J. J. CONNELL.

Sealer of Weights and Measures.

# Annual Report of the Harbor Master

**To the Representative Council of the City of Newport, R. I.**

Gentlemen:—Following you will please find my report for the year ending December 21st, 1915.

January 3rd, 1915. Moved Torpedo Destroyer "Birmingham" out of the channel.

January 5th. Stopped the Government launches from throwing ashes overboard in the harbor.

February 3rd. Moved two barges out of the channel.

April 17th. Moved three-masted schooner out of the channel.

April 18th. Moved fishing schooner out of the channel.

June 5th. Moved two Government vessels out of the channel.

June 20th. Moved Government vessel out of the channel.

Aug. 1st. Moved three Government vessels out of the channel.

Sept. 22d. Tug boat on fire in the south end of the harbor. Nobody was injured..

During the season five barges dragged anchor and went aground

at south end of harbor. They were dragged off by their respective tugs.

Mud digger, working in the harbor all summer, finished its work on October 18th, 1915. The depth of water was 18 feet.

Respectfully submitted,

THOMAS SHEA,
Harbor Master.

Newport, R. I., December 31, 1915.

---

# Annual Report of the Health Officer

**To the Representative Council of the City of Newport, R. I.:**

Gentlemen:—Following you will please find my report for the year ending December 31st, 1915.

During the year 1915 I have boarded all vessels coming into Newport Harbor from foreign ports with quarantine flag flying. In each and every case I found a clean bill of health, with no sickness on board any vessel arriving here.

Steam Yacht "Wayfarer" from Bermuda.

Schooner Yacht "Kitty" from a foreign port.

(Scientific Research Party aboard.)

Respectfully submitted,

THOMAS SHEA,
Health Officer.

Newport, R. I., December 31, 1915.

---

# Annual Report of the Inspector of Kerosene

**To the Honorable Representative Council of the City of Newport:**

Newport, R. I., December 31, 1915.

Gentlemen:—The Inspector of Kerosene herewith presents his report for the year 1915.

I tested and stamped the tanks of the Standard and Texas Oil Companies, finding all oil 40 to 42 degrees above requirements by law.

Respectfully submitted,

J. J. CONNELL,
Inspector of Kerosene.

Dog Constable.

# Annual Report of the Commissioners of Henderson Home for Aged Men.

**To the Honorable Representative Council of the City of Newport:**

The Commissioners of the Henderson Home for Aged Men, in compliance with a City Ordinance, hereby make their report for the year 1915.

At the beginning of the year there were ten inmates of the Home and there is the same number now. The only changes during the year are these:—Clement E. Graffam died January 7th after a brief residence in the Home and shortly thereafter Karl Lein was admitted thereto to fill the vacancy by Mr. Graffam's death.

The health of the inmates has, on the whole, been good and they have not required much medical service. Their ages range from sixty-one to eighty-four years, the average being seventy-two. Dr. John A. Young has acted as physician to the Home from the date of its establishment and we hereby gratefully acknowledge his skillful and attentive service, which has always been without charge.

On April 24th Rev. William B. Meenan, who had been a member of the board from the start, died after a prolonged and painful illness. Father Meenan had always taken an active interest in the management of the Home and in the welfare of the inmates and as a member of the executive committee had an intimate acquaintance with the affairs of the institution. He is missed, both as an efficient member of the board and as a genial friend and associate.

Mr. Albert K. Sherman, a member of the board, died yesterday, December 30th, after a brief illness. Mr. Sherman's term of service was not long but as a member of the executive committee he had good opportunity, of which he readily availed himself, of being actively useful in the conduct of the affairs of the institution. His death is a distinct loss to the Home.

Mr. Samuel P. Gladding, husband of the superintendent, died at the Home on August 5th after a long and continued illness.

Early in the year the desirability of enlarging the Home was considered and a tentative plan for such enlargement was procured. Upon a careful consideration of its financial condition it did not seem wise to go on with any project for enlargement.

The income for the year has been $5585.71 and the expenses $5803.89.

The income accumulated during the years immediately following the establishment of the Home now amounts to $11992.46 of which $11000 is invested and bears interest at 4%. The use of this interest in part is found necessary to aid in meeting the current expenses.

The treasurer's report, showing the receipts and expenditures in detail, accompanies this report.

Respectfully submitted,

DARIUS BAKER, Chairman.
T. FRED KAULL, Secretary.

December 31, 1915.

---

# REPORT

—OF—

# The Trustees of The People's Library

OF THE

## CITY OF NEWPORT

## 1915

# Annual Report of the People's Library

**To the Honorable Board of Aldermen and Representative Council of the City of Newport, R. I.:**

The Trustees of the People's Library in Newport herewith present their report for the year ending April 30th, 1916. The reports of the Librarian and Treasurer herewith, contain in detail, the transactions of the Trustees during the year.

The past year has been the first complete year since the Library was installed in the new building in Aquidneck Park. The increased use of the Library by the public, the convenience to the employees in administration and the great attractiveness, both of the building and its location, has proved the wisdom of making the change.

Last summer, by the invitation of the Newport Libraries, three Associations, The Rhode Island Library Association, The Massachusetts Library Club and The Connecticut Library Association held a joint session in Newport, which did much to stimulate interest in our work. The new Library building and its adaptation to its purpose were enthusiastically approved by many of the experts gathered here at that time.

The use of the Library has exceeded all previous records: over 48,500 volumes were circulated for home use and there were 934 new registrations. This use of the Library facilities has brought home to the Trustees the need of additions of new books on many subjects to meet the popular demand. We made a direct appeal to the public for this purpose last year which was met by donations of some money and many people gave books which they were not using but which were of great benefit. The additions by purchase were 729 volumes and by gift 765 volumes and after discarded volumes were deducted there were left net accessions of 1165 volumes and the total in Library at the end of the year is 32,522 volumes. As some of the volumes are documentary and others little used, it is readily seen how great a demand our circulation makes upon our resources. Under the terms of the Deed of Trust from Mr. Townsend, through which substantially all the support of the Library is derived, the Trustees have only power to buy books of permanent, substantial character. This makes the Library dependent on its friends for novel and light reading; and

as we now have ample, substantially fire-proof stack room for many additional volumes, we feel that the public should realize our need of more books and the great good that suitable books can do in the work we are carrying on.

The need of new books and of renewals of discarded books, is especially pressing in the Children's Department. This extension of the Library has been most marked in the past few years. The Juvenile circulation this year is over 20,000 volumes, and there are in the Library only about 1250 volumes in this Department available for home use. The growth of the work in the Children's Department has been further emphasized by the need of providing additional room for the Children during the weekly study hours. This has been done by removing partitions and remodelling the rooms on the second story of the Library so that now the entire building, except some store rooms in the third story, is in active use. The trustees feel that this work should be encouraged, as it is due to the interest created in children that the readers in the future will be properly trained and directed to good and useful reading.

On account of the number of the patrons of the Library that use Aquidneck Park as an approach to it, the Trustees are made to appreciate the need of the proper protecting, lighting and building suitable walks in this most valuable addition to the City's resources. The Trustees of the Library have always forborne to ask the City for appropriations to enable them to meet the many pressing demands upon the Library, because they have known the many other demands upon the resources of the City. Many of the Towns and Cities in this State make large appropriations for Public Libraries. The Statutes of the State provide that a Town may appropriate not exceeding 25 cents on each $100 of ratable property for the establishment of Free Public Libraries, and may annually appropriate not exceeding 30 cents on each $1000 of ratable property for the support of Public Libraries. And it would not seem unreasonable to urge the City to accommodate its citizens who use the Park in the inclement seasons, either on their way from Spring Street, across the Park to Bowery Street, or to the Civic League Building or the Library, by laying some proper granolithic or other suitable walk which may be cleared of snow and which is necessary and convenient to travel in stormy weather. In the same way we urge upon your consideration, a more complete lighting of the Park, and a proper policing of it, at least during that portion of the evening when so many young people visit the Civic League and Library Buildings.

Each year the public makes greater demands upon the Library and each year the Library is obliged to make greater demands upon its financial resources. Each year through its employees the Library

performs for the public greater services and the institution is of greater usefulness to the Community.

In this work, we invite the cordial co-operation of Your Honorable Body and of the entire people of Newport.

WILLIAM P. SHEFFIELD,
EMERY H. PORTER,
CHARLES A. BRACKETT,
GUY NORMAN,
WILLIAM H. HAMMETT,
Trustees.

## REPORT OF THE LIBRARIAN

**To the Trustees of the People's Library:**

Gentlemen:—I have the honor to submit my report for the year ending April 30, 1916, our first complete year in the new building.

Our record of 48564 books circulated for home use, and of 934 new registrations, shows a use of the Library exceeding that of any previous year and considerably exceeding the average records in the old building.

In addition to ordinary activities the following unusual feature of the work of the year may be mentioned. By invitation of the various Newport libraries a meeting of the Rhode Island Library Association, the Massachusetts Library Club and the Connecticut Library Association was held in Newport and Jamestown, June 17-19, 1915. The discussions of library topics in meetings open to the public by these two hundred librarians, and their visits to the local libraries were felt to be stimulating to library interests in our community, and it was gratifying to hear the enthusiastic praise of our new home expressed by the many visitors who were well qualified to judge of the merits of a library building.

The annual report of the Library has been included each year in the City Documents. This year for the first time it was separately printed and circulated, and we have thus been able to meet the requests for a detailed statement of our work and condition. The Trustees' presentation in the report of our need of more money for books, and Dr. Porter's appeal in the newspaper, and by circular resulted in gifts of books aggregating 440 volumes, and an anonymous gift of $100. The books given were of real value and use, and in general of a character to be much appreciated by the public. Among them may be mentioned the 30 volume de luxe edition of the Bibliophile library of literature, art and rare manuscripts; and the medical and surgical

library given by Dr. A. J. Anderson. Previous to Dr. Porter's appeal Mr. Guy Norman had given $50 for the purchase of works of natural and applied science, and with the additional gifts of books received through the year our resources have been strengthened and our work greatly helped by the generosity of our friends.

The children's librarian observed November 28—December 4 as the "Better reading week" for Boy Scouts planned by the National Scout authorities, stimulating in various ways boys' interest in the books recommended by the Scout Library Commission. In December we held an exhibit of books suitable for Christmas gifts, showing a large number of varying editions and prices. This aid in the selection of gifts seemed to be appreciated and served the double purpose of extending the knowledge ot the Library's resources in attractive editions, particularly of children's books.

The assembly room has been used three times:—in August for two dramatic readings by Mrs. Edward Holton James, and in September for the annual meeting of the Newport Association for the Relief and Prevention of Tuberculosis.

We participated in "Baby Week" to the extent of furnishing a panel, and supplying a list of books in the Library on the care of children, public health and allied subjects, which was widely distributed. In addition Miss Sheffield occupied one of the two story-hours of the week, telling stories to a large number of children in Rogers High School Hall.

One of the most satisfactory changes of the year has been the introduction of the Newark charging system, now most approved in Library circles. It is so great an improvement upon our former slip system as materially to promote efficiency and quick service at the charging desks. By additional help from Miss Parmenter, the transition from one charging system to another was effected in about two months, without inconvenience to the public.

The growth in our work with children and the resulting congestion in their department has been recently described. The large number of children coming to the weekly story-hour conducted by Miss Sheffield necessitated provision for them upstairs, and for their accommodation the south and southeast rooms on the second floor have been made into one large and attractive room. Though designed especially for children's use, it is admirably adapted to other purposes, such as the exhibition of pictures, specimens, etc.

May I ask your attention to the significance of this year's juvenile circulation of 20082 volumes in relation to the maintenance of our working capital in this department? Our children's room contains about 1350 books, of which 1250 are available for home use. The wear and tear on a library of this size represented by a circulation of over

20000, plus the annual loss of a considerable number of books destroyed by the Board of Health on account of exposure to contagious disease, make it impossible for our children's library to appreciate in value on the money at present available for it. Books are being used faster than we can buy them, and we are able to hold our own (without growth) only because our purchases have been supplemented by gifts of books and money. Similar conditions prevail in the adult fiction shelves where our book stock has been saved from actual depreciation only by the large number of volumes contributed to this department.

The Library has suffered a loss in the resignation of Miss Sara B. Manchester, who for nearly eight years has rendered faithful and efficient service. Miss Manchester's resignation took effect March 18, and Miss Florence C. Sanford was appointed her successor.

Respectfully submitted,

LUELLA KATHARINE LEAVITT,
Librarian.

# Schedule of Real Estate

On May 2, 1912, the City of Newport leased Easton's Beach to the Newport Beach Association for the term of five years from the 2nd day of May, A. D. 1912, at the annual rental of $2,500, with the privilege of a renewal for the further term of five years at the same annual rental; the Newport Beach Association to expend at least $25,000 for new buildings during the first five years of their lease which buildings revert to and become the property of the City of Newport at the expiration of the lease.

The undersigned, the Assessors of Taxes of the City of Newport, in the State of Rhode Island, having completed the assessment of the tax ordered by the Representative Council of said City of Newport, February 28, A. D. 1916, amounting to Seven hundred eighty-seven thousand, nine hundred sixty-one dollars and sixty cents ($787,961.60), the same being contained in the four hundred and sixty-five pages of the foregoing list, they now all sign the said assessment or assessments and deposit the same in the office of the City Clerk of said City of Newport, on this twenty-first day of June, A. D. 1916.

JOHN E. O'NEILL, Chairman.
ROBERT S. GASH,
JAMES E. BLAKE,
EDWARD W. HIGBEE,
Collector of Taxes.
